## **11. SCORES**

11.1 The scores used by the League to calculate the points and percentages for each Divisional ladder shall be based upon the scores contained in the goal umpires' cards. Should the scores on the cards not match, the timekeeping cards will also be used to assist in calculating points and percentages.

11.2 In the event that the timekeeping cards disagree, the League will investigate the matter and make a final and binding decision.

## **12. LADDER**

12.1 The League shall prepare a weekly ladder for each grade of football and in addition to awarding points for each win, forfeit, walkover, draw or loss, shall also prepare a percentage table comparing the total points scored by each team against the total points scored against each team and in the event that selection for the finals series is between teams with the same number of points, the team with the highest percentage will be entitled to participate in the finals series ahead of a team with lower percentage. Should the percentage of the teams be the same then the team with the highest points 'For' (being the points scored by the team throughout the season) will be entitled to participate. Should the points 'For' of the teams be the same, then the team with the lowest points 'Against' will be entitled to participate.

12.2 All decisions by the League in respect of the calculation of the points and percentages shall be final and binding.

## **13. MATCH RATIO**

13.1 In competitions involving an uneven number of Byes for competing teams, the League shall also prepare a match ratio which reflects the number of wins by each team against the number of matches played by each team.

## **14. ADVERSE WEATHER CONDITIONS**

14.1 If the air temperature, as broadcast by the Bureau of Meteorology, is below five (5) degrees Celsius or in excess of thirty-five (35) degrees Celsius on a training day/night, Players and Umpires are advised not to train.

14.2 If the air temperature, as broadcast by the Bureau of Meteorology, is below five (5) degrees Celsius or in excess of thirty-five (35) degrees Celsius, one hour prior to the scheduled start time of an official League match at any grade, no Umpire is permitted to officiate in such match and the match shall be cancelled.

- 14.3 In the event that a Senior, Reserve, Women's, Under 19 or Thirds match has commenced, and in the opinion of the Field umpire(s), the weather conditions have become too hazardous (e.g. lightning and/or thunder in the vicinity, heavy hail, fog), the match will be stopped.
- 14.4 If the weather conditions improve and in the opinion of the Field Umpire(s) the match can recommence within thirty (30) minutes, the following procedures should be adhered to:
- 14.4.1 the umpire shall instruct each team to return to the field;
  - 14.4.2 the play shall be re-started at the centre square;
  - 14.4.3 the time shall recommence at the time play was stopped and that quarter be finished; and
  - 14.4.4 should there be a match following, adjustments should then be made to any subsequent quarters and breaks between quarters to ensure the game finishes at the appropriate time.
- 14.5 If the match is unable to resume after thirty (30) minutes it will be abandoned. If the match is abandoned, a written statement by the Field Umpire for non-completion of the match must be submitted to the General Manager - Operations by 9:00am on the next business day.
- 14.6 If any one match is cancelled or abandoned due to adverse weather, Competition Regulation 16 will apply.
- 14.7 If the League, during the review of the Round, is not convinced a match should have been cancelled or abandoned or the reason for the cancellation or abandonment was not in good faith, it reserves the right to award points or impose a penalty as allowed by the SFNL By-Laws and Competition Regulations.

## **15. DRAWN FINAL MATCH PROCEDURE**

- 15.1 If the scores are tied at the end of normal time in a final series, the following procedure will apply:

  - 15.1.2 the team runner may enter the playing arena to marshal the team Players together in readiness to change ends.
  - 15.1.3 Coaches must remain off the playing arena and must not address their Players, except where the opposing team has a playing Coach and then, the non-playing Coach may enter the arena to address their Players.
  - 15.1.4 the Field Umpire will confer with the Goal Umpires and when they verify that the scores are tied, the Players of the two teams will change ends.
  - 15.1.5 Two (2) periods of five (5) minutes plus time-on will then be played with the teams changing ends at the end of the first period of extra time.
  - 15.1.6 at the end of the second period of extra time, the team which has the greater score will be the winner of the match.

15.1.7 if the scores are still tied after five (5) minutes of the second period has lapsed, then 'golden point' is used to determine a winner. The siren is not to be sounded until the next team scores. The team to score next is declared the winner.

15.1.8 In the event that the time lapses after five (5) minutes of the second period and a team has a set shot for goal with the opportunity of levelling the score (e.g. the team is one or six points behind), the siren is to be sounded. If the scores are levelled, play is to continue until the next team scores as per Competition Regulation 15.1.7.

## **16. MATCH NOT ABLE TO PROCEED**

16.1 Where a match is not able to commence or proceed for any reason other than already provided for in these regulations, the Field Umpire or the League will have regard to the health and safety of the Players and any other relevant matters in order to determine whether a match is unable to commence or proceed.

16.3 If a match is unable to commence or proceed, the League will have sole discretion to decide the result of the match or whether the game will be rescheduled or not based on the following guiding principles:

16.3.1 The appropriateness and practicality of rescheduling a match during the Home and Away Season or Finals Series;

16.3.2 If any one match is cancelled or abandoned in a particular Grade, and cannot be rescheduled, the match will be declared a draw and two (2) premiership points will be awarded to both teams. During the Final Series, if the match cannot be rescheduled the highest qualified team for that final will progress to the next round of finals;

16.3.3 If two (2) or more matches are cancelled or abandoned in the same Grade or Division for the same reason, the round will be declared void and no premiership points, percentages or best and fairest votes will be awarded or applied for that round;

16.3.4 If the match is unable to proceed prior to completing the second quarter, the match will be declared a draw and two (2) premiership points will be awarded to both teams;  
or

16.3.5 If the match is unable to proceed after the completion of half-time, premiership points will be awarded, and scores entered to determine the result of the match.

16.4 If a team is directed to recommence play by the Field Umpire or League Official and the team fails, refuses or neglects to recommence play, the team shall be deemed to have forfeited the match. In that case, **SFNL By-Law 17.9** will apply.

#### **29. EVENING UP RULE**

29.1 The League expects all Team Officials to understand and adhere to the 'spirit' of this rule, which is, the team that has the greater number of players available shall lend as many players as possible to equalize numbers with the other team so that all players available to participate in that match shall have the opportunity to play in as much of that match as possible.

29.2 There is no evening up rule for Seniors or Reserves.

29.3 If one or both teams have a shortage of Players in the Women's, Under 19's or Thirds, the numerical strength of each team must be adjusted so that the teams are of equal numbers, or at most, have a difference of one.

29.4 The team with the numerical advantage can "loan" Players to the opposition, either for a quarter on a rotating basis, or for the match. However, if the team with the (greater) shortage of Players refuses to accept an offer of "loan" Players from the opposition, the team with the numerical advantage can play with the maximum permitted Players on the field. In addition, if the team with the numerical advantage refuses to lend Players they must play the match with a difference of one Player only, resulting in additional Players on the interchange.

29.5 Should a player arrive late, that player may take the field at any time provided the following procedure is adhered to:

29.5.1 The Team Manager shall inform the Officials of the other Team.

- 29.5.2 The opposition team is to be informed when the players are ready to take the field that the playing numbers of each side are to be increased.
- 29.5.3 Addition to the playing numbers on the field can only be made providing the numbers on the field remain equal for both teams.
- 29.5.4 Any head count to be performed in line with the Competition Regulation 30.
- 29.6 When players are loaned, the Team Manager of both teams shall note on the Team Sheet the number of players loaned. Players may be loaned on a quarter by quarter rotating basis or for the whole match as appropriate.
- 29.7 The Evening up Rule is not to be applied in the SFNL Finals.
- 29.8 Where a player is ordered off the field by the Field Umpire, and there is no replacement available, there is no requirement to even-up the playing numbers on the field.
- 29.9 Any dispute regarding this rule will be referred to SFNL who will determine penalties, if any, to be applied. Penalties may include loss of premiership points and/or score by the offending team and/or the Club of the offending team shall be penalized as SFNL deems fit.

- (iii) the Team shall lose all points which it has scored in that quarter up to the time of the count; and

After the twenty (20) minute period has expired, the Player may be interchanged in accordance with the procedure set out under Regulation 31.1 provided the Player is able, having due regard to their health and safety, to resume playing in the Match.
