# SFNL MATCH REVIEW PANEL (MRP) PROCEDURE

## The Panel

The Match Review Panel (MRP) shall be appointed by the Board and made up of independent members who have no direct association with any Club across the League. Match Review Panel members shall remain anonymous and there shall be no need for MRP members to ever have to attend a tribunal case.

The role of a Match Review Panel Member will simply be to review incidents picked up by official League footage and decide whether to refer the incident to the Independent tribunal based on AFL rules as outline on a Report Sheet.

The Match Review Panel shall consist of an odd number of people to ensure there is always a majority rules result.

## Assessment of Reports

The MRP will assess all Player Reports on the Monday as received throughout the weekend and have the power to impose or amend penalties as they deem appropriate. This will include involvement in melees (if captured on vision). The MRP will have a “Grading of Offences” table and a “Melee Matrix” available as a guide when deliberating on relevant penalties, with the aim to establish consistency.

## Review of Incidents

Umpires may request a review of an incident during a period of the match (*Senior Football Matches only*) when giving ‘all clear’. Member Clubs will be shown a copy of the request at this time.

Clubs may also make an official request to review a specific incident or incidents of concern by completing the Video Request Form and submitting that to the SFNL General Manager - Operations **by 10:00am the first business day after the match.**

The SFNL MRP will view the relevant footage, and if deemed appropriate may lay a charge to be heard by the Independent Tribunal or recommend a set penalty.

## Communication of an MRP Report

The SFNL General Manager - Operations will inform a Club if a request to review footage has been received by Monday 12:00pm. This early indication is merely to give clubs the heads up that footage is being reviewed and that a referral to the Tribunal may eventuate.

Once the MRP has made their decision, the Club(s) and player(s) involved shall be informed officially via email of the outcome of the decision. Should the case be referred to the Tribunal, the email will contain details of the hearing.

### **MRP and Set Penalties**

If a set penalty is applied or amended by the MRP, the charged player will have **until 10:00am on that Tuesday** to request the charge be heard at the Independent tribunal or the Set Penalty will apply as offered.

The Club of the player charged may challenge the imposed set penalty at Independent Tribunal, but if found guilty, will receive a penalty that is at a minimum that which was originally offered, and the Club will be levied \$150.00 (incl. GST).

### **Appeals**

There is no avenue of appeal against a decision made by the Match Review Panel simply because that opportunity is available should a case move through the Tribunal process and an outcome has been determined. The Club may appeal the outcome of the Tribunal hearing.
