It is a compulsory requirement for every SFNL Umpire to be accredited to at least Level 1 under the national program.

If you have not previously completed Level 1 you are now required to do so.

Level 1 - Part A:

You can complete the **theory** component of Level 1 Accreditation on-line. It is a "User Pays" system, whereby you invest \$12.00 when you logon. A credit card payment is required.

Simply log onto the AFL's community website: www.aflcommunityclub.com.au

Click on the "Umpires" tab

Click on the "Umpiring Courses"

Click on "Level 1 Umpiring Accreditation"

Go to "Level One (Introductory) Accreditation"

The course takes around two hours to complete.

Completion is now OVERDUE.

Please complete the on-line component of Level 1 and bring a printed copy of your "completion certificate" to training by Thursday 9 July.

Please note that you will not be appointed to matches in the Finals Series unless you are Level 1 Accredited.

Level 1 - Part B:

Other competencies are required to be demonstrated and are assessed, both at training and on match day, by your Coach or any Umpiring Department team member.
