

Interleague Policy for the Southern Football Netball League (SFNL)

- The SFNL will on an annual basis to have the following responsibilities:
 - Coaches appointments
 - Administration appointments
 - Support staff
 - Program schedule
 - Training venues

- Coaches must liaise with all club senior coaches to discuss and explain the player participation rules to ensure clubs, coaches and players are aware of and understand the rules.

- Coaches are to be responsible for the following appointments:
 - Match Committee
 - Runners (Football)
 - Physio
 - Fitness coach

- All appointments must be made within 1 month of the coaching appointment and be approved by the SFNL.

- Player participation rules:
 - All players are to make themselves available for squad selection
 - If a player cannot attend training, they must notify the coach prior to training and get acceptance of non-attendance
 - If a player informs the coach of his/her inability to participate, a valid reason must be presented to the coach for acceptance.
 - If the reason is not accepted, the coach will inform the SFNL General Manager - Operations for review.
 - If the SFNL endorses the Coach's position, the player/s will be suspended from participating in their club's next two Home & Away games.
 - Any player claiming to have an injury preventing him/her from participating in the campaign must attend training and be examined by the I/L medical staff for assessment of the injury. The medical teams decision will be final and may include a player being considered unfit to play in their clubs following match(es).

- At the end of each campaign a review of the performance of all elements of the program will be carried out by the SFNL Operational staff within 1 month of the end of the program, including any recommendations for the following year, and submitted to the SFNL CEO for acceptance.
