WHAT'S HAPPENING AT SFNL HQ?

DAVID CANNIZZO, SFNL CEO

🖉 🛛 dcanitz

Netball Finals underway...

Good weather supported a great start to the SFNL Netball Finals Series last weekend. We had 32 teams who earned the right to play finals and eight teams did exceptionally well advancing straight from their Second Semi Final to the Grand Final.

Firstly, congratulations to Dingley who had 10 teams make finals in eight divisions and nine of those teams are still alive either in Preliminary Finals this weekend or already advanced to Grand Finals next weekend.

Congratulations to all teams who have advanced direct to Grand Finals in Heatherton Black (Div 1), Heatheton (Div 2), Dingley (Div 3), Dingley Gold (Div 4), Dingley (Div 5), Dingley Red (Div 6), Oakleigh District (Div 7) and Keysborough (Div 8).

To the First Semi Finalists who fell short, well done on a very successful 2017 SFNL netball season and although your season is now over, we look forward to seeing you back in 2018.

A reminder it is free entry to this weekend's preliminary final matches. Next weekend at the Grand Finals, it will be \$5 per adult and kids under 15 are free.

SFNL Pride Round...

I cannot thank our clubs, their committees, volunteers, players and supporters enough for the collaboration and support shown for last weekend's Pride Round.

I was blown away by the level of support the League had received in establishing this initiative, which came at an especially difficult time given the rights of the LGBTI+ community being recently placed on the public agenda. The inaugural SFNL Pride Round exceeded expectations and our satisfaction has come from not only our community being so embracing of the event, but LGBTI+ people feeling the love and support.

Given the marriage equality debate that is impending, the timing of compassion, equality and support through a celebration of Pride was imperative.

Our sporting association is one that highly values inclusiveness and we hope that this activity can be acknowledged and replicated in other associations and sporting codes moving forward.

New General Manager – Operations...

I am pleased to announce the appointment of David Jennings to the role of General Manager – Operations.

David comes to the SFNL from Touch Football Victoria, where he is currently Sports Operations Manager, a position he has held since 2015.

David previously served as Club Development Manager with AFL Northern Territory working with St Mary's Football, Social and Sporting Club, and brings with him experience in membership and project management, having worked in different roles with YMCA Victoria. He has a Bachelor of Business and Master of Sports Business from Victoria University.

This appointment is extremely pleasing for the SFNL, as the quality of applicants were extremely strong. The selection panel were delighted to appoint David given his forward thinking, experience in sport and professional acumen working in a similar environment and role.

The League conducted a thorough recruitment process, and focussed on finding an applicant who understood community sport and the challenges that volunteers face.

David will officially commence in the position with the SFNL on August 28.

Best of luck to all clubs, teams and players this weekend.

ROUND 16 REVIEW

St Kilda City 11.7 (73) def by St Pauls 13.13 (91)

The Dogs overcame a slow start to steamroll the Saints and claim the 2017 Pride Cup before a massive crowd at the Peanut Farm on Saturday.

An entertaining spectacle from start to finish, the two sides certainly put on a terrific show with free-flowing, end-to-end footy the order of the day.

Five goals to the home side in the opening term had them off to a flyer, racing out to a 17-point lead at the opening change. The Saints held them at bay for the next quarter and a half, before the visitors took control of the contest midway through the third term, booting several goals in quick succession.

All up, the Dogs booted seven goals to two in the premiership quarter, turning an 11-point half time deficit into a 21-point advantage by three quarter time. From there, the result was merely a fait accompli for the third-place St Pauls, who again closed out the game full of run.

With a fixtured bye for Sandringham in the VFL, Callum Cathcart return to the Doggies' line up and displayed his full bag of tricks with a five-goal, best on ground performance. Matt Kreymborg continued his good form through the midfield, while Brad Gilder and Christian McCarthy also starred for St Pauls.

Harry Czarnecki was simply superb in defence for the Saints, keeping the Dogs' dangerous spearhead Steven Muller to just two goals. Teammates Will Debruin and Aaron Green were also terrific.

Cheltenham 12.11 (83) def Mordialloc 11.10 (76)

Mordialloc has again succumbed to its bogey side, Cheltenham, going down by seven points in one of the upsets of the season at Jack Barker Oval.

The Rosellas side was bolstered by the additions of key Zebras Myke Cook and Josh Fox, while Bloods missed the influence of the hard-bodied Danny Nicholls and Jordan Derbyshire in the trenches.

It was a cracking game of footy all afternoon, with little separating the sides for the majority of the contest. But when the heat was on, it was the home side that rose to the occasion, booting five goals to Mordi's two in the last quarter to turn a 10-point deficit at the final change into their best win of the season.

Spearhead Fox proved the difference in attack, clunking some strong marks and booting four goals, including three in the final term, to help his side over the line. Cook also showed his class, wining plenty of the footy, while Brendan Dillon and Daniel Vaughan also stood out.

Chris Langdon stepped up for Mordialloc in the absence of his more experienced midfield compatriots and was clearly his side's best. The big fellas in Tom McMahon and Justin Summons also excelled, as did veteran Dave Marguglio.

Bentleigh 13.18 (96) def Oakleigh District 11.9 (75)

The Demons continued their charge toward September action, defeating fellow finals aspirant Oakleigh District by 21 points at Arthur Street.

Little separated the two sides on the scoreboard for most of the day, with scores level at half time. However, Bentleigh blew the game open with six goals in the premiership quarter, which proved to be a crucial factor in the result.

Matt Troutbeck made a welcome return to the side, finishing with

five goals, while Michael Rogers and ruckman Mitchell Smart were similarly influential.

Under 19 star Sam Ozaydin also booted a goal in his senior debut for the Demons.

For Oakleigh District, it was the usual suspects in Paul Fermanis (four goals), Jake Mullen and Luke Casey keeping them in it.

Dingley 10.12 (72) def East Malvern 4.12 (36)

Injury concerns for stars Nathan Henley and Nathan Robinson compounded a dirty day for East Malvern as they were comfortably beaten by Dingley to the tune of 36 points at the Den.

The Dingoes grabbed an early lead in what proved to be a highpressure contest, before holding the Panthers goalless in the second and third quarters as they set about amassing a matchwinning lead by the final break.

A final-term stalemate ensured Dingley victory, and top spot on the ladder following Mordialloc's shock loss.

There were contributors aplenty for the Dingoes, with the big bodies of Danny Ades and Troy MacKenzie particularly damaging around the contest. Chris Horton-Milne also found plenty of the footy through the middle, while Trav La Rocca and Matt Morwood were superb in defence.

Ryan Mullett, Jay Thorn and Robinson were among the standouts for East Malvern.

Port Melbourne Colts 21.17 (143) def Clayton 6.2 (38)

The Colts returned to the winner's list for the first time since Round 8 with a 105-point demolition of Clayton at JL Murphy Reserve.

A seven-goal opening stanza had Port on top from the word go, and they extended their lead at every change with Max Mitchell-Russell booting seven goals up forward in a scintillating best afield display.

Midfield ace Lewis Mildenhall and Josh O'Donnell also featured in the Colt's best.

For the Clays, Matt Wilson can again hold his head high with another outstanding performance, while Jak Martin and Rory Navlor also worked hard.

ROUND 17 PREVIEW

The penultimate round of the season sees several clubs still vying to qualify for finals, meaning several of these matches loom as must-wins.

East Malvern V Bentleigh (Dunlop Reserve)

This game is a massive opportunity for Bentleigh to put the rubber stamp on a finals berth. With a clash with the winless Clays to close out the home and away season, a victory over the Panthers here all but assures them fourth spot on the ladder.

Likewise, East Malvern will be desperate to claim the points over the Demons and avoid having to play a high-pressure elimination final against the Oaks in Round 18 in order to qualify.

The Panthers have had to do without several key players in recent weeks, but the potential loss of Nathan Henley, who has booted 46 goals for the season, robs the side of much needed class up forward.

Conversely, the return of the dynamic Matt Troutbeck is a massive boon for the Demons, who should have too much firepower and will likely book their ticket to September with a slender victory.

Bentleigh by 12 points.

DIVISION 1: FRONT & CENTRE WILL HUNTER

Cheltenham V St Kilda City (Jack Barker Oval)

Another elimination final between two sides that, despite having only won seven games each, still remain unlikely finals contenders.

Cheltenham's form in the last fortnight has been simply terrific, and proved its best is certainly good enough as it bested two sides that will finish in the top three come season's end.

Though still a mathematical possibility for finals, plenty would have to go right for the eighth-placed Rosellas to make it given they are a game and percentage behind the other contenders. A win here over the Saints would make things interesting, but a loss would be curtains on their campaign.

St Kilda City also remains in the running, but with a final round date with the second-placed Mordialloc, a win here is absolutely paramount.

Plenty at stake for both clubs, but on form it's hard to go past Cheltenham, especially at home.

Cheltenham by 15 points.

St Pauls V Port Melbourne Colts (McKinnon Reserve)

It was a welcome return to form for the Port last week, who finally tasted victory after seven consecutive defeats, and their tripledigit belting of Clayton will fill them with confidence heading into this week's clash with St Pauls.

The Colts were unlikely victors over St Pauls when they last met at the Portress in Round 8, but the Dogs are a much more dangerous proposition at home, where they can better utilise their outside run and carry. With St Pauls firmly in premiership contention, they would be keen to enter the finals series, and indeed next week's clash with Dingley, with some momentum behind them, so a convincing win for the Dogs is likely.

St Pauls by 35 points.

Mordialloc V Oakleigh District (Ben Kavanagh Reserve)

Following a shock loss to Chelt last week, Mordialloc's hopes for the minor premiership took a body blow as it slipped a game behind Dingley. Expect a fired-up Bloods side this week as they look to make amends.

Oakleigh were taught a lesson in their last encounter with Mordi, thrashed to the tune of 78 points on their home deck, but their form has significantly improved since then, largely through the return of midfield ace Jake Mullen.

The Oaks will no doubt be significantly more competitive that they were back in Round 8, but the Bloods will be too strong on their home deck.

Mordialloc by 28 points.

Clayton V Dingley (Meade Reserve)

Unfortunately, there will not be much to look forward to in this one as the ladder-leading Dingoes travel out to face the winless Clayton.

Dingley has been in irresistible form in the last two months, and should inflict another heavy defeat on the Clays.

Dingley by 70 points.

DIVISION 2: THE INNER SANCTUM / JASON BARBIN

ROUND 18 REVIEW

Boy oh boy are we in for a hot race to the finish after an electrifying round of Division 2 football in the Southern Football Netball League, especially after Murrumbeena and Mount Waverley were on the right end of upset results.

Murrumbeena 13.10 (88) def Skye 7.9 (51)

It may not have been their biggest win of the season, but Saturday's victory against Skye was Murrumbeena's most important win.

The Beena were too good across four quarters and are now in the box seat for the final spot in the top five with two rounds remaining.

Lachlan Batt was influential up forward with three majors, while Shaun Thompson and Darcy Hargrave were excellent in their roles

A tight opening guarter saw Murrumbeena lead by five points at the first change, and 13 points at half time after booting seven goals to five.

The premiership quarter was where the game was won and lost as the Beena booted three goals to three behinds to set up a 31-point final change lead, before securing the win with three goals to two in the last.

Tim Barr was best on ground for the Bombers, booting three goals.

Mount Waverley 11.12 (78) def Chelsea Heights 7.17 (59)

The second upset of the round, and arguably the biggest, came when the Mountain Lions ensured they would remain in the hunt for finals by defeating ladder leaders Chelsea Heights.

The win moves Mount Waverley into sixth spot and only a game behind Murrumbeena in fifth, but it does have one less game to play.

James Gough put together an inspiring performance inside 50, booting seven goals in a best afield display, while Jackson Smith was also impressive.

Mount Waverley led at every change and booted nine goals in the first half to set up the win, with a superb six-goal to five behind second term giving it a 41-point half time buffer.

The Heighters were able to fight back in the second half, but inaccurate kicking proved costly, kicking five goals from 15 scoring shots to ultimately go down by 19.

Phil Matheson and Nathan Herrington were best on for Chelsea Heights.

Caulfield 10.16 (76) def Springvale Districts 11.9 (75)

A stunning second-half comeback has ensured Caulfield holds on to second spot on the ladder, defeating a heartbroken Springvale Districts.

The Bears trailed by 29 points at half time after kicking two goals from 12 scoring shots, but hit the ground running after half time, with eight goals to three.

Big man Adam Ballard was near unstoppable in the ruck, named best afield for the winners alongside Jason Twirdy and Jake Buggy.

Springvale got the jump on the host side, booting four goals to one in the opening term, and another four goals to one in the second to lead by 29 at the main break.

The Bears clicked into gear during the third however, scoring four goals to one behind to cut the lead to two points, before overcoming the Districts in the last to win by one.

Peter Heng and Mitch Betson combined for seven goals for Springvale.

Keysborough 16.13 (109) def Hampton 13.13 (91)

Keysborough locked its spot in the Division 2 top three with a stirring victory against Hampton on the road on Saturday.

The Burra led by just two points at quarter time, but came to life in the second, booting six goals to one to set up a 36-point half time lead.

Both sides were equally as good during the third quarter as Keysborough lead only extended to 37 points.

Hampton put a mini scare into Keysborough with the first three goals of the last, but the Burra booted two of the next three to stave off the Hammers and eventually hold on to win by 18.

Chris Bryan was a force inside 50 for the winners, booting seven goals in a best afield effort, while Jay Pitto was also dangerous with two goals.

Luke Hayes was named Hampton's best with two goals, while Corey Smith was also impressive.

Highett 11.7 (73) def Heatherton 8.5 (53)

Highett was able to take care of Heatherton by 20 points in a wind affected game at Ross Street Reserve on Saturday.

Tom Brown was in excellent form up forward for the Dogs, booting five goals as his side was able to work its way to a win.

Pat Singh was best on ground for the winners, alongside Yianni Pasialis.

Highett took advantage of the conditions early in the contest, booting five goals to Heatherton's two, before the Tonners hit back in the second with three goals to one to cut a 19-point lead to six.

The Dogs surged ahead during the third, with five goals to two behinds setting up a 36-point lead which the Tonners were unable to recover from, eventually going down by 20.

Pol Lavery and Reagan Maddaford were best on for Heatherton.

ROUND 19 PREVIEW

Two rounds remain in the Division 2 season and three times fight it out for the final spot on the ladder, while Skye faces an intriguing clash against Keysborough

Keysborough v Skye (Keysborough Reserve)

Match of the Round

Now while I firmly believe Skye will finish in the top five, it currently sits under pressure from the likes of Murrumbeena and Mount Waverley.

DIVISION 2: THE INNER SANCTUM / JASON BARBIN

Thankfully for the Bombers, a strong percentage means all they need to do is win and they'll likely lock up fourth spot on the ladder

But they face a Keysborough side which is still very much in the hunt for a top two spot and will likely field a strong line-up.

Keysborough by 20 points.

Murrumbeena v East Brighton (Murrumbeena Park)

This is a huge game for both clubs with one spot on the line and a chance for both to gain some ground on Mount Waverley, which has the bye.

The situation stands at this, a win for Murrumbeena and it will secure a spot in the finals for 2016 while a win for East Brighton keeps it in the hunt with one round to play.

For the Lions, they will be praying the Vampires can re-enact their round eight victory against the Beena at Hurlingham Park.

Murrumbeena by 10 points.

Chelsea Heights v Heatherton (Beazley Reserve)

The last game of the home and away season for both clubs and they currently sit at opposite ends of the spectrum.

Having more or less secured top spot on the ladder, Chelsea Heights may take this opportunity to rest players, but with the

likelihood of two straight weeks with no footy, they may use this chance to give their players one last run.

Not much to play here for here for the Tonners, other than a bit of pride in what has been a dreadful year.

Chelsea Heights by 40 points.

Springvale Districts v Hampton (Springvale Reserve) Two sides that have shown various amounts of promise

throughout the season meet in what should be an entertaining game of football.

The match marks Springvale's last home game of the season so look for the Districts to end it on a high and put in a strong performance.

Hampton, like Springvale, is playing for nothing other than pride but a strong finish to the season would be its goal.

Hampton by five points.

Highett v Caulfield (Turner Road Reserve)

This game represents a chance for Caulfield to keep its hold on second spot with Keysborough going up against Skye.

For Highett, it's another chance to move up the ladder and finish what has been a disappointing season on a strong note.

Caulfield by 26 points.

ROUND 17 REVIEW

Hallam 16.7 (103) def Doveton Eagles 15.4 (94)

Russell Robertson bagged eight goals for Doveton, whilst fellow Eagle Adam Read chipped in with four.

However, their side went down by nine points against Hallam.

Nobody managed more than three goals for Hallam, but the Hawks' depth was on display with nine goal kickers as opposed to Doveton's five

Young Hawk Sam Delosa booted three goals, as did teammate Phil Ward

Manny Peresso was Hallam's best player for the third game running.

Doveton started positively with a five goal to one first term, but the game was tight thereafter.

Although the Eagles' efforts were commendable, the loss enabled Endeavour Hills to push Doveton out of the top three.

Lyndale 3.10 (28) def by Black Rock 16.13 (109) Lyndale was expected to provide competition for Black Rock.

By quarter time that prospect had vanished, with the Jets soaring to a 64-point lead

The final margin was 81 points.

After an appearance in Black Rock's thirds and a string of reserves games, Joseph Brennan grabbed his chance at senior level. He led the Jets' goal kickers with three and was named in his side's best players.

However, it was regular backman Daniel Kick who stood out as the Jets' top performer.

Endeavour Hills 30.12 (192) def Moorabbin 3.7 (25)

Moorabbin must have wished for a mercy rule by the final change, trailing Endeavour Hills by 97 points.

Endeavour Hills proceeded to salt the wound, blasting a further 11.5 to a behind.

Daniel Morrison had already proved a dominant force up forward for the Falcons, but added five last guarter goals to finish with 11.

It was a best on ground display by the spearhead and pushed his season total to 48 majors.

With just a round to play, Endeavour Hills has put itself into double chance territory.

South Yarra 37.31 (253) def Sandown 5.3 (33)

South Yarra had 13 goal kickers in a 220-point obliteration of Sandown

Tom MacDonald, Shaheen Merchant, Jamie Ardern and Daniel Russell led the way for the hungry Lions with five majors apiece.

Kieron Finlayson was the winner's best and contributed three goals.

Lyndhurst 5.11 (41) def by Ashwood 10.10 (70)

A dominant third term from Ashwood ensured victory over Lyndhurst.

The Magpies added 5.3 to 1.2 to lead by 49 points with a term to play.

Lightning's players dug deep to hold the Magpies goalless in the last stanza, cutting the final margin to 29 points.

Ryan Forsyth was best for the winner, whilst Shane Peake topped the day's goal kicking list with four majors.

Carrum Patterson Lakes 28.12 (180) def Dandenong 8.7 (55)

In CPL's final home match of the season, the Lions gave their fans plenty to cheer about.

Rhys Graham kicked eight goals in the side's 125-point win over Dandenong, and was ably assisted by Alex Wilson with six majors.

Although CPL occupies tenth spot as it did at the conclusion of the 2016 season, it has shown improvement this year, and has one more win than last season.

ROUND 18 PREVIEW

Sandown vs Doveton Eagles (Edinburgh Reserve)

Doveton can still earn a double chance. It sits a win behind Endeavour Hills but leads the Falcons narrowly on percentage.

The Eagles will build their percentage against Sandown, whilst Endeavour Hills faces a tricky assignment, playing Ashwood away.

Ashwood vs Endeavour Hills (Essex Heights Reserve)

Endeavour Hills' coach. Rob Dipper felt ahead of the season that people were underestimating the Falcons, and was happy for his side to fly under the radar.

With so much focus on premiership fancies Hallam and Ashwood, the Falcons have largely succeeded in staying out of the spotlight.

None the less, they have shown they are a force to be reckoned with. twice beating Hallam and also knocking over Doveton and Black Rock once

The Falcons can lock in a double chance with victory over Ashwood.

Endeavour Hills is now well and truly on the radar and should record a narrow win over the Magpies.

South Yarra vs Lyndhurst (Fritsch Holzer Park)

South Yarra needs to beat Lyndhurst and hope for good luck to extend its season

The Lions will account for Lightning, but require CPL to upset Black Rock.

It appears a forlorn hope.

The Lions will likely be left to reflect on what might have been, after spending much of the season in the top five.

Dandenong vs Hallam (Greaves Reserve)

A glance at the ladder puts into perspective the task facing Dandenong when it hosts Hallam.

The Hawks are guaranteed to finish top of the table, earning a double chance and a week off.

They have lost just two games all season. The Redlegs have been unable to win so much as one.

Hallam will end its home and away season with a big win.

Black Rock vs Carrum Patterson Lakes (MacDonald Reserve)

When Carrum Patterson Lakes last played Black Rock it was unfortunate to encounter the Jets just after they began to hit top form.

Black Rock was always in control of that Round 7 encounter.

This time at home and needing to win to ensure a finals berth, the Jets will be on their game and appear certain to record a substantial victory.

Moorabbin vs Lyndale (Widdop Crescent Reserve)

Entering the final round of the season, Lyndale and Moorabbin occupy the same ladder positions in which they finished last year.

The Pumas are seventh, whilst this week's host, the Kangaroos are ninth.

Lyndale so far has eight wins compared to 10 in 2016.

Moorabbin can take some encouragement from having won five games, already one better than last season.

The Pumas will continue their reputation for beating sides that are lower on the ladder

SFNL APPOINTS GENERAL MANAGER - OPERATIONS

The Southern Football Netball League is pleased to announce the appointment of David Jennings to the role of General Manager – Operations.

David comes to the SFNL from Touch Football Victoria, where he is currently Sports Operations Manager, a position he has held since 2015.

David previously served as Club Development Manager with AFL Northern Territory working with St Mary's Football, Social and Sporting Club, and brings with him experience in membership and project management, having worked in different roles with YMCA Victoria. He has a Bachelor of Business and Master of Sports Business from Victoria University.

SFNL CEO David Cannizzo said the appointment was an extremely pleasing one for the SFNL.

"The quality of applicants was extremely strong and the selection panel were delighted to appoint David given his forward thinking, experience in sport and professional acumen working in a similar environment and role," Cannizzo explained.

"The League conducted a thorough recruitment process, and focused on finding an applicant who understood community sport and the challenges that volunteers face."

David will officially commence in the position with the SFNL on August 28.

300 AND OUT FOR SHERREN

Massive congratulations to St Pauls FNC's leading games player Jonathan Sherren, who this Saturday becomes the first player in the club's history to play 300 games. Sherren's 300th will also be his final game, with the popular clubman set to hang up the boots following his milestone match.

Jono started his career at the Kennel in 1996, and after 21 years will finally reach a major milestone. He has played the majority of his games in the ruck, however, in his later years has made a name for himself as a staunch defender down back.

Jono Sherren (centre) celebrates the 2009 premiership with President Ken Shaw (left) and Pete Smith.

During his career, Sherren has managed to kick 86 goals, with his last major coming only a few weeks ago, which brought loud cheers

last major coming only a few weeks ago, which brought loud cheers from the Doggies faithful. He is a two-time reserves premiership captain in 2007 (he was also the leading goalkicker that year) and 2009, during a golden era for the club in which they also won senior premierships in

2008 and 2010. One interesting fact about Jono's career is that he has played every single one of his games in a long sleeve jumper.

Sherren's off-field contributions are also extremely extensive; he has been on the club committee since 1996 and has been the Doggies' Vice President for as long as anyone can remember.

Sherren has also been a very successful businessman. He has owned his own company, JBS Hospitality, for the last 15 years, which runs a number of licensed venues in Melbourne's south east, including The Deck Brighton, Secret Garden, Cushion, Bar 9T4, Metropol and Lux, to name a few. JBS Hospitality has been one of the club major sponsors for several years.

Jono is a great servant to St Pauls for a long period of time, and we wish him all the best for his fantastic achievement.

WOMEN'S PLAYER OF THE DAY

SHANAE CARTER MURRUMBEENA

This is the second time Carter has been awarded the Player of the Day in 2017, ironically, both times against the same opponent. Her role is the middle of the ground, and for the second time this season she carved up the Mordialloc midfield with her electrifying run. A pacey centre who carries the ball into the forward line and can sometimes finish with goals, Carter has emerged as one of the most dangerous players in the competition.

Congratulations, Shanae!

MEN'S PLAYER OF THE DAY

CAL CATHCART ST PAULS

With a bye for Sandringham in the VFL, Cathcart returned to his local club and reminded us all of his sublime talent with a best-afield performance against the Saints, helping St Pauls claim the 2017 Pride Cup on Saturday. A mercurial midfielder, the classy Cathcart won plenty of the footy through the centre, but again percend be is super demonstrated.

with five classy majors that ultimately proved the difference.

Congratulations, Ca

LCA NETBALL PLAYER OF THE DAY

COURTNEY WEISKE HEATHERTON (DIV 2)

Heatherton were expected to make short work of Dingley in their Semi Final, having not been anywhere near defeat all season. When Dingley went in level at half time those in the black and white were not quite as settled as they thought they might be. Enter Courtney Weiske. This ultra-competitive fighter was not going to settle for what was going on, quelling numerous waves of Dingley attack while setting up counter attacks of her own and being a vital factor in getting Heatherton into the competition decider.

Congratulations, Courtney!

Leader Shooting Star of the week

TROY SMITH HAMPTON

Troy is a deserving recipient this week, following his best on ground in Hampton's unlikely and confidence boosting victory against Skye. Troy was also named best in Hampton's match against Hallam last week

Congratulations, Troy

ROUND 16 REVIEW

17

ROUND

Bentleigh 5.6-36 def by Oakleigh District 19.19-133 Oakleigh District were unpleasant visitors to the home side at Bentleigh Reserve, as they took the win by an unforgiving 97 points.

Bentleigh's two goals in the first term were no match to Oakleigh's seven, and a trailing score of 33 points set a difficult task to follow. Despite being able to almost match Oakleigh's score in the second term (falling short by one point – 3.4 to 3.5), it had little effect on the 34-point margin splitting the teams going into the main break.

All hopes of Bentleigh's chances to come back in this match were dashed in the third quarter, where a thriving Oakleigh booted 7.7 ahead of the scoreless and stunned home side. Despite best efforts from Bentleigh's Ryan Nankervis and Samuel Ruddy, Oakleigh ended the match with another 2.4 in the final term to Bentleigh's two points.

Nathan Peddle was outstanding for Oakleigh in a best on ground performance, alongside Liam McCabe who was relentless in the forward line with seven goals.

St Kilda City 5.13-43 def St Pauls 2.5-17

An ineffective St Kilda City in front of goal kept them to one of their lowest final scores this season, but did not stop them from running over St Pauls at the Peanut Farm.

By half time the Saints had score a wayward 1.10, but it was enough to take a nine-point lead into the sheds in a low-scoring contest. Thankfully for the home side, they got their radar working after half time as they closed out the match comfortable victors.

Oliver Woods was once again a standout for the winning side, alongside teammate Paul Pekaj. Jordan Cannizzaro was best for St Pauls, who haven't recorded a win since Round 12.

Hampton 12.10-82 def Skye 5.6-36

Hampton were awarded their fourth win of the season as they unexpectedly knocked off Skye in a jubilant home performance.

Troy Smith starred for his side, who led Skye by 15 points at the first break. Hampton were able to gradually build on their score, and suppress Skye from approaching the lead.

Hampton's ability to restrict Skye to one point in each of the second, third and final terms enabled them to rise above their opponent and eventually take the final result by 46 points. Bunarith Kheng was also a highlight for the winners, alongside Kyle Reynolds and Adam Blair who kicked three goals each.

Endeavour Hills 6.6-42 def Parkmore / Springvale 12.10-82

Endeavour Hills were outclassed by a solid Parkmore / Springvale, who ran away with the result by 40 points at the Barry Simon Reserve.

Endeavour Hills trailed increasingly at every break, with a six-goal finale in the fourth term from Parkmore / Springvale sealing the win.

Jordan Waite was a highlight for Parkmore / Springvale with five goals, and currently leads the competition's goal kicking tally by eight (45 goals).

Cheltenham 16.12-108 def 2.6-18 Dingley

Cheltenham have continued a nightmare run for the Dingoes, who have slipped to fifth position on the ladder following a 90-point loss at the Jack Barker Oval.

Reef Waata led Cheltenham to yet another 100-point score this season, followed by teammates Nathan Karpathakis and Mitchell Freeman.

Trailing by only six points at the first break and 21 points at the main break, the game seemed far from over for the Dingoes, who had the second half in front of them to regroup and challenge their opponents.

However, an eight-goal scoring effort to Dingley's mere three points in the final term was where it all unravelled for the visitors, as Cheltenham began to surge through the game.

Anthony Malamas was pivotal up forward with five goals, as the Rosellas preceded to rub salt into the struggling Dingoes' wounds in the final term kicking 5.2 to 1.2.

Hallam def Doveton via forfeit

ROUND 17 PREVIEW

Endeavour Hills will visit a confident Oakleigh District at Princes Highway Reserve, and Bentleigh will host a quiet Doveton.

St Pauls and Skye will be looking to bounce off poor results in Round 16 as they clash at McKinnon Reserve, and Parkmore / Springvale Districts will host Hampton.

Dingley will have their work cut out for them as they face a second placed Hallam at Souter Oval, after three consecutive losses in previous rounds.

In a game not to miss in Round 17, Cheltenham and St Kilda City will clash at Jack Barker Oval as they prepare for the fast approaching finals series.

ROUND 13 REVIEW

Murrumbeena 7.11 (53) def Mordialloc 5.3 (33)

Murrumbeena will be the favourite for the premiership, as they defeated their nearest rival Mordialloc for the second time, this time by 20 points at Murrumbeena Park.

No side could manage a goal in the first quarter before Beena opened up a 16-point half time lead following a three goal to one quarter.

The Bloods bought the margin back to nine points at the final change, leaving the game in the balance.

But Murrumbeena closed the door on Mordialloc's top spot hopes with a three-goal-to-two final quarter.

Shanae Carter, Lily Brown and Danielle Wearne were Beena's best, with Brown their only multiple goal kicker with two goals.

Natalie West was the Bloods best with support from Jodie Miller and Megan Tymko, as Miller also finished with two goals.

Highett 6.2 (38) def by Endeavour Hills 8.6 (54)

Endeavour Hills never led at any break before powering home to defeat Highett by 16 points at Turner Road Reserve on Friday night.

Highett were in control at half time with a 17-point lead and would hold onto a 13-point lead at three quarter time.

But the Falcons slammed on five unanswered goals to take the game from the Bulldogs grasp.

Tamara Webster was Endeavour Hills' hero with five goals, with strong performances from Devi Whelan and Siona Pilkington.

Hannah Bowey again led the way for Highett, with Alexandra Jackson also playing well and Ally Gilchrist adding three goals.

Oakleigh District 7.9 (51) def Bentleigh 2.3 (15)

Oakleigh District blew the game away in the third quarter as they defeated Bentleigh by 36 points at Princes Highway Reserve.

After taking a six-point lead into half time, the Oaks slammed on four unanswered goals in the third term to lead by 37 points.

The game would meander to the end with a goal each in the final quarter.

Emily McIntrye again went up forward to kick four goals, with Jodie Bray and Jess Szalek also solid for the Oaks.

Tara Supple was the Demons' best, with Tegan Matheson and Ellie Hearne kicking their goals.

Lyndhurst 2.3 (15) def Edithvale Aspendale 2.2 (14)

Lyndhurst held off Edithvale Aspendale to claim a one-point victory at Marriott Waters Reserve on Saturday.

Both sides kicked both their goals in the first half with the Lightning leading by one point at half time and that was where the margin would remain.

Samara Hazelden was Lyndhurst best, with their goals coming from Jessica O'Connell and Skye Clarke.

Ebony Robinson was the best on for Edi-Asp and she added a goal along with Jess Cochrane.

Hallam 6.7 (43) def by East Brighton 7.8 (50)

Hallam fell short of an upset as they lost to East Brighton by seven points on Sunday at Hallam Reserve.

East Brighton was led brilliantly by skipper Isabelle Catrice who

was best on ground, with support from Alanna Dalley, Anna McDonald and three goals from the boot of Aish Ravi.

Hallam had two multiple goal kickers, with Tamisha Gersbeck and Amanda Valdemarin both kicking two goals each.

ROUND 14 PREVIEW

Edithvale Aspendale vs Bentleigh (Glen St Reserve)

This week's game of the round is a bottom of the table clash between Edithvale Aspendale and Bentleigh at Glen St Reserve on Saturday.

The winner of this game will put either last-placed Demons or second bottom Edi-Asp into the race for the finals spot and a loss will end any chance.

Bentleigh come out on top in their last matchup, but Edi-Asp has been better over the past few weeks and should get the crucial four points.

Edithvale Aspendale by two points.

Highett vs Lyndhurst (Turner Road Reserve)

In the only Friday night game of Round 14, Highett host Lyndhurst at Turner Road Reserve.

Highett let a winnable game slip in Round 13 against Endeavour Hills and Lyndhurst got the four points by the slimmest of margins against Edi-Asp.

The Bulldogs got the best of Lyndhurst in a nail-biter in their last meeting and this will be no different.

Highett by five points.

Murrumbeena vs East Brighton (Murrumbeena Park)

Murrumbeena remain at their fortress, as they host East Brighton at Murrumbeena Park on Saturday.

Beena defeated their nearest rival Mordialloc for the second time this season and East Brighton got over the top of the everimproving Hallam.

East Brighton is one of the class sides of the competition but their best may not be enough.

Murrumbeena by 32 points.

Mordialloc vs Oakleigh District (Ben Kavanagh Reserve)

Ben Kavanagh Reserve plays host to the second top-four matchup of the round, with Mordialloc facing Oakleigh District on Sunday.

Mordialloc will be looking to bounce from their second loss of the year and meet the red-hot Oakleigh District side that has hit a fine run of form.

This has the possibility to be a top-quality game that will be decided in the fourth quarter.

Mordialloc by 12 points.

Hallam vs Endeavour Hills (Hallam Reserve)

In the final game of the round, Hallam host Endeavour Hills at Hallam Reserve on Sunday.

Hallam have been trending up in the last month as they have put in impressive performances against more fancied opponents.

Endeavour Hills left their run late against Highett but claimed the victory to jump into fifth on the ladder.

Win for Endeavour Hills will keep their top four hopes alive but expect the upset.

Hallam by 13 points.

NETBALL: THE CUT AND DRIVE / HUGH MACLEAN 🔛 @HughMaclean

The Semi Finals for 2017 have been run and won, and the predicted rain stayed away long enough to allow the assembled crowd to enjoy a feast of competitive, skilful netball.

The gualifying semi was played once more by the competition heavyweights Dingley and Heatherton Black. Dingley have started several matches slowly this season, but this was not to happen here, as Nikki Tulley took the first centre pass and, despite needing three attempts to do so, Laura Piper converted. Laura was right on her game early, but despite Dingley leading strongly in the first five minutes Heatherton Black steadied to lead 11-10 at quarter time. That was the last that Dingley were to see of the lead for the rest of the day as the Heatherton girls took complete control in the second guarter, and their seven-goal half time lead was increased by the first two goals of the third stanza. The ball kept getting to Nat Billings and Rahni Samason rather more easily than Dingley would want, and while a Bridget Furphy flurry half way through the term gave hope, 41-24 at the last change was never going to be caught. Dingley showed character to reduce the margin to 49-35 by the final siren, but Heatherton, with last-minute inclusion Claudia Papatsikas excellent, are first into the ground final for 2017.

Caulfield took on Keysborough in the elimination final, and in the initial stages Keysborough really showed that they were playing for keeps. They were desperate off the ball and moved the ball excellently when they had it. Sophie O'Shea and Beth Wilson started to find their range late in the guarter however. and Caulfield took a 12-7 lead to the first break with them. The second term gave more of the same with the mid-court battles of Steph Clemons v Megan Kennedy, Makayla Bulte v Laura Agius and Fotini Stavrou v Amy Burns giving the crowd what they wanted. You sensed that seven goals wouldn't prove a decisive half time lead and that Caulfield still had work to do, but work they did. In another quarter befitting a final where there was no tomorrow for the defeated. Caulfield managed to break the game open and from 40-22 there was to be no comeback. While Keysborough threw everything they had at the Bear girls they could do no more than square the final term, and a result of 56-38 gives Caulfield a crack at Dinalev next week.

The unbeaten Heatherton played Dingley and were served up one heck of a contest in the first half in the Division 2 Second Semi Final. The Dingley mid-court, led by the smart and efficient Chelsea Goldin matched their hard-working counterparts whilst defenders Miranda Bailey and Marty Cooper were giving Sophie Clark and Teena Mifsud a difficult time. Dingley reduced an 11-7 deficit at quarter time to 21-20 at the main break. Heatherton looked a little rattled early in the third term, but they started to recover their poise and steadied to lead by eight turning for home. A final score of 47-38 was a little more comfortable than it may have seemed at various stages of this match.

Caulfield and South Yarra did battle to stay in the fight in Division 2, and sadly this match was marred by a nasty injury to South Yarra shooter Steph O'Dea early in the third quarter. To that point it had been a bright and attacking affair, with both teams moving the ball well and creating opportunities. South Yarra started well and matched Caulfield at 10-10 at quarter time, but Caulfield began to take control to lead 20-15 at half time. The game continued on a spare court after the injury, and while it took both sides a while to settle after the move the margin became eight at three quarter time, and Caulfield were able to close the game out to win by 38-27.

Division 3's Second Semi Final gave a result that surprised many as Dingley entered the Grand Final with a 46-31 win over high-flying Clayton. Coach Mel Ades praised her "hardas-nails" team as they matched Clayton for desperation in the first half and stole a march on their opponents in the third quarter. Scores were level at the main break but six goals down at three-quarter time, Clayton had it all to do, and Dingley weren't finished yet. They maintained the rage in the goal win did not flatter the excellent Dingley side in any way.

Clayton will have to overcome Keysborough in the Preliminary Final to earn another shot at the Dingoes, and the Burras showed that this will be no easy task in their come-frombehind victory over highly-fancied Heatherton. Keysborough were behind at all three quarter-breaks, but Heatherton could not get a sufficient lead to put the Burras away. The margin was two goals in Heatherton's favour at the last change, and this is where Keysborough started to throw everything at their opponent. They did enough to stay with Heatherton, and took the lead late in the game, hanging on to complete a meritorious 42-40 victory.

Division 4 remains anyone's trophy after the first day of finals. Heatherton White, having taken the minor premiership, started the match against Dingley Gold with confidence, but that confidence was quickly snuffed out by their Dingley opponents. Leading scorer Bianca Waras-Carstensen lived up to her growing reputation from the start, and Dingley used their height advantage well in defence. The second half showed a couple of flashpoints as players from both sides battled for the same space, but it was Dingley that held their nerve, winning three of the four quarters to score a comfortable 49-34 victory.

Heatherton Black ensured that the Preliminary Final would be an all black and white affair by ending the challenge of Dingley Red. Heatherton broke the game open early, leading 14-5 at quarter time and keeping Dingley at arm's length for the rest of the day. Dingley Red reduced the margin to three at half time, a deficit that was maintained through to the final break. Dingley will have felt that they were a chance of mounting a big challenge, but Heatherton intercepted well and refused to let Dingley get any sort of run on. With Chelsey McAndrew and Sontina Teinakore converting strongly at the other end it was Heatherton Black that rolled on to a 40-32 victory.

Caulfield were hot favourites to be first into the Division 5 decider. However, Dingley had other ideas. This game was even throughout the first three quarters, and you felt that the first side to steal a break on their opponents would be the eventual victors. That side was Dingley, and although Caulfield levelled after being down by five in the last quarter, Dingley were able to break away again to win by 44-38.

Caulfield will play Lyndhurst in the prelim after their thrilling one-goal win over Heatherton. This game see-sawed throughout the day but it was Heatherton that led by the barest of margins leading into the last quarter. It looked like the shooting of Verity Sheppard would carry the day but Lyndhurst would not go away, and with Melissa Mair similarly

NETBALL: THE CUT AND DRIVE / HUGH MACLEAN 🔛 @HughMaclean

deadly on the shot it was Lyndhurst that created just enough chances to clinch an industrious 37-36 win.

Dingley Red walloped Heatherton in the first half to lead 23-7 at the main break of the Division 6 qualifying Second Semi. While the third quarter was somewhat more even, Dingley again cut loose late in the match to prevail by 46-24.

Dingley Gold stayed alive in their quest to make it an all-Dingley Div 6 Grand Final, making short work of Doveton. The Eagles' best chance was to establish a lead early and make Dingley chase them, but after a bright start they were headed 12-8 at quarter time, a margin that was doubled to 23-15 at the half. Whilst they kept throwing everything at Dingley, Doveton could make no impression and bowed out of this year's competition with a 43-29 defeat.

Dingley had been the dominant force during the Division 7 season but in a tight, low-scoring semi-final they succumbed to Oakleigh Districts by 23-21. Dingley looked like they would be able to carry the day until the three-quarter time break, but Oakleigh held Dingley to just two goals in the last term while adding six of their own to earn a break next week.

NETBALL: PRELIMINARY FINAL PREVIEW / HUGH MACLEAN 💥 @HughMaclean

After a weekend of pulsating Semi Finals, Heatherton have earned a week's break and secured a Grand Final berth in both the top two divisions. And in both these divisions, it will be either Dingley or Caulfield that will be joining them.

DIVISION 1 - Dingley V Caulfield

Dingley's defeat in the Division 1 Second Semi Final was, many people feel, a reflection of the superiority of the team in black. However, they did put together several passages of play during the match to suggest that this is far from a one-horse race. Now Dingley face a Caulfield unit that was clinical in their defeat of a very competent opponent in Keysborough. Caulfield possess the mid-court strength to trouble Dingley's running brigade, and the depth to ensure that they can bring on fresh legs without weakening the structure. The key to this match could well be how the defensive units are able to repel the attacking threat of the foe. Alice Pohlner and Phoebe Naughton have been immense for Caulfield all season, as have the various combinations offered by Alicia Wise, Chloe Sinclair and Britt Goldsmith at Dingley. The competence of the shooters on display, coupled with the pressure of the occasion, makes this their greatest challenge of the season thus far. Can Caulfield take the next step? You wouldn't rule it out, but the experience of Dingley may just be enough to get them home.

DIVISION 2 - Dingley V Caulfield

Division 2's Heatherton have taken all before them this season, but Dingley showed enough last week to suggest that they may not be the unstoppable force that all had feared. The key, of course, is matching their intensity for four guarters rather than two. Dingley therefore face Caulfield itching for another crack at Goliath, while the admirable Bear combination will see the sky as the limit in their first season in Division 2. Dingley's foundation is built on a strong defensive pairing of Miranda Bailey and Marty Cooper, who have consistently shown the ability to not only repel attacks but set up play for the likes of Chelsea Goldin to feed the shooting division led by the experienced Penny Byers-Tymms. Caulfield, however, also boast plenty of useful experience, and the blend of experienced and youthful players such as Brodie Aumont, Hannah Shilling and Gabby Martini have all had

stellar seasons, and will hit this week with little trepidation. I fear that this may be a bridge too far for Caulfield however, and will tip Dingley here.

DIVISION 3 - Clayton V Keysborough

Few people expected Clayton to be playing this week. They had taken all before them through the regular season and looked to be playing a brand of netball that would take them all the way through August. Last Saturday they faced a Dingley side that had been primed to peak at finals time and were basically too good on the day. Clayton must now contend with a Keysborough combination that only got to finals on the last day of the season, and take plenty of momentum from their meritorious win over Heatherton in the Semi Final. To beat Clayton they will need to stop the speed of their ball movement and restrict supply to Penny Townley and Taylah Mackie in the goal circle. While this will be one heck of a battle, I'm prepared to forgive Clayton their slip up and tip them to bounce back.

DIVISION 4 - Heatherton White V Heatherton Black

Inter club derbies are always tricky, cagey affairs. Opponents know each other well and the games tend to have a somewhat different feel about them. When this happens in a final the effect is magnified. There has been little between the experienced Heatherton White and the younger Heatherton Black this season, and I don't see a blow-out in this game either. There is enough attacking flair in both these sides to suggest that they are capable of posing a winning score. Big games, however, are generally won by the side that settles the quickest, and the cool heads provided by the likes of Yvonne McMillan and Heidi Samason may just be enough to get White across the line.

DIVISION 5 – Caulfield V Lyndhurst

Caulfield were seen by many as good things beaten in their semi Final against Dingley last week, and will see them as favourites to bounce back in the Preliminary Final. To do so, however, they will have to overcome a Lyndhurst side that is tall and imposing enough to be a match for anything this division has to offer. The Lightning also showed themselves to be competent in tight situations, having to pull out all the stops in defeating Heatherton by just the one goal. The

NETBALL: PRELIMINARY FINAL PREVIEW / HUGH MACLEAN 💆 @HughMaclean

Mumma Bears will need to put a lot of work into stopping Melissa Mair, who has topped the 500goal mark this season, and the best way to do that may be to restrict the supply to the Lightning goal circle. There won't be any fancy margin in this, but Caulfield weren't minor premiers for no reason, and I fancy them to salute the judge here.

DIVISION 6 - Heatherton V Dingley Gold

The efficiency with which Dingley Red beat Heatherton last week in Division 6 was unexpected by many. Now they face a Dingley Gold side that was equally clinical in ending Doveton's season. Coach Alicia Wise has the Golden Girls ready for the challenge, but this Heatherton side is one whose whole has been more than the sum of its parts. It has shown few weaknesses through the season, and has been well worth it's minor premiership. To win this for Dingley Gold they will need to control the mid-court, and provide more opportunities for the likes of Megan Piper to finish. I'm going to stick my neck out here, tip winning form to be good form, and back the Gold to prevail and make it an all-Dingley Grand Final.

all season in Division 7, but very few could do just that. Oakleigh District had been bridging the gap all season, but they finally delivered on their promise last week. Dingley now face a Lyndhurst side that were very impressive in disposing of the sizeable threat offered by CPL last week. These two sides met in Round 15, and on a cold, wind-swept afternoon Lyndhurst came within a whisker of toppling the minor premiers. The Lightning are on a roll, and I think they may have enough going for them to end Dingley's season.

DIVISION 8 – Mordialloc V Dingley

Keysborough's dominant Division 8 season continued when they strangled the life out of their young Mordialloc challengers and clinched a berth in the Grand Final. Mordialloc now need to cope with a Dingley side that is impressing many with their impressive ball movement and intelligence beyond their young years. This could be decided by the shooters: can the talented Grace Evans and Tilly O'Toole be more effective on the day than Dingley's clinical Bec Wonnacott and Suz Sinclair? No side has beaten Mordialloc this season apart from Keysborough, and I'm tipping them to get another crack at the Burras next week.

UMPIRE'S CORNER / THE WHITE KNIGHT

Our sincere condolences goes out to Justin Fitzpatrick and his family on the passing of Justin's father, Graeme Brown. Graeme was a goal umpire for 9 years and umpired 271 games for the SFLUA retiring at the end of the 2015 season. Graeme was a Vietnam veteran and served our Association almost as diligently as he had served his country, acting as our photographer at many games and umpires' functions over the years. Our umpires wore black armbands last weekend as a mark of respect for Graeme and his family.

Young Campbell James umpires his first senior match this weekend as does another youngster in Hannah Layzell. We have given 20 new umpires a taste of senior football this year. Our young umpires will get a chance to shine during the Under 19 finals series as we will again run a young panel to showcase the talents of our up and comers.

Congratulations to Rodd Johnson who reaches the 300game mark this week. Rodd has been a stalwart of the Association, being SFLUA Secretary for the past three years, and took a year off field umpiring to join wife Kaye on the boundary two years ago. He wisely returned to field umpiring after discovering that boundary umpires run twice as far in a match as their fieldie cousins.

Congratulations to Peter Cooney who brought up his 200th SFLUA match last week. Peter is one of many ex-footballers who have turned to field umpiring. After playing 80 games with the Moorabbin Kangaroos, he did a couple of games as a clubbie for the Kangaroos and enjoyed it so much he joined our Association. He has also umpired over a hundred junior matches.

Pete has been very active in the Reclink mid-week completion where he currently coaches the Westernport Warriors, after previously coaching the Sacred Heart Mission side. Pete told the White Knight that he enjoys Reclink as he is able to play a small role in assisting the players in transitioning back into mainstream society, and it is totally different to his daytime job as a software designer.

Always check the details of your match on Schedula. Sam Rogers and Brett Marriott rocked up to Koornang Park last week in plenty of time for their 12 noon Ressies match only to find the second quarter almost over. The game had started at 10.30am. Oops!

Brett Poll is gaining a reputation as an umpire who shouldn't be sledged. A player told Brett "you're useless" to which Brett quickly replied "that makes two of us". Another player complained to Brett saying "this isn't netball" to which Brett replied "that's why we're not wearing dresses!"

Umpiring is a family tradition for many of our number, with several father/son and father daughter combinations umpiring with us at the moment. However, the White Knight is not aware of any three generation examples. However, there is at least on example in the SFNL with Kyle Penaluna, son of Mark (currently the CEO of Werribee Football Club) and grandson of Colts legend Jim, playing his first senior game there last week. If you have ever umpired the Colts, you will know Jim; he is usually the shortest and loudest spectator at the ground and provides regular advice to our umpires on how to pay more free kicks to the Colts.

Alan Glenton has just graduated from Melbourne University with an Arts/Law double degree. Congratulations Al. You will be our Tribunal advocate next season! Some club advocates are very good at defending their players as Peter Martin discovered when he reported South Melbourne Districts player Reggie Masterton for abusive language. At the tribunal hearing, Masterton's advocate Barry Kidd (now the general manager of Port Melbourne Football Club), submitted a clever defence. The conversation went something like this:

Kidd: "Umpire Martin, how many times have you umpired the Districts?"

Martin: "About 15 times."

Kidd: "Has player Masterton played in each match?"

Martin: "Yes."

Kidd: "Have you stayed for a beer after each match?"

Martin: "Yes."

Kidd: "Do you usually have a drink with player Masterton?"

Martin: ``Yes.''

Kidd: "Have you used words like ?#\$%! and **&^%! while talking to the player?'"

Martin: "Possibly."

Kidd: "Then I put it to you that the player was talking to you the way you usually talk to him!"

Masterton still got a week.

On Thursday September 14, we will celebrate the Division 3 Grand Final appointments with a meal after training. The following week, our annual Awards Night (which includes the Grand Final appointments) will be held from 6.30pm on Wednesday September 21 at the Huntingdale Golf Club, Windsor Ave, South Oakleigh. The cost of this function is included in your membership fees. You will be asked to book your place on-line next month; failure to book in may mean that we can't fit you in on the night. You will need to let Al Manning know if know if you are bringing a partner along. Each guest that you bring will cost you \$60. Non-runing Life Members of the SFLUA wishing to attend should contact Peter Martin martin.peters@edumail.vic.gov.au to reserve a seat. Cost to Life Members is \$30.00 (drinks at bar prices) payable on the night

Writing grants on behalf of sporting clubs, associations and officiating groups

We understand that most volunteers are not aware of the thousands of dollars of grant money they could receive from the many Government and other grants that are repeatedly made available. Nor do they usually have the time or expertise to write the grant applications often within a pressing deadline. And as a result miss out on tens of thousands of dollars annually. This is where we step in.

Grant Professionals finds and writes grant applications for over 200 sporting organisations across 15 sports including many clubs in the SFNL and SMJFL for which it has won tens of thousands of dollars. Grants are there to be won and it is certainly not a begging exercise as you would often experience with other fund raisers. Just ask any of the SFNL or SMJFL clubs already with us. We specialise exclusively in sporting organisations and our fees are payable only when the application is successful. There is no cost to join. There is no risk .. except if you continue to do nothing. If you don't want to continue missing out please contact us to get on board.

ST KILDA CITY

Pride Cup An absolutely amazing day at the Farm

on Saturday 12 August. We were so proud to host St Pauls Football Netball Club for the second annual Pride Cup.

When we approached the Southern Football Netball League in 2016 about hosting the first Pride game in our region, we never could have imagined how much they would run with it, and growing from our little game last year to being part of a league first Pride Round yesterday was an honour.

Thank you to everyone who attended. our MC Leesa Catto, special quest speakers Martin Foley MP and Jason Ball, and our wonderful panellists

A smaller playing load this week as four netball sides became one. So we had one netball side in finals. one womens football side playing at Murrumbeena, and two mens football sides playing at Cheltenham. And sadly, none of them won...

The netballers took on the unbeaten Keysborough in the qualifying final. Keysborough are the only side that we hadn't beaten this season, and they weren't in a mood to relinguish that record. In a dour, defensive first half we stayed with the Burras for most of the journey. They broke away a little late in the second quarter but a five goal half time deficit didn't seem insurmountable. Sadly the Keysborough attacking game grew in stature to match their defence after half time, and they broke free to win by 33-16. We play Dingley in the preliminary final at 1.20 this Saturday for the chance to get another crack at Keysborough in the grand final.

The ladies footballers took on their nemeses Murrumbeena away on Saturday, and again the young, guick and skilful Beena proved a little too good. After a goal-less first guarter

Emily Rowe, Angie Greene, Russell Greene. Maria Katsonis and Tynan Winmar.

The boys were all set for a big game against our arch rivals St Pauls at the Peanut Farm. To add to the occasion we were fighting for the PRIDE CUP and had brand new pride jumpers that looked fantastic. The opening term saw the boys fight hard and play good open footy to lead at quarter time. In fact the first half saw us looking really solid and it seemed like the dream upset was on the way. Unfortunately due to an undisciplined act we lost the momentum and allowed St Pauls to run wild kicking six goals in 20 minutes of footy. The last guarter saw some redemption but in the end we lost by two goals and left the race

for the finals open again on to next week!

The Reserves were disappointing again on the scoreboard, and St Pauls took home a huge 156 point win. The U19s maintained their form, now sitting 2 wins clear on the top of the ladder.

sixteen at half time, and although we narrowed the margin to nine points at the last change we needed to restrict our hosts in the last term to be any chance. In attacking hard we left spaces in defence, and although we kicked two goals ourselves we let in three at the other end to be finally vanquished by 53-33. Jodie Miller was our only multiple goal kicker with two,

> The mens reserves faced a white hot Cheltenham and while we stayed with them to lead by two points in a tight first quarter, Cheltenham's five goals to none in the second term told the tale of the match. We were again able to match our highly-rated opponents with two goals each in the third quarter, but the damage had been done, and Cheltenham were able to coast to a 72-35 victory that leads us needing to keep winning to make sure of our finals berth. Sam Holland led our goal kicking with two. Dylan Jack, Kaleb Tymko and Luke Ardrey were solid on the day for us.

while Natalie West, Megan Tymko and

Gabrielle Boyle were among our best.

The firsts also took on Cheltenham. and it's fair to say it's a good thing we

don't play these blokes every week. They had won the last two encounters with us, now they made it three on the spin as they came home with a wet sail to beat us by nine points. Cheltenham started the better, kicking four in a row in reply to our opening two goals to lead by nine at the first break. After we steadied to take a two point lead to half time, and goaled twice late in the third quarter to turn for home ten points up, Cheltenham kicked three quick goals in the middle of the last guarter to take what turned out to be a decisive lead. We attacked hard late in the game, but it turned out to be too little too late and we fell to an 83-76 loss which should serve to keep us focused for the remainder of the season. Luke Barnhoorn, Steve Tolongs and Ben Humphrey each kicked two goals for us, with Chris Langdon, Dave Marguglio and Justin Summons our best.

Let's not forget our past players luncheon on the day of the Oakleigh District game on August 18, as we celebrate the 40th anniversary of our 1977 premiership. Please contact Neil Low to book, and get down to the football or netball this week to support the mighty Bloods!!!

CHELTENHAM

With a good spread of past players from the 60's, 70's, 80's, 90's and 2000's in attendance they would have been thrilled to see the 4 sides all be the victors on the day. Thanks to David Kilburn on his efforts in arranging the day and to our speaker Brett Anderson (SEN1116 and Inside Football) for his insightful input.

This Sunday is the \$2000 draw to be conducted at the club – tickets at \$50 are available from Billy and Grazer. Ensure that you give yourself and opportunity to scoop the pool by having a ticket in the draw.

ROYAL OAK HOTEL SENIORS: This would have to be the best standard of Div 1 football played this year in the SFNL. We ran out 7 point victors with a total team contribution that saw us defeat the ladder leaders. Also great to have Myke Cook and Josh Fox both available as Sandringham had the bye in the VFL. Better palyers were Dillon, Fox (4), Cook, Vauqhan, Mc.Laren and Bloink.

BENTLEIGH RSL RESERVES: Got back on the winners list after last week's aberration to the tune of 37 points. This is the brand of football that we have been putting together in the previous weeks.

BENTLEIGH By James Kiernan

Football

For round 16 all four of our football teams took on Oakleigh Districts at home.

It was now or never for our seniors, as with just three games left it was clear that only six teams in SFNL division 1 seniors could make finals in 2017 and Oakleigh are one of our closest rivals for the last two finals spots.

The club approached the game as a mini-elimination final, and thankfully our boys played finals footy for four quarters. Both sides slugged it out in the first half, trading goals and momentum swinging plays from their stars and rather fittingly the game was tied, 33-33, at halftime. In the second half our run started to make a difference as our demons stuck to their game plan and relentlessly attacked their opponents through penetrating kicks around the ground,

Best were Hampton, Gavin, Brookman, Sanders, Bowles and Tuhiwai.

TASMAN MEATS COLTS: At half time had a lead of three goals over the second placed Dingoes, from then on it was a total mauling as we ran out winners by 90 points. Best players were Waata, Karpathakis, Freeman, McMillan and Zuccala.

BOORAN HOLDEN THIRDS: This would have to be considered the turn up of the season as the boys from the Naval base were undefeated and as has been in the past very comfortable winners against us. Well the determination of the playing group to ensure that this would be no walkover was evident from the start and in the end they came out on top by 19 points. Congratulations to Steve Brosnan and all the players on a great effort. Best were Carcassi, Quinn, Camilleri, Uphill, O'Connell and Jones.

CALTEX SAFEWAY STAR SHOP CHELTENHAM VOLUNTEER OF THE

WEEK: Nick Ellery started the year as runner for the Colts and has continued on with that role, but since the season ending injury suffered by Senior runner Steve Ryan, Nick has taken on the this role as well and he has let us know that he has a 100% record with Seniors.

DINGLEY

Last week's battle with East Malvern was just that, a real battle between two sides with plenty at stake. For the home side it was a chance to grab top spot, while for the Panthers, it meant that they were trying to ensure they stay alive for September action.

To this observer it was a game played in bursts of good footy, interspersed with lots of errors, mainly because of the pressure of the contest. In the end, Dingley had more good bursts that the opposition. La Rocca, Frost, Morwood and Jack Ades were standouts in a tight defence and Big Troy Mc Kenzie and Danny Ades lead the way around the pill, supported by 'smalls' in Jacko, Hodgey, with Fergs, Rob Rusan and Josh Ellis in everything across the middle.

This match was played for the Pride Cup which was inaugurated by the League in 2016.

St Pauls won the cup last year and were keen to defend it successfully.

Too much has been achieved thus far for any slip ups.

The Panthers Reserves were an unknown quantity prior to the curtain raiser but their hosts left nothing to chance with a big win and now sit on top of the heap, two games clear.

The Unders were outnumbered and outclassed and only managed a couple of goals for the day.

Our Thirds had the week off thanks to a forfeit. They remain alive for finals action sitting in third place at this stage and we remain hopeful that interest and player numbers might swell with the chance of playing finals footy.

The Netball Finals are a main course on

umpires lined up for the National Anthem.

City opened up smartly with a 5 goal first term - we began slowly Callum Cathcart scoring both our goals.

The second term was an arm-wrestle we held City to 2 behinds but could only manage 1 goal. Defences on top for the term - Christian McCarthy prominent.

The third quarter was our best - better use of the ball by hand and foot and playing on whenever possible enabled us to score 7 goals to City's 2 for a 21 point lead at the last change. An even final term (both sides missing 2 or 3 goalscoring chances) saw us retain the Cup with an 18 point win.

Losses in Divisions 1 and 2, Div 4 Red and Div 7 were setbacks, but next week is the chance to atone, and for last week's winning sides to prepare for more success.

We are hoping for wins from all competing sides to keep their seasons alive. Go Girls.

Our weekly newsletter constantly mentions the October 8 launch of the club's history book, Dingo Tales.

Readers of these notes are also reminded to register their expression of interest to purchase their copy through the club website. I'm assured that its a fantastic read, covering the complete history of our great club.

Go Dingoes.

DIVISION 2: CLUB NOTES

HAMPTON

19s Report (From the Ox) The playing group knew we could be competitive on the proviso our attitude was positive and effort remained high for the entire game. There were several positional changes which also presented the group with a challenge. The game started well by winning the coin toss and kicking to the Highett Rd end (right of screen) with the aid of the Hampton doctor(breeze!). Our midfield were dominate around the stoppages mainly due to the fine tap ruck work of Cal Lefebvre and this translated into early scoreboard pressure. Despite kicking several goals our ball movement was a tad slow and our forwards weren't able to put enough pressure on Skyes rebounding defenders. It was pleasing though to go into the guarter time break with a two goal advantage. The theme going into the 2nd guarter was to control the ball by foot, forwards play high up the ground and when the opportunity presents itself look to hurt Skye on the counter and get the ball over the back into our forwards working back towards goal. It was imperative we scored into the Hampton doc but equally important our attitude remained high regardless of the scoreboard. To the players credit we executed perfectly and were able to control the ball by foot, score into the Hampton doc and defend brilliantly. We took a one goal advantage into the major interval which was huge in the context of the contest and put us in a good position to win the game. In the sheds we spoke

about maintaining our effort, moving the ball quickly and taking the game on. What happened next I didn't forsee. The team absolutely dominated the guarter in every aspect, forwards kicked goals at will, the mids dominated on the inside and our backline held up superbly. We took a six goal lead into the last break but the Hampton doctor was still giving the Highett Rd end a big advantage. The last quarter was brilliant with our pressure on the opposition exceptional but more importantly our ball movement continually improved. All players had an influence on the victory which shows what a bright playing future there is if we stick together and push onwards for 2017 and beyond. Reynolds & Blair kicked 3 majors with best players Smithy, Reedy, Bunny, Lewy, Selbsty & Lefebvre

Ressies Report (By Simon Beshara) This

game was a must win for Hampton but our lack of intensity was surprising and also disappointing. Our ball movement was okay at times but our defensive pressure was very poor, we got caught ball watching and allowed Keysie to take uncontested marks. We only trailed by a kick at the major interval and the game was still up for grabs.

In the third term our effort increased but our positioning around the ground was abysmal and we basically watched our finals aspirations disappear in the space of 10 minutes of play.We can hold our heads high as we had a crack in the last quarter but went down by 10 points. Smithy and Hughesy were fantastic with 2 goals each-superb!Best were Harris Nixon Caffa Leesy Papa

Seniors - The first guarter was an even contest with both midfields getting plenty of the ball, but in the second quarter Keysies ability to find the loose player behind the contest gave their forwards a head start on our defenders which translated into a 37 point deficit at the main break. Across the ground we tightened up in the second half to force turnovers which we were able to capitalise upon. Woody and Bolg provided targets up forward and with Chevvy and Gasssy lively we weren't out of it. Corey Smith and Feather provided drive from defence and the mids in Gizza, Gunda, Hayesy and Westy pumped the ball forward to see Zac Allen take a screamer. We went down by 18 points but it was a never say die effort which we can take the positives from.

Thanks to Andy Bekierz for once again taking some great shots of the 19s but also taking the club photos this weekmuch appreciated.

It was a game of qtrs with each team dominating 2 each. Whitey got us off to a great start with 2 strong marks which resulted in goals. It was a tough match which had several of our players seeing green at crucial times during the game and we lost Langers to friendly fire and we wish him a speedy recovery.

Melbourne Food Distributors Reserve Report

After falling short the last 2 weeks we cracked it for a win with a 24 point win over Highett. Nothing in it until the last qtr when the boys broke the game open. Great reward for Waz and the boys.

MURRUMBEENA

The women's team took on Mordialloc at the Benna arena 1v2

In a highly competitive game that was in the balance until the last five minutes seeing Murrumbeena come away with a 20 point win over Mordialloc again securing the girls position on the ladder.

Great game by Shanae , Grace, Dani, Eliza, Lauren and Lily.

Huge congratulations to Grace Biddy, Dani Wearne and Shanae Carter on their selection for the Womens Interleague squad.

Skye at Skye one of the toughest road trips in the league. The Ressies were more than competitive in the first half going into the long break 14 points down but Skye's class shone out in the second half with Beena going down by 35 points. Richo played a good one as did Wilba and Cairnsy on his return. McMahon finished with 2.

The Seniors got off to a good start and managed to hold a 13 point lead at the long break thanks to our relentless pressure.

We kicked 3 in the third holding Skye goaless. We kicked another 3 in the last to come away with a fighting 6 goal victory Shauny T was great down back and Joshy played a great one first up after a few weeks off. Batty finished with 3

SOUTH YARRA

The Hunter Industrials Report: After a great training earlier in the week, and a slick warm-up, the A grade side went into the elimination final geared up for an intense match against Caulfield. After the first break South Yarra and Caulfield were even, seeing the crowd more vocal than ever experienced this season! Unfortunately our dominant playing coach Maggie Riley went down early in the 2nd guarter, forced from the court against her will. We then had another two devastating injuries in Lucy Renshaw and Steph O'Dea just after the half time break. In what was clearly our most challenging game with injuries, Steph O'Dea, Havley Becker, Jess Buerckner, Erin Price, Maggie Riley, Harriet Bacon, Lucy Renshaw, Sarah Hogan and Rebecca Eagleson played with incredible teamwork, positivity and resilience which everyone should be truly proud of. The Caulfield coach specifically sought us out after the game to complement our sportsmanship and skill, and mentioned that had we not suffered the injuries, we were a real chance to win. Jess Buerckner created many turnovers in defense then switched ends at half time, sinking many goals to earn her our best on finals player. A huge thank you to Harriet, Bec, and Carrie James for being a great asset to our final team, and to the many members of our lioness cheer squad! A beautiful group of women on and off the court who should be very proud of today's efforts! Caulfield 38 South Yarra 27.

SANDOWN

Seniors

All the best to our senior coach who was unavailable for this match, Assistant Coach Simon Foster took over. Despite following our game plan SY were too strong. The boys played the full 4 quarters and made many desperate attempts to get the ball into our goal square, there were valiant efforts by all. Best on field were M Nelson, L Ligt, S Jackman, M Dickson, J Hurford and B McLean. Goal Kickers were D McMahon, J Proctor, N LeLean, A Powell and M McCormick. Go Cobra! It was perhaps the best win on Saturday for the Thirds in their history. Since their inception into the competition, no Thirds side had ever beaten Skye and certainly not on their home deck. In fact, in very few years have the Thirds even managed to get a full team out at Skye. Earlier in the year a player from Skye remarked that their game against the Yarras was "easier than a training run". This was added motivation for the Yarras, and we led at guarter time, down by 11 points at half time, we closed the margin to just 8 points at three quarter time. From there, the Yarras found another gear and ran over the top of Syke, Ryan Dore icing the game with two unbelievable snaps from the pocket. Everyone lifted their intensity in the last guarter, in what was a truly magnificent win, which all but ensures a top four finish and double chance in the finals. The egalitarian Coach Dallas, decided to split the votes evenly amongst all the players, in what was a brilliant team display.

The Reserves played a depleted Sandown team that were defeated before the first bounce. The birthday boy, Fitzpatrick kicked the first four goals of the game and finished with six goals. Buckets kicked five goals and Khoury chimed in for three goals. A ninety-nine point third quarter assisted the Yarras in beating the wounded Cobras by 173 points.

After last week's loss to Ashwood the seniors took on Sandown knowing that they need other results to go their way if they are going to feature in finals. The Yarras started with a bang with 2 goals in the blink of an eye, Sandown bunkered

Reserves

The Reserves had a light on side but still took the field, thanks to SY for the support. Coach McCormick was pleased with his team's performance as they played short and then suffered injuries, they did not give in even though odds were stacked firmly against us. Wish we could give all the team votes this week. Best on field were W Barker, A Woods, S O'Byrne, A Sammartino, J Bayliss and P Dickson. Thanks to A Sammartino and P Dickson for jumping in. Goal Kickers were S O'Byrne, R Ettridge and P Dickson. Go Cobra! down only allowing another four for the quarter while kicking 1 themselves. A 9 goal quarter in the second saw the 100 up by half time, the backline moved the ball with pace and the talls of Russell, MacDonald, Taz and Hanney were dominant. To the oppositions credit they continued to fight as hard as they could but there was little stopping the Yarras. The second half saw 153 points kicked to 1 goal with Pane and Jerry both kicking one each after spending the year down back. A 220 point win was the final result with Keki, Ardern and Villella again dominant.

Thank you to our past players for coming down and supporting the club.

LANGFORD MOTOR TRIMMERS -Seniors Report

Last week we are up against a spirited Lyndhurst at their home ground in very gusty conditions making precise football difficult for both the teams. Shane Peake was strong up forward and booted 4 goals and partner in crime Frank Martinicchio slotted through 3. Tim Smith ventured forward off the backline and kicked a couple of important goals. Ryan Forsyth, Brett Figas and Mitch Saunders were very strong in the midfield and got the ball out well. Our backs again kept the opposition to a very low score with stand out performances from Mick Burkwood, Jake Chapman and Chris Myers. We have now sown up the double chance which gives us a great opportunity to go deep into the finals

SOUTH EAST ACCOUNTING - Reserve Report A windy day down at Lyndhurst saw both teams needing a win to keep their finals chances alive.

With Punter winning his first toss for the year we were off to a good start. With Coach Nelson giving the boys their final marching orders, the boys were ready to take on the Lightning on their massive ground.

With the breeze going across the ground, goals were hard to come by in the first half with both teams only able to score one major going into the extended half time break. Both the midfield and defence worked overtime to give Ashwood a 2-point advantage going into the main break.

The 3rd quarter saw both sides go goal for goal but a late goal by Kane OCW saw Ashwood hold yet another 2-point lead going into 3 quarter time. The last quarter saw Ashwood overrun Lyndhurst in the last quarter, goals to Morrey, Kane OCW and Stanton ensuring that Ashwood are guaranteed a spot in the 2017 Finals Series.

They will look to secure the double chance next week against Endeavour Hills. Nels, Willo and Dolphy were named as the best players on the day.

A huge thank you to all the supporters who braved the cold and all the volunteers for helping and lending a hand on the day.

AROUND THE GROUNDS

Exciting times for the seniors Ashy teams as they head into a finals campaign in a few weeks but this Sunday the under 12 and under 13 start there finals charge after both teams finished on top of their age group ladder. Both teams play great team footy and with no standout players in either sides it is all about teamwork and working hard for each other.

MILESTONES GAMES

We load up again on the milestones games this week with some of Ashwood finest running around celebrating milestone games. Jake Chapman and George Lithotomos celebrate their 50th games for the club - both are fantastic and highly skilled footballers, who make the hard look easy on the field. Great Ashy people who support the club in so many ways. Enjoy the game and we look forward to many more years of watching these classy players in action.

Chris Scully plays his 150th this week as well. Now well and truly entrenched in the senior side as a reliable and rebounding defender or in the midfield working hard in the contest. Loves the one on one's with his opponents and hardly loses, very competitive and cool under pressure "Skulls" is a fantastic clubman, great bloke and congratulations on your 150 game.

In the last home and away game of the year the record for the most games played at our club gets equalled by the "LEGEND" - Mick Langford. In true Mick fashion it won't be mention next week as it's not the team thing or he couldn't give a s*!t about it, so get around him today to help celebrate his 331 first game for the Ashwood FC.

Congratulations Mick a wonderful achievement.
