

**ST PAULS FOOTBALL NETBALL CLUB**  
**(affiliated Southern Football Netball League Division 1)**

**\*\*\*\*\*Development Coach position\*\*\*\*\***

Interested in coaching? St Pauls FNC has a position available for the 2017 season in the role of Development Coach.

The role requires someone with a football background that can work with players in an 1-on-1 or small group environment to develop specific skill sets when development opportunities have been identified.

This is a great opportunity to work closely with an up and coming, young and enthusiastic group of players.

It is an unpaid volunteer role within a great family club and we request that anyone with interest please email through to the club email:
