# CHAIR'S REPORT

## • Southern Football Netball League (SFNL) Values

We proudly call out our Southern FNL values and constantly live and hold ourselves accountable to the values of Trust, Accountability, Belonging and Growth.

## • SFNL Strategic Plan 2023-2025

We are continually guided and driven to action by our current 2023-2025 strategic plan which is updated annually.

## • 2023 was our 30th Anniversary Year

2023 was our 30th anniversary year and we celebrated this milestone in a respectful but low-key way at our Season Launch in April 2023

## • Participation summary and league dynamics

	REGISTERED	FEMALE FOOTBALL	FEMALE NETBALL	MALE FOOTBALL	TOTAL
UMPIRES	232 M & 21 F		4 M & 111 F		368
PLAYERS		431	1420	3853	5704
CLUBS		11	33	38	40
TEAMS		12	103	93	208
FIXTURES		104	868	844	1816
LOCAL GOVERNMENT AUTHORITIES	11				11
DIVISIONS		2	13	10	25
CLUB PRESIDENTS	40				40

This year was a very successful year for Southern both on and off the field and we could not have achieved all of this without the leadership, guidance and resilience of our Board and I thank them for all they do in their unwavering support of our league.

Southern had an outstanding 2023 Finals Series (one of, if not the best ever), including spectator and participant conduct. I would like to acknowledge and give a big thanks to our venue Host Clubs and all their volunteers, we could not have done this so successfully without you.

We welcomed new board member Adam Arness in April 2023 and his legal, financial and club background has been fantastic to be able to call upon.

This year we have the retirement and acknowledge the efforts of Richard Smith after 6 years on the board and Sarah Radlow after 2 years.

Thank you and as we say "you always remain part of the Southern family".

# CHAIR'S REPORT

We have had 16 important meetings inclusive of nine board meetings in our 2023 operating year which runs from Nov 1 to Oct 30 and I wish to thank all on the board for such a high and constant attendance and active participation rate

The table below does not cover all meetings such as those held in the past year for important matters such as:

- AFL Victoria
- Metro Futures Project
- St Kilda FC
- Youth Development
- Under 19's
- Southern Squad
- Junior Pathways
- Government Authorities

NO.		MG	GC	PS	RS	DM	GR	SR	NL	AA-

	TOTAL MEETINGS	15	13	12	14	12	13	13	12	5

\*Adam Arness joined the board in April 2023

## • Learning and Development – Board and team members

As part of our ongoing learning and development the Board and CEO undertakes various online training courses during the year provided by the Australian Sports Commission

This is in recognition of the importance of effective, contemporary governance within the Australian sporting landscape and fortunately the Australian Sports Commission has developed educational opportunities and resources to support our League.

The courses undertaken so far are;

Sport Governance Education and Training | Australian Sports Commission ([sportaus.gov.au](https://sportaus.gov.au))

1. The Start Line – Sport Governance Foundation Course
2. The Defence – Risk Education for Directors
3. The Spirit of the Game Organisational Culture

# CHAIR'S REPORT

## • Our League and our team

If you don't mind me saying, as others independent to us keep telling me, we are an extremely well-run League thanks in most part to our CEO Lee Hartman and our team members in the office.

AFL Victoria constantly tell us we are well run and engage respectfully we now have the unofficial leadership position of the 10 Metro Leagues in their Metro Futures project.

Lee is the most experienced CEO in the Metro Leagues and we love working with him, what he does and how he does it.

Special thanks to the team of Jenny Mouat (11 years), Wes Garth, Luke Henry, Caitlin Walsh, Belinda Ferguson, Travis Switzer, Glenn Emery and David Jennings, who departed for the Western Region mid-Season.

A big shout out to our Umpires led by Travis Thompon, Glenn Emery and our fantastic team of umpires who have again excelled this year. The one constant I seem to always see is that they love doing what they do and have fun doing it.

## • Challenges off field – Mornington Peninsula Football Netball League

We had to address the fact that mid-season the Mornington Peninsula Football League (MPFNL), led by their Chair, did something unheard of and directly approached some of our clubs to join their League via an EOI for a Third Division for 2024.

It turns out that this initiative subsequently failed to launch as it;

- 1) Did not have the proactive support of AFL Victoria
- 2) Did not respect the hard-earned achievement of all Leagues working collaboratively together on issues that impact each other.
- 3) Was a unilateral action by the MPFNL, who are an interim Board
- 4) Was actively supported by AFL South East as the Administrator of the region
- 5) Did not at any stage have the required support of a minimum of 17 out of 22 of their clubs or 75% before it was initiated and again when it was officially voted down at a special general meeting of the MPFNL.
- 6) Did not work within the spirit of what is being contemplated in Metro Futures League Project.

# CHAIR'S REPORT

The time wasted and mid-season distraction by all involved was immense, not welcomed and not appreciated.

The four (4) Southern Clubs that made an application, in what was in the end a futile process, all called out that our League was very well run and that the junior pathways including U19s, geography, and co-locating netball with football were the main attractions.

## • Club Presidents retiring this year and new ones

I acknowledge and thank the following Presidents retiring this year and welcome the new club Presidents taking over these critical roles at our Clubs.

It is fantastic to have new Club Presidents and we offer our full support to ensure they don't think the grass is greener over the fence.

CLUB	DIVISION	OUTGOING	INCOMING
DOVETON EAGLES	4	SHAWN DISHINGTON 2023	MICK OGGERS AGM NOV 1, 2023
EAST BRIGHTON	1	EMMA STUART 2019-2023	BEN DOUTHIE ON NOV 20, 2023

HIGHTT	2	DANIEL BOOTH 2022-2023	MICK ALDRIDGE AGM OCT 30
LYNDALE	4	ED MCLEAN 2012, 2014-2023	ADRIAN NEIL AGM OCT 22
PORT MELBOURNE COLTS	1	STEPHEN DUVNIAK 2018-2023	AGM TAKING PLACE ON NOV 27
SKYE	2	MICKY KANE 2020-2023	DOM SPINUCCI ON NOV 21
ST. KILDA CITY	2	RICHARD HOUSTON 2023	MELANIE STARR AGM SEPT 18

\* Current as of 21/11/2023

## • Our key relationships and stakeholders

### Local Government Authorities (LGAs) x 11

We acknowledge the unwavering engagement and support from our 11 LGAs as we currently have around 25 club facility projects on the go, everything from pavilions, lighting, netball courts, goal nets & other general improvements.

- Bayside
- Greater Dandenong
- Boroondara
- Kingston
- Casey
- Monash
- Frankston
- Mornington
- Glen Eira
- Port Phillip
- Stonnington

# CHAIR'S REPORT

## Metro League Chairs

We also have fantastic collegiate support at any time and throughout the year from fellow Chairs from the;

- 1) Victorian Amateurs- George Voyage,
- 2) Essendon Districts- Bernie Shinnars,
- 3) Eastern- Paul Barlow and Graham Halbish (immediate past Chair),
- 4) Outer East- Tony Mitchell

## AFL and AFL Victoria

A big shout out to the continued "hands on" strategic guidance and support from Australia Football League EGM Game Development Rob Auld and the immediate past Head of AFL Victoria Ben Kavanagh and his team.

We welcome the appointment from 13 November 2023 of the new Head of AFL Victoria Greg Madigan and working collaboratively with him and his team on achieving great things together going forward.

## St Kilda Football Club

We have a fantastic working partnership with St Kilda Football Club and specifically call out the support and efforts of CEO Simon Lethlean, Executive GM Commercial Chris Larkins and Executive Director Danny Frawley Centre Kirstin Corben.

## Springvale District Netball Association

We enjoy a great relationship with the Springvale District Netball Association and we work collaboratively to deliver the best product we can for 33 clubs, 103 teams and 1420 players. We also acknowledge and appreciate the effort of the officials and volunteer umpires that support our program.

# CHAIR'S REPORT

## Southern Squad – (Southern Squad Introduction ([sfnl.com.au](https://sfnl.com.au)))

Launched in April 2022 this is an exciting initiative aimed at energising and mobilising women involved in the SFNL as administrators and volunteers.

The SFNL Southern Squad is aimed at supporting women in club land with focused sessions aimed at the areas of;

1. Inclusivity
2. Club culture
3. Club Facilities
4. Coaching Females
5. Female Coaches

This remains an important strategic project for the League and we have recently conducted a participant survey to ensure what is delivered for 2024 is desired and is in line with the needs of our clubs and stakeholders.

## Sponsors:

- Bendigo Bank
  - Sandown Greyhounds
  - St Kilda Football Club
  - Blackchrome
  - GameFace
  - Red Rooster
  - Mosh Men's Health
  - Ivan's Pies
  - Top Notch Trophies
  - Sherrin
- We actively listen and constantly take soundings from our Clubs

We are proud that we listen to our Clubs and acknowledge that the 3 main challenges we have are;

- 1) Junior Pathways including U19's,
- 2) Our divisional structures and
- 3) Netballers traveling to a single location.

# CHAIR'S REPORT

All of these 3 are top of mind for the Southern board and remain our priority focus.

I am happy to share that we are committed to through our Strategic plan to;

- 1) having a Junior pathways solution in place for the start of 2025.
- 2) exploring the new growth corridors to the east of our current geography.

- Our focus for 2024 and beyond

## Metro Futures Project

This is the singularly most important project we will undertake in my 13 years on the Board and the last 6 years as Chair.

It has our full attention, and we are committed to ensuring we get the best outcomes for the Southern sporting community.

## PROJECT SCOPE STATEMENT:

- The Metro Futures Project is commissioned to study the environment and develop recommendations that support future optimal and collaborative approaches to football in Melbourne while considering the impact on, and influence of, neighbouring regions.

## MAIN PROJECT OUTCOME:

- Outcome by 30 June 2024 is Stage 3 AFL Victoria to League Affiliation Agreements.
- Explore AFL Victoria Affiliation Agreements with Metropolitan Leagues to implement an optimal, collaborative approach to football in Metropolitan Melbourne and neighbouring regions.

## PROJECT BACKGROUND AND RATIONALE:

- Metropolitan Football is evolving as Melbourne continues to experience change through the influences of increased multi culturalism, expansion of female participation and many other social factors, such as people's age, gender, habits, competing sports and evolving entertainment options, technology, disability and by social groups.

# CHAIR'S REPORT

- Any analysis of community football historically reveals how Leagues have expanded their footprint, others have collapsed, whilst Clubs have transferred leagues, changed their playing divisions, gone into recess and a range of other actions based on the key influences at that time.
- The Project rationale is to promote the concept of an Industry approach to broader, strategic focused approach of football in Melbourne between AFL Victoria and the 10 Metropolitan Leagues.
- Aspirational, AFL Victoria propose a collective approach, guiding principles and growth strategies supported by a collaborative affiliation model to better serve the game now and into the future.
- It is not proposed to negate the need for League or State Regulations, rather an opportunity to be ahead of trends, growth potential and the consequence of change.

## PROJECT SUCCESS CRITERIA:

The project criteria and measures of success are:

- 1) Acceptance of the Project Plan by Metropolitan Leagues.
- 2) Involvement by Metropolitan League Boards to participate willingly in the Project.
- 3) Involvement by key stakeholders during the consultation and engagement.
- 4) Access to current and relevant data (football and community specific).
- 5) Timeframes being adhered to for all Project Milestones.
- 6) Communications plan adhered to by all key stakeholders.
- 7) Presentation of Preliminary Draft Recommendations to the Control Group which reflect a collaborative approach to football in Metropolitan Melbourne and neighbouring regions.
- 8) Control Group aligning on the Recommendations which reflect a collaborative industry approach to football in metropolitan Melbourne and neighbouring regions which is endorsed by Metropolitan League Boards and AFL Victoria.
- 9) An agreed Football Industry approach to community football.

# CHAIR'S REPORT

- 10) Recommendations endorsed by Metropolitan Leagues are implemented under an Implementation Plan to be developed pending adoption.
- 11) Ensuring the future viability and vitality of football following implementation of recommendations.
- 12) The collaborative, ongoing and continuous industry analysis of football in Metropolitan Melbourne and neighbouring regions.

## Pathways and Southern Juniors for 2025

We have continued to try to work collaboratively with the South Metro Junior Football League and eventually were successful in standing up an U8s and U9s team from Black Rock in 2023. Congratulations Black Rock FNC.

We will continue to work alongside the SMJFL to present a clear pathway to clubs to assist their current and prospective junior programs. Transparency is something that we can improve and will endeavour to provide clubs with clear action and timelines that are easy to follow and understood which encourage our Senior Clubs to invest in their own programs.

We are hopeful this is just the beginning.

Practically, success is a Pathway that covers;

- 1) Pathways – Junior School to Auskick to Juniors to Youth to Seniors
- 2) Football and Netball
- 3) All codes
- 4) All ages
- 5) All genders
- 6) The highest possible acquisition rate
- 7) The highest possible retention rate

Regards,  
Marc Gauci  
Chair, Southern FNL

# CEO REPORT

What a season we have had, plenty of thrills throughout the season and another great finals series for the league, Congratulations must also go to all the Divisional Winners in Football and Netball for 2023.

Well done to Cheltenham on breaking that premiership drought, and what a game, three-point winners, no one at the game thought you'd get there. To East Brighton, on winning Division Two premiership in the seniors and reserves in front of a massive crowd at Mordialloc, a great effort by the club. You will be well placed to coming up to Division 1 in 2024.

Congratulations to Endeavour Hills on taking out the Division Three premiership by coming from behind at three quarter time, kicking four goals to nil in the last to win by 17 points, and finally, congratulations to South Mornington in winning Division 4 Seniors and Reserves. After being relegated last year, to bounce back in style was a credit to your club. The Thirds premiers were Heatherhill in their first year as a football club, only dropping one game along the way in what was a very successful start for the club. Well done on getting the club up and running.

The Women's Football Competition this year were evenly played, as Casey Thunder bounced back in Division One to win the flag after last years heartbreak and East Brighton in Division Two, their first premiership in Women's football, which was a great effort. Cheltenham took out the A1 Netball crown, turning the tables on their main rival Dingley. St Paul's McKinnon took out the A2 premiership in a great day of netball where no fewer than 13 teams won Premierships. A big congratulations and well done to all.

Well done and thank you to all the Member clubs. We currently have around 25 club facility projects on the go, everything from pavilions, lighting, netball courts, goal nets and other general improvements.

# CEO REPORT

Thank you to all levels of government for their support as we deal with 11 LGA's and although there are several challenges in doing so, we continue to push forward and get projects delivered.

Thank you to AFL Victoria for their support of these and many other projects, through the successful AFL Victoria SCIF program, we received around \$170K of grants in 2024 for member clubs for projects. This on top of the millions spent by all levels of Government. The TAC grants once again were heavily subscribed in our league, well done to the clubs that took part in that program again, we have always lead the way as a league in this program.

To the SFNL staff, a massive thank you, to David Jennings, Wes Garth, Caitlin Walsh, Luke Henry, Jenny Mouat and Belinda Ferguson (SDNA), as well as a shout out to Travis Switzer who has worked closely with all the clubs on club development to deliver a lot of grants and up skill the governance at many clubs.

I'd like to thank the Board for their support, led by our chairman Marc Gauci, and all the SFNL Member clubs, as well as all the volunteers for embracing the fluid nature bouncing back since covid, we could not have got through without all of your support.

I'd also like to thank the League Partners, to the Bendigo Bank, who have been great supporters of ours here at the Southern Football Netball League and we hope to continue that partnership well into the future

To the Sandown Greyhounds, we thank you for your ongoing support of our League and also for hosting our League Presentation night. To Blackchrome, thanks for your support with the on-field game day Apparel. Glenn Carter and the team from Gameface for our media work, we thank you.

Also a shout out to our other partners Red Rooster, Mosh Men's health, Ivans Pies and Top Notch Trophies, Sherrin and St Kilda Football Club.

# CEO REPORT

I would like to thank our Umpires, to our director of umpiring Glenn Emery well done on your work, for the first time ever we didn't miss an appointment for the year, an incredible effort and a special mention also to our many Netball umpires, always a difficult task to fill all games and we will continue to upskill and mentor/coach the umpires to improve.

Our relationship with the St Kilda Football Club is one of strength, we are now working with them on Community initiatives, Commercial Opportunities and sharing services such as IT, Coaching and Trainers opportunities and our successful Development programming, giving league participants the opportunity to participate in the program that gives them a first hand look inside an AFL club with both on and off the field education over a period of 8 weeks. We would like more commitment from clubs towards this program which will kick off in March 2024 again

I am pleased to say we have been working very hard in the Under 19 space with the help of AFL Victoria. We're optimistic in our U19 growth for 2024 with several clubs in the position of returning to this competition. We hope to increase the women's football teams and netball teams again in 2024.

I look forward to seeing you all at the football and netball in 2024, enjoy the off season and thanks again for making our league a strong and prosperous one.

Lee Hartman  
SFNL Chief Executive Officer

# FINANCE REPORT

The SFNL 2023 financial result achieved a surplus of \$3,600 which was lower than our 2022 surplus of \$37,172. Our underlying operating result remained healthy with our 2023 result being affected by RSEA Park costs and a netball cost that was backdated to 2022.

Highlights of our 2023 results are set out below:

Our turnover of \$2,237,560 was an increase of \$203,268 from \$2,034,292 in 2022. The main factors were:

- There was a significant increase in merchandise turnover of \$143k or 35%. The net margin for apparel increased by \$32k. There were increases in sales across all lines of apparel.
- We had another record year for finals income of \$377k, an increase of \$33k over 2022 which itself was a record year.
- Umpiring income increased by \$60k on 2022 levels which was in line with the increase in umpiring costs.
- Club insurance revenue increased by \$35k in line with the increased cost of insurance. The AFL reduced insurance costs in 2022 to assist in the recovery from Covid. Insurance revenue and cost returned to normal levels in 2023.
- Grants were \$55k which was \$62k lower than 2022. Grants in 2022 included covid related grants no longer available.
- Netball Income rose by \$31k due to an increase of teams and umpire fees from 2022.
- Affiliation fees, netball fees, sponsorship, media income, function income were in line with expectations and 2022 levels.

# FINANCE REPORT

There was a corresponding increase in the League's expenses to \$2,233,960 in 2023 which was an increase of \$236,840 from 2022. Some of the items of note are:

- The cost of merchandise increased by \$111k in line with increased sales.
- Insurance costs increased by \$33k returning to normal levels after the cost reduction in 2022.
- Umpiring costs increased by \$65k mainly due to a 5% increase in umpiring rates in 2023, no byes and a greater level of umpiring appointments fulfilled in 2023.
- Netball expenses increased by \$41k primarily due to \$21k of court maintenance fees being paid to SDNA in 2023 which included the 2022 amount as well. The 2022 SDNA costs of \$11k were invoiced in March 2023. Umpiring expenses increased by \$17k.
- Finance and admin costs increased by \$31k primarily due to \$18k of RSEA oval maintenance costs being charged in 2023 which related to both the 2022 and 2023 years. There were also one-off club rebates paid in 2023 totalling \$14k.
- Media costs were lower by \$19k than in 2022 due to fewer reserves games being filmed (which were then on invoiced to clubs).
- Employment, function costs, finals costs, filming of games expenses, development costs, depreciation costs moved in line with the previous year and expectations.

Our strong net asset position continued to improve as the Financial Strategies implemented over recent years deliver a more consistent and reliable business outcome.

Importantly our club receivables continue to be a challenge by some member clubs to manage their finances. The improvement in this area is critical for the sustainability of the SFNL and congratulations to those clubs that continue to meet the payments on time.

# FOOTBALL REPORT

After an uninterrupted season in 2022 and completing our first finals series since 2019, the league was thrilled to have another full season including finals in 2023.

It certainly hasn't been an easy couple of years for community sport. This year saw a lot more normality as clubs getting back into the rhythm of week-to-week football. It was fantastic to visit a lot of the clubs throughout the year and feel the passion that they bring to their club and community sport. A lot of hard work goes into the season by all of our clubs, volunteers & umpires which ensured the running of a smooth and successful season.

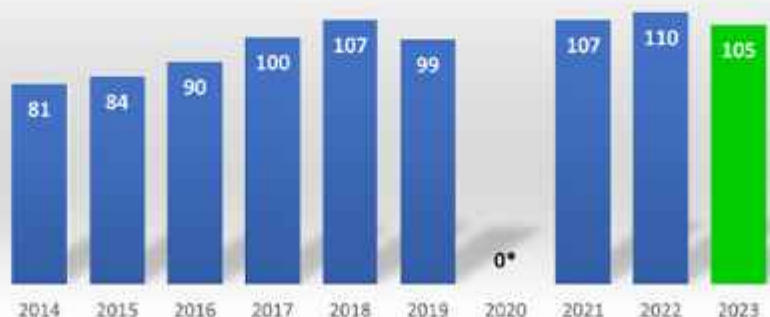

## Competition Growth

The league saw Hallam depart prior to the 2023 season for AFL Outer East whilst we welcomed Heatherhill into the Thirds competition for their first year as a football club.

The SFNL provided the opportunity for 4,284 registered participants across 39 member clubs to be involved in organised community football in season 2023. This was made up of 3,853 male players from 93 teams and 431 female players from 12 teams from 11 member clubs. Overall participation numbers were slightly up from 2022, however we saw a small decrease in team numbers. Our Under 19's competition went from 13 to ten teams and Women's competition from 15 to 12, whilst our Thirds competition increased from ten to 14 teams.

The league is looking forward to the continued growth of all competitions going into season 2024. Overall team numbers in football were slightly down from 2023.

10 Year Football Growth - Teams

# FOOTBALL REPORT

## Development Squad

In partnership with the St Kilda Football Club, the League delivered the third year of the SFNL Development Squad. The Development Squad provided our competitions most up and coming male and female players with the opportunity to be trained and educated by some of the industry's elite professionals.

The program was delivered by Coaches, Brad Crouch and Selena Karlson over 6-8 weeks and consisted of a mixture of on-field drills and off field presentations from experts in the AFL industry including St Kilda AFLW Captain Hannah Priest.

The League was thrilled to be able to use RSEA Park for the on-field sessions and for the off-field sessions the group was lucky enough to use the Danny Frawley Centre facility such as the lane pools for recovery sessions and the meeting rooms for the off-field development sessions.

Below are some of the on-field skills and off-field presentations that the group went through during the program.

### On-Field Skills & Development

- Kicking biomechanics
- Ground balls technique
- Goal kicking preparation
- Body work technique
- Handballing craft
- Transition

### Off-Field Skills & Development

- Leadership & professional standards
- Performance nutrition fundamentals
- Mental preparation
- Welfare & Lifestyle
- Gameday Recovery

I would like to thank the Brad and Selena for their invaluable contributions to the development of our SFNL talent. Furthermore, I would like to extend a thank you to Matthew Crozier from the St Kilda Football Club for his support and assistance in the running of the program.

# FOOTBALL REPORT

## Club Sustainability Program

In order to maintain, support and grow Australian football at the community football level it is important that teams fielded by community Clubs are as strong and well matched as possible.

The 2023 season marked the eighth year of the state-wide Community Club Sustainability Program (CCSP) with the enforcement of both the Player Points System (PPS) and Player Payment Rules for all Senior Men's grade competitions.

## Player Points

Each Senior male player is allocated a points value between 1 and 6 which is objectively determined by the level of football that player has played over the current and previous three seasons. The League continued to assess and enter all player points values in GameDay.

The total player points budget per Senior team remained at 46 points from the (2022) season. The below table outlined the averages for all Senior teams by division in 2023.

## 2023 SFNL Team Player Points Allocation (Averages)

COMPETITION	COMP. PPA AVG.	CARRUM PATTERSON LAKES	LADDER POSITION	LOWEST PPA	HIGHEST PPA	PPA AVERAGE

# FOOTBALL REPORT

## Player Payments

The support for community football competitions and participating Clubs and the opportunity for players to develop and display their skills depends upon those competitions being conducted between evenly matched and financially viable Clubs. The pursuit of these objective assists in attracting and maintaining the interest of players, supporters, officeholders, sponsors and volunteers, all of whom are essential for community football competitions and Clubs.

To assist in achieving these objectives, the Southern Football Netball League (SFNL) has Adopted the Player Payment Rule (PPR) in which the player payment allowance (salary caps) outlined below were enforced in 2023 to ensure each Club could compete equitably and sustainably.

Division 1- \$110,00 (maximum cap for all Metro Leagues)

Division 2- \$80,000

Division 3- \$40,000

Division 4- \$30,000

AFL Victoria in conjunction with the League completed several reviews of SFNL Member Clubs throughout the season to ensure the Player Payment Rules were being adhered to and that all submissions were accurate and timely. I would like to thank all Member Clubs that were selected to participate in the audits for their cooperation and assistance in facilitating this process.

I would also like to thank the AFL, the appointed Integrity Officer and all Member Clubs for submitting the budget and player declarations as per the requirements with the Player Payment Rules & Guidelines Policy.

## Tribunal and MRP

The League continued with its robust Independent Tribunal and Match Review Panel (MRP) procedures for 2023. This was underpinned by the invaluable return of key appointments to ensure consistent outcomes were achieved and met with community football expectations.

On-field behaviour was once again outstanding and was certainly an improvement from the previous season. Any incidents throughout the year were addressed quickly by the League with the cooperation and full support of the Member Clubs involved when it came to Set Penalties, MRP & Tribunal.

# FOOTBALL REPORT

The Independent Tribunal was again led by Chair Andrew Lefebvre and was ably supported by seven Panel Members over the course of the season. Iain Findlay continued in his role as the Appeals Chair and Kim Brimelow commenced his fourth year with the SFNL as the League Prosecutor. All appointments once again demonstrated their immense experience and professionalism in support of the League's disciplinary procedures which is highlighted by the achievements below.

The SFNL made a total of 102 reports under the Laws of Australian Football and the League By-Laws of players and officials during the year which was a 4% improvement on last season. Of the total 102 reports, this accumulated a total of 177 matches in suspensions being handed down, which was a 38% improvement from last season which shows the behaviour within the league is certainly increasing.

There was a total of 25 Independent Tribunal Hearings in which 21 of the cases were found guilty resulting in 64 matches in suspensions. The Match Review Panel (MRP) laid 29 charges in which 21 set penalties were accepted and 8 were sent to the tribunal in which all were found guilty and resulted in 52 matches of suspension. The League brought in a new multiple card rule for 2023, where if a player received 3 Yellow or Red cards in the same season, they were automatically given a 1 match suspension.

There were 390 yellow cards given out on matchday which resulted in 12 players being suspended under this new League rule.

The League would like to thank the entire Independent Tribunal, the MRP, Kim Brimelow and Iain Findlay for their dedication of time, efforts and commitment League.

## Finals

After a successful finals series in 2022 the first one since 2019, the League was again looking forward to another successful finals series for all clubs, players, coaches, umpires & volunteers involved.

The League was blessed with incredible weather over the seven weeks of finals which was based across 5 venues. The League saw some fantastic numbers come through the gates throughout the 5 venues.

We saw over 10,000 people over the 6 days at RSEA Park which just showed the incredible support for our participating clubs and the League. An incredible amount of work is required to successfully deliver a Final Series. On behalf of the League, I would like to thank the St Kilda Football Club and the following host Clubs and volunteers that worked tirelessly over the seven weeks of football Finals

# FOOTBALL REPORT

- Mordialloc Football Netball Club – Division 2 & Thirds Finals
- Skye Football Netball Club – Division 3 Finals
- Heatherton Football Netball Club – Division 4 Finals
- Endeavour Hills Senior Football Club – Women's Division 1 & 2 Finals

Twenty-six out of our 39 Member Clubs competed in the 2023 SFNL Finals Series across the 12 grades of football which is a great representation of the League. What is pleasing to highlight was the competitiveness of all matches as teams were evenly matched throughout the Final Series. The average winning margin for the entire Final Series was 28.1 points.

A special congratulations to the 8 Member Clubs and 12 teams that achieved the ultimate success in season 2023.

To all the committees and wonderful volunteers who contribute so much value at your Club, our competition and wider community, thank you once again for your unwavering support. Your demonstrated commitment and effort that ensures each year is a continued success is truly appreciated.

I would like to thank the SFNL team. To my colleagues Lee Hartman, Caitlin Walsh, Wes Garth, Travis Switzer, Jenny Mouat & James Mouat. Thank you for support and congratulations on a very successful year. To Glenn Emery, Adam Marrow & Peter Marshall thank you for support & leadership of our Umpires for another year.

A special thank you to David Jennings who departed the SFNL mid-season to take up the role of WRFL CEO. Thank you for being a great mentor and for helping me grow in the role.

I look forward to an exciting and to a bigger and better year in 2024.

Luke Henry  
Football & Admin Coordinator  
Southern Football Netball League

# NETBALL REPORT

We had over 100 teams entered for this season, leading to the development of our 13th division. We welcomed entries from 33 Clubs and for the first time, teams from South Mornington FNC and Noble Park NC. In what must be a first nation wide, we did not cancel any games this season due to the weather, and even managed some relatively sunny afternoons late in the season. The league had a record 1465 registered participants, including our players, coaches, umpires and Club committee members.

Carrum Patterson Lakes and Lyndhurst hosted games for the first time at their new home courts. They join St Kilda City, Keysborough, Mordialloc, Hampton Park, Port Melbourne Colts, Cranbourne, Edithvale-Aspendale and Doveton Doves in being able to host matches at their home ground.

Following the updated Netball Australia Uniform Guidelines, our Clubs were encouraged to include other uniform items in Club colours besides their playing dress. We saw many pairs of leggings and long sleeve tops during the Winter months, particularly during some of our fixtured night games. In particular, Edithvale Aspendale NC included a full suite of items for their players to choose from including shorts and singlets.

Murrumbeena once again celebrated NAIDOC week by hosting their Round 12 match ups against Springvale Districts (A2), St Kilda City (B1) and Skye (C3) at Duncan McKinnon Reserve. The evening included the competing teams and umpires gathering for a smoking ceremony and recognition of the Bunurong people, on who's land we were gathered on.

Our Annual Pride round was celebrated in Round 8 between St Kilda City and Dingley in A2. Both teams wore commemorative bibs to signify the inclusion opportunities that the league provides in our netball competition. South Yarra also hosted their Pride Round during Round 10.

At our Women's Grand Final Breakfast we saw the A1 Team of the Year, and for the first time, A2 Team of the Year awarded to our netballers, voted by the coaches of each division. Nine different Clubs were represented, with AJ Ballantyne (Dingley) and Rod Tatter (Murrumbeena) named as coaches of each respective team. It was fantastic to hear from special guest, Australian Diamond and Queensland Firebird player, Kim Ravaillion and her daughter Georgie.

# NETBALL REPORT

In terms of individual accolades, for the third straight season, Bella Hodgson was our A1 Leading Goal Scorer. We had 3 division leading goal scorers with 500 or more goals – Sam Gabriel (A2 Springvale Districts), Felicity Joe (A4 East Brighton) and Tegan Ryan (C1 Springvale Districts). Paris Tatter (A2 Murrumbeena) and Natahlia Poli (C2 Dandenong) were named Best & Fairest for the second year running.

On Grand Final day we celebrated first time Premiers, St Paul's McKinnon, Bentleigh, Skye and Springvale Districts. As well as first time Grand Final winner, Frankston Dolphins (minor premiers in 2021 due to the shortened season). We had 20 different Clubs represented on Grand Final day, the most we have ever had and it is a great sign of how our league has developed. Hampton Park and South Yarra felt that winning feeling twice on the day, taking away 2 Premierships each. Cheltenham become the 4th Club in the league's history to win an A1 Premiership, defeating Dingley in the Grand Final, in what was a repeat match up from 2022.

Our A2 Grand Final played into over time with St Paul's upsetting Murrumbeena in the final minutes. Our Netball Club Administrator of the Year was awarded to Kristal Kitto, St Kilda City FNC Netball President. Kristal is a great leader of her Club and manages all aspects of netball for St Kilda City. St Kilda City entered 4 teams into our competition this year and tick all the boxes in regards to competition requirements. The Club enjoys hosting home games and go above and beyond in regards to umpires supplied. Kristal, and Head Coach, Mel Starr, are always seeking to better their netball program and develop their players.

This year there was a major focus on supporting our Club's requirements to provide umpires for our competition, which resulted in 15 brand new umpires. Led by our senior mentors, Marilyn Myszka, Amy Gifford, Chelsea Smith, Caitlin Myszka, Emily Myszka and Caitlin Rodwell, a comprehensive introductory program was developed and implemented across the season to support and guide our beginner umpires. Umpire coaching was also significantly increased with the help of our more experienced umpires this season. We worked very closely with the Springvale District Netball Association to provide opportunities for their junior umpires to work towards and achieve their C Badges, congratulations to Milly Hughes, Charlie Hughes, Alice Gough, Leighton Miller, Neriah Foster Jonassen, Leila Tebb, Charlie Wilson, Tahlia Roberts and Poppi Sherlock. We also awarded Sarah Kennedy (St Kilda City) her C Badge during the season.

# NETBALL REPORT

For the first time, the league introduced umpire awards to reward and recognise the skill and commitment from our excellent umpires.

Umpire of the Year: Caitlin Myszka (Edithvale Aspendale)

Most Improved: Milly Hughes (Springvale District NA)

Best New Umpire: Juliana Bedggood (Carrum Patterson Lakes)

Community Umpire Award: Amy Gifford (Port Melbourne Colts)

None of this would be possible without the encouragement and knowledge from Lyn Wilkosz and Kim Pentreath, whom have been my biggest supporters during the season.

Thank you to all of our Clubs and umpires for their continued support during my first year with Southern, it has been a pleasure to get to know you all and am looking forward to season 2024.

Caitlin Walsh  
Netball Operations Coordinator

# UMPIRES REPORT

I firstly want to acknowledge Lee Hartman, David Jennings, Travis Switzer, Luke Henry and Wes Garth from the League and thank them for all their support and efforts throughout the season. They were always available to provide advice and make my job easier which was greatly appreciated.

The year was highly successful with our group showing tremendous growth in our numbers in all facets of field, boundary and goal umpires. This resulted in all field umpire appointments being filled 100% for the entire year as well as in the boundary, for the first time in many years.

In numbers our field group increased to 102 (78 in 2022), Boundary umpires 91 (43 in 2022) and Goal Umpires 52 (42 in 2022). In addition we sent the most field umpires of any group in Victoria (6) to the VFL and (1) Goal Umpire. Whilst this left a significant hole in our numbers at the elite end of our group it also provided significant opportunity for the next tier to train hard and be rewarded with quality opportunities within the season and in finals.

We also achieved significant growth in our female umpiring numbers in 2023 in both the field and boundary. We had a record number of female umpires be appointed to Grand Finals (3) in the Field, (3) in the Boundary and a further (2) as Goal Umpires. The AFL recognised this growth by approaching me during the season and offering the league a AFL funded Female Liaison Manager role which was taken up by Kaye Johnson to focus on umpire recruitment, retention and support. We also provided an opportunity to all clubs to be visited by the leadership of our group at preseason training which was taken up by a number of clubs and hopefully provided clarity around rules and improved their relationship with the umpiring group.

# UMPIRES REPORT

I would like to thank all my coaching team for all their efforts throughout the season. At times it can be a very intense role which requires significant time and effort to ensure the correct message is being passed on to our group. All coaches applied themselves without question to the numerous expectations of the role which started back in the first week on February with the commencement of training

I want to also acknowledge the significant efforts of the SFNL Umpires Association led by Travis Thompson and Tony Levett and the committee. I found my dealings with Travis and Tony were always positive thoughtful and supportive and made my job so much easier throughout the year.

The relationship with the SMJFL must be recognized and must continue to develop. The SMJFL is the progression for the young Umpires to develop and feel safe before moving into senior football. Without question our connection with the SMJFL and providing that step to senior football will determine the size and health of our senior group for years to come. If we do not strive to maintain this connection in e.g. using the same training venue this will have an impact over the ensuing years.

To all Umpires who signed up, I genuinely hoped you all enjoyed their experience, made new friends and I look forward to seeing you return in 2024.

Many thanks for your commitment.

Glenn Emery  
Director of Umpiring  
Southern Football Netball League

2023 was arguably our biggest yet when it comes to media, as the Southern Football Netball League, continued their media partnership with GameFace who looked after the league's social media content, as well as weekly articles via the league's website. Updating the wider community with weekly graphucs of scores from both the football field and netball courts, as well as the ladders, to make the SFNL Facebook and Instagram pages a source of information for everything you needed

In 2023, we attempted to get as many featured games involving all our clubs from across the four divisions to show that no matter if you're playing first division or fourth division, that we want to promote our league on all accounts. With 52,761 views on GameFace's streaming platform, Streamzone, we are looking to make that number even larger in 2024, covering men's and women's football, as well as netball.

We had feature matches across Anzac Day weekend, Kings Birthday weekend, as well as Indigenous Round, with a number of clubs taking part in designing new jumpers to commemorate specific events.

We also launched the Game Changer Round this season, which saw a number of SFNL clubs getting on board to raise awareness for suicide prevention and mental health awareness. Seeing a number of clubs linking arm-in-armwearing their Game Changer beanies was moving to say the least.

## ClubZone Finals LiveStreams

Hundreds of people tuned in from around the world to watch the 2023 Southern Football Netball League's finals series as we covered every final played across the month of September. Matches were streamed from five different venues and resulted in some great memories for all players to cherish.

Congratulations again to all the 2023 Premiers who shined on the big stage.

## Photography

Some of the best photos you'll see were taken across the Southern Football Netball League 2023 season, which saw some create some banter, and some create some great opportunities for the photographers themselves as photos from Lachie Chugg, Jordan Oliva and Ed Jones all featured on the AFL's Facebook Page throughout the season.

Being able to capture many moments from on the field and on the netball court from big celebrations, to those premiership winning moments were highlights and an honour for Frankie Photography and co.
