# WHAT'S HAPPENING AT SFNL HQ?

DAVID CANNIZZO, SFNL CEO

@SFNLCEO

### End of Player Transfer Period

Football player transfers open on the 1st February each year and close on the 30th June. Operationally, the SFNL oversees all football player transfers and monitors the movement into and out of clubs.

I am pleased to report the 2016 net result of football players into the SFNL as 472 (compared to 366 in 2015). This number incorporates a total of 1055 players into SFNL Clubs and 643 out of the SFNL Clubs. Recruiting by division is very healthy with a net gain of 69 players into Division One, 82 players into Division Two and 239 players into Division Three (noting 76 players went to start up club Lyndhurst).

Key highlights:

#### Division 1

Highest recruiter – Cheltenham 62 in / 29 out = Net gain 33 players

Lowest recruiter – East Brighton 31 in / 40 out = Net loss 9 players

#### Division 2

Highest recruiter – Hampton 36 in / 15 out = Net gain 21 players

Lowest recruiter – Skye 12 in / 17 out = Net loss 5 players

#### Division 3

Highest recruiter (after Lyndhurst) – Endeavour Hills 42 in / 16 out = Net gain 26 players

Lowest recruiter – Dandenong (26 in / 27 out) = Net loss 1 player

Junior leagues continue to be the most popular recruiting source with:

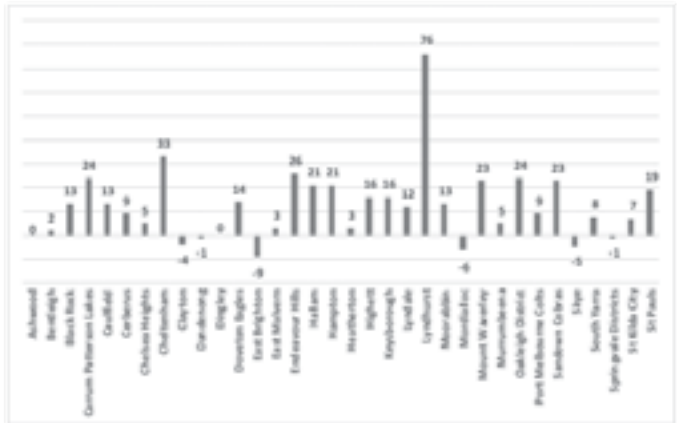

- 101 of all transfers into SFNL coming from the South Metro JFL

- 58 of all transfers into SFNL coming from the South East Juniors
- 29 of all transfers into SFNL coming from the Frankston & District JFL

In summary, approximately 23% of all transfers into SFNL are from junior leagues and 42% of these transfers are to SFNL clubs who do not have an Under 19s team. This is an extremely pleasing statistic for the future with plenty of youth talent emerging.

*Special note of thanks to SFNL Special Projects resource in Glenn Macdonald for maintaining the transfer statistics.*

# DIVISION 1: FRONT & CENTRE / WILL HUNTER

It was a huge afternoon at Meade Reserve on Saturday as Clayton celebrated the extraordinary 350th game of club stalwart Corey Pearce.

But although Pearce's reserves side couldn't salute in his milestone match, going down by less than a kick, the Clays' seniors, no doubt inspired by the exuberant crowd that included a copious number of former Clayton luminaries, rose to the occasion to record a stunning upset over the fancied East Malvern.

Meade was a slow and heavy track owing to the deluge that Melbourne copped during the week, but Clayton mastered the conditions to run out 7.16 (58) to 6.13 (49) winners.

The tackling pressure from the black and whites was absolute ferocious, particularly after the long break, which perhaps caught the Panthers unawares as they were unable to get their normal game going.

The two sides were neck and neck for much of the low-scoring second half before Daniel Kirby's goal at the 14-minute mark of the last quarter edged the Clays ahead. The home side then held the Panthers at bay in the final minutes to record a stirring victory and keep their finals dreams alive.

Clayton ruckman Trent Papworth was simply colossal, both in the air and around the ground, while Chris Morrison and Dean Scanlon continued their good form at his feet.

Papworth's opposite number in Matt Terech was one of the standouts for East Malvern alongside raging bull Nathan Robinson.

Over at Bentleigh Reserve, the Demons proved too good for Cheltenham, claiming a 13.7 (85) to 6.8 (44) victory and second spot on the Division 1 ladder.

The young Rosellas entered the clash on the back of an unexpected three-game winning streak, and started in a positive fashion. They kept the hosts on their toes early, with just one major splitting the combatants at the main break.

However, Bentleigh stamped their authority on the contest with five goals in the third term to distance themselves from the plucky Chelt side.

Bentleigh's Pat Nicholls finished with a bag of five goals against his old mob, while young Saf Balic and the experienced Scott Lawry were also exceptional.

Renny Trainor and Jack Barclay were among the visitors' best.

Around the corner at McKinnon Reserve, Dingley ruthlessly crushed a disappointing St Pauls outfit 19.8 (122) to 2.13 (25)

The Dingoes were simply unstoppable around the ground, with Kane Davidson and Josh Ferguson particularly prolific through the midfield. They kept the Doggies goalless in the first half, by which stage they led by an insurmountable 61 points.

Calhan McQueen also dazzled up forward with six goals for the winners in a welcome return to form.

St Pauls pair David Hutchinson and Jay Ting never stopped trying all afternoon.

Meanwhile Oakleigh District has ended a run of three consecutive losses with a comfortable 15.11 (101) to 8.7 (55) triumph over St Kilda City at Princes Highway Reserve.

The Saints were industrious early, and their opening term efforts were rewarded with a 10-point quarter time lead.

However, a blistering five-goal-to-nil second term gave the Oaks the ascendancy, and from there they overwhelmed the Saints with another five goals in the last quarter sealing the four points.

Jake Mullen returned from suspension with his best performance yet for the Districts, kicking two goals in a scintillating best-afield display. Dave Velardo and Brody Hodic also combined for seven majors.

St Kilda City were well served by the valiant Aaron Green and Henry Sullivan.

And it wasn't the celebration East Brighton were hoping for as Mark 'Jewie' Jamieson overtook Ross McCulloch as the club's games record holder, mercilessly thrashed by Mordialloc to the tune of 169 points at Ben Kavanagh Reserve.

The game was over as a contest by half time as a 10-goal second term lifted the home side to 88-point advantage, en route to the 27.12 (174) to 2.3 (15) demolition.

Bloods spearhead James Morris had a day out with 10 sausage rolls, while Matty Ravenall booted eight to snare best afield honours ahead of Beau Turner and Simon Fragiaco.

The man of the moment Jamieson was serviceable, but Ryan Cosgrave was voted the Vampires' best.

## ROUND 12 PREVIEW

### EAST MALVERN vs MORDIALLOC (Dunlop Reserve)

There is plenty on the line in this one as Mordialloc eyes East Malvern's spot in the top three.

The fourth-placed Bloods' humungous win over the Vampires helped bridge the gap in both points and percentage, with the Panthers now sitting just four points clear in third spot, a position they will relinquish with defeat on Saturday.

This is no doubt a huge jump in class for Mordi, so they simply cannot afford to get ahead of themselves. This was no doubt the Panther's undoing last week.

East Malvern are a much tougher prospect at the Zoo, but it's hard to ignore Mordialloc on their form in the last month.

The Bloods in a nail-biter.

### CHELTENHAM vs DINGLEY (Jack Barker Oval)

Beaten, but far from disgraced against a terrific opponent in Bentleigh, there is now plenty of optimism around this young Cheltenham side.

However, challenges don't come any bigger than the Dingley juggernaut they will face this week.

The formidable Dingoes have match-winners on every line and should easily account for the Rosellas.

### CLAYTON vs OAKLEIGH DISTRICT (Meade Reserve)

Another huge day at Meade Reserve with two local rivals resuming hostilities in a turf war that began back in the halcyon days of the old Federal league.

And this latest black and white battle between the Clays and the Oaks will have major ramifications in the context of season 2016 as both sides chase September action.

Rousing victories to both sides last week reignited their finals chances, and sees them locked in a tense three-way fight with St Pauls for the last spot in the top five. The Oaks currently have a tenuous hold on that all-important fifth spot, with all three sides level on 20 points.

Prior to last weekend, neither side had been in particularly good form, but the significance of the Clay's last-start scalp in East Malvern cannot be overstated. It was as impressive a performance as we've seen from Clayton in quite some time, and is enough to sway my tip their way.

### ST KILDA CITY vs BENTLEIGH (Peanut Farm)

With second spot secured for now, the Demons aim to solidify it with a percentage-boosting win over cellar-dwellers St Kilda City this week.

The Saints have been disappointing to say the least so far this year, with just two wins from 11 games. And there probably won't be much for their fans to look forward to in this one either; Bentleigh will win by plenty.

### EAST BRIGHTON vs ST PAULS (McKinnon Reserve)

This Saturday's Foundation 49 Cup clash perhaps lacks the preponderance that it has had in recent years when East Brighton and St Pauls were winning flags as Division 1 powerhouses.

The Vampires find themselves anchored to the foot of the ladder and have been the whipping boys of the competition in recent weeks. The Dogs were also thrashed last week, but won't get a better opportunity to return to the winners' list than this.

Expect a sizable victory to St Pauls, and a much-needed percentage boost to aid its pursuit of another finals berth.

Your wedding day is as important to us  
 as it is to you

The team at Woodlands are here to pamper you on your special day and will happily organise anything that you require.

Established in July 1913 on 150 acres of land belonging to Count Fonceca's Mayfield Estate, our prestigious private golf club, steeped in tradition and history, is now one of the leading clubs in Australia.

Set amongst landscaped gardens, manicured greens and fairways, the Clubhouse was first built in 1927 and was modernised in 2010 at a cost of \$8 million. Whilst major renovations were made the original charm and atmosphere were retained.

An ideal backdrop for photographers, the natural setting is the perfect place for bridal party and family photographs. You may choose to have refreshments and canapés served on the Terrace or congregate in the Main Foyer to enjoy the beauty of the gardens or sunset over the 18th Green.

With the versatility of our Dining Room we can cater from 80 -280 people. Your guests will enjoy the finest cuisine in spacious air conditioned comfort, served by our professional waiting staff.

When the time comes for dancing, our portable dance floor can be located to best suit your seating plan. We will also endeavour to meet any special requests and requirements you have.

## DIVISION 1: CLUB NOTES

**DINGLEY** A somewhat soporific contest at the kennel, where a youthful and undermanned St Pauls squad had no answers for the much more experienced Dingoes, who were also boasting some youth in the form of 17 year old debutant Nick Lloyd, replicating the effort of his brother Adam a couple of years back. With the scoreboard imbalance established early, there was precious little to excusitate the meagre crowd, save perhaps for a few trademark leads, leaps and grabs from the ever effervescent "Dream", whose bag of six kept him in the leading pack chasing goalkicking honours. Kane and Kristen kept up their good form, and Josh Ferguson produced his best game for the club so far.

**MORDIALLOC** The day of round eleven dawned fine and sunny and perfect for sport. And it proved to be a day of mixed results, with the firsts in both football and netball in particular doing plenty to assist their finals aspirations.

Our top netball team played CPL and turned on a clinic in the first quarter, leading 17-4 at the first break, and although the rest of the game was a little more even, we still managed to increase the lead at every break to win 50-26. Two of the better shooting combinations in the competition were on show here but Mordialloc controlled the mid-court to give our shooters better opportunities than CPL's. The seconds took on high-flying Dingley and pushed them all the way before going down by 34-25. These girls have shown noticeable signs of improvement in the past few weeks and have some quite winnable games to come in the late rounds of the season.

### ST KILDA CITY

Unfortunately no wins for St Kilda City in the football this week with all three times being defeated by Oakleigh District.

Another tough game in the Seniors for St Kilda City, going down to Oakleigh District 55-101. Best for city were: H. Sullivan, A. Green. D. Harrington, D. Ella, K. Powell, A. Purvis

St.Kilda City 11 goals 7 points = 73.Oakleigh District 14goals 5points=89. Best for City: B.May, C.Lalotoa, B.Frazer, J.Helman, M.Habashi, B.Grimison. Goals: B.Frazer 4, M.Habashi 3, B.May, J.Mateariki, J.Symons, L.Baillie all 1.

Another upset in the under 19s with City losing to Oakleigh District; 41-67. Best for City were: J. O'Hehir-Vargas, F. Addi, F. Addi, K. McMillan, S. Wood, F. Guiney-White.

City had a strong competitive week in the netball, getting more wins across the board this week.

It was more of the same for the reserves, who kept their unbeaten record intact. The effort of the U19s to get within 12 points of the side sitting third was undeniably meritorious, and, despite the fact that finals are out of reach, pointed to some good results to come. The Thirds snuck in and remain entrenched in the "five", whilst Div One netball had a narrow loss to arch rivals Heatherton. With finals now only four games away for the girls, most of our teams are in a position to be part of the playoffs.

It was heartening to see Robbie Rusan up and about after his sickening KO the week prior, and he is likely to be back this week to demonstrate his explosive pace at Weatherall Road. He is likely to be joined

The thirds played table toppers Heatherton, and although the score against us said 34-14 Mordialloc more than matched their illustrious opponents in the last quarter to take some real positives into next week's clash with Cheltenham. In talking to a few of the girls I am told that they are enjoying their season and learning a lot. Our second under 19 side took on the ladder leaders Dingley, and while we only racked up ten goals ourselves we kept Dingley to 36 which not many sides have been able to do. And our first under 19 side had an excellent 46-20 win over Skye to complete a day of many positives for the netball division.

The football seconds took on a powerful combination Bentleigh-East Brighton side. Inaccuracy cost us early on, with both teams having nine scoring shots in the first half but the Combine kicking four goals to Mordialloc's one. We stayed with our opponents in the third quarter but seven goals to one in the final term was more

City division one Netball had a great start against Keysborough taking a 2 goal lead into the first break. An ordinary second quarter gave Keysborough an 8 goal lead at half time which the City girls could come back from.

Division two weren't competitive all day but there were some promising signs trialling new combinations against the strong Dingley team.

Division three had a great game winning against Skye, 58-28.

Division four girls played a tough game coming from 7 down to draw against Lyndale. Lucie Webster had a best on performance in goals and midcourt while Kimmi Sharam and Jenna Dean played an outstanding 8 quarters for div 3 and 4.

Division 5 had a very hard and physical game this week against top team Black Rock. Going down by 8 in the first quarter we came back to lead by 9 at half time. But

by Frosty, returning from his two-week sojourn in the gambling capital of the world. With a favourable meteorological outlook, and the journey to neighbouring suburb Cheltenham irrefragably unable to be labelled an odyssey, the hope is for a voluminous and vociferous Dingley contingent to make the short trek to cheer the boys on this week.

than enough to deliver our opponents with the four points. The result leaves us eight points out of the finals places, but with seven games to go and two of the top three sides out of the way, we're still a finals chance.

The firsts had no such problems on the day. We all know of East Brighton's struggles, but the pleasing thing is the way that we kept going right to the end of the match and put a side away on the scoreboard, something that we've not always been able to do. At the other end the defence stood up again to keep East Brighton to two goals themselves. Our key forwards had decent days out, with James Morris kicking ten goals and Matt Ravenall eight. Beau Turner, Simon Fragiacom, Nick Lawrence and Rowan Andrews were among the best on the day. East Malvern next week provides a stern test, and we shall again need to be at our best to bring home the points and maintain our finals charge.

we lost composure and in the end it was a 41-41 draw. Great game but lots to improve on if we want to make finals.

After three consecutive losses for City division 6, they came out strong against Hampton to lead convincingly throughout the match. Stellar performances from shooters Julie Telfer and Kirstin Brice. GO CITY!

## DIVISION 1: CLUB NOTES

### EAST MALVERN

#### Reserves

On a wet and muddy day down at Meade Reserve, The Reserves were looking to get back on the winners list in what was to be a tough and scrappy contest against Clayton.

The first half of the game was fought in close with the Reserves working hard for one another but due to some poor decision making and discipline leading to turnovers in bad areas, Clayton were able to take an 11 point lead into the main break.

### EAST BRIGHTON

#### Seniors

Another very long day at the office. Celebrating Mark Jamieson's record breaking achievement could have been a lot more fun if more of a contest had been provided. Instead a familiar inability to score marred by continual turnovers ruined most of the very best efforts. Once again basic errors from players that can do better. Best players were difficult to find particularly when Mordialloc banged on 10 unanswered goals in the second term. Each individual must be feeling the pinch and all may seem forlorn but there can be an advantage in the previous performances in that no club will be expecting a full on assault. Maybe it's about time one was launched.

#### Reserves

After a slow start against a much improved Mordialloc the endeavour and possibly fitness proved to be the deciding factor. Pace on the larger ground was always going to present

### OAKLEIGH DISTRICT

At long last we're back on the winners list with all three teams winning on Saturday against StKilda City at Princes Hwy. The Unders got us off to a great start with a fantastic all the way win. It was clear from the start that we were going to be hard to beat. Reward for effort is what we got in a real confidence booster. Well done lads. The two's started a little slowly but took control in the second quarter to record a great and deserved fighting win. Not sure who sang the song louder of these two teams, very close call. And of course to top it all off the one's also after a slow start got on top and recorded a solid

### CHELTENHAM

A visit to Bentleigh and we were greeted by the first time this season a day not affected by either strong winds or rain. Must thank Dimma and the Bentleigh crew for their hospitality and the Bentleigh R.S.L. where the presentation of cup took place after the game.

**BENTLEIGH R S L Seniors:** A very hard fought first half here honours were shared until right on half time saw Bentleigh assert their superior strength and run out comfortable victors.

**ROYAL OAK HOTEL Reserves:** Played a vital game to decide a place in the top 3 and took the points after letting the opposition back into the game in the last quarter – but we were happy to take the 4 points.

**BOORAN HOLDEN SOUTHLAND THIRDS:** Ventured down Cheltenham Rd to Keysborough

The 3rd quarter saw us come out much stronger and full of energy as we started to maintain possession and link up some good passages of play to kick 4 goals to 1.

Knowing that Clayton would finish the game strongly on their home deck we managed to hold them off in the last quarter to come away with a 5 point win.

A solid win by the Reserves in the end with Brock, Turtle and Roughy leading the way.

#### Seniors

The seniors had a lot to play for this week

a problem for the Bloods and it took its toll in the final term when they ran out of legs. A good example of why training at any level is so important and a positive attitude is the norm. The Reserves can look forward to featuring in the finals series provided this form continues and the current level of enthusiasm remains.

#### Under 19's

A better performance against Cheltenham than the last time played can be viewed as a positive. Too many players, unfortunately, are yet to make the mental transition from junior to senior football. It is a clear as the nose on your face that in junior football often the most talented team will win the game, in Senior ranks that is not always the case. Winning games comes through preparation during the week and on match day. If you're not doing more than the bloke you're playing on in terms of preparation you start behind the 8 ball. Sheer ability might win 1 or 2 contests but over 100 minutes of football you'll get found out. Solution? Pretty simple really!

Sincere thanks and congrats to Karen for the very successful BONA day. She did a tremendous job. Thanks to all who gave so generously with attendance, raffle tickets, donations. Most particularly thank you to the jumper sponsors, Dom Carosella, Tony Pascuzzi and Dom Lucarelli. The jumpers looked sensational.

to kick the dew of the ground and through an even team performance gained a further win.

**NAUTILUS MARINE COLTS:** Got back on the winning track with a comfortable victory.

**GOODCHILD BUILDERS NETBALL:** Last week it was 2 wins but this week we suffered 2 losses. The Div 8 girls suffered the first loss of the year.

**CALTEX STAR SHOP VOLUNTEER OF THE WEEK:** Kay Faulks who gives freely of her time in the bar on Thursday nights and on home game days. Also attends Social functions to ensure nobody sneaks through the door. On top of this she arrives early on home games and helps out in the canteen. Again all of this is done as a volunteer and as we so often say our club is only as strong as its volunteers and at Cheltenham we must be very strong from the input of those like Kay.

against the resurgent Clayton. The track was heavy to say the least and the grass a good three inches long. Right from the start you could see Clayton were switched on and up for the challenge. It was a fierce close contest all day with Clayton proving too good at the end of the day. Their tackling and pressure was too much for our guys and they deserved their victory. To our players it is time to pull the finger out and work hard to get back into the winners circle, starting from Tuesday night NOT Thursday.

Better players were Robbo, Bubba, Kurt until he got injured and Jack Hammond.

## DIVISION 1: CLUB NOTES

### CLAYTON

Last Saturday was 'Pearcey's Day' as a true Clays club legend Corey Pearce played his 350th game for the club – now as playing-coach of our Twos. Our opponents East Malvern didn't read the script and Pearcey's boys went down by five points in a close and entertaining game. But our Ones made up for it with a hard-fought 9-point win over the second-placed Panthers. Our Thirds copped a hiding in their comp's hardest road – trip down at Cerberus.

With the return of today's opponent Oakleigh District to the Division 1 comp in 2016, a great traditional football rivalry is reignited. The two clubs have agreed to establish the Community Cup – to be the winner's prize each time we meet from today and into the future.

#### Clayton Hotel Seniors report

The spark was lit early on when Andy Ray drifted down from the backline and kicked two goals in a minute. From there it was a hot bed of aggressive tackling and attack at every contest by the Clays – that exposed the Panthers' Achilles Heel. Trent Papworth was the story of the day. His defensive body-crushing ruck work nullified his taller, better-credentialed opponent and his follow-up pressure around the

### ST PAULS

#### Netball:

It was a beautiful sunny day at Dingley for netball, where we hosted Benteigh. We started exceptionally well, breaking the first centre pass and scoring the first 4 goals.

Grace Healey was the star in front of goals, but was well supported with some classy passing from the mid courters. At half time we held a 17 goal lead but took our foot off the pedal in the 3rd term as Benteigh lifted to win the quarter, holding us to 4 goals.

But these Doggies never lie down and we fought our way back in the last term for a 7 goal win. Caitlin Lewis and Ann Cooper are getting better each week in defence and it was the accuracy of Grace Healey that made the difference.

The girls are looking forward to Ladies Day coming up on 30th July. Anyone interested please contact Meg Geschke on 0433 450 564.

### BENTLEIGH

By James Kiernan

Our seniors hosted Cheltenham in what is traditionally a hard fought battle. However, on this occasion the Rosellas were no match for our toughness, speed and Paddy Nicholls, who booted five goals to take his tally for the year to 40. The first half was as close as you would expect from these two sides with both teams forcing contest after contest as the two midfield groups battled it out. In the second half however we opened the game up with our outside pace, confident spread and dominant ruck work, from best on ground Saf Balic. The Rosellas couldn't keep up as we ran out an eight goals to

ground was inspirational. Chris Morrison, Dean 'Stoofa' Scanlon and 'Cookey' Wilson dominated the packs. Nick Scanlon and Andy Ray were our multiples with 2 goals each.

#### State Gas Appliances Reserves report

The Clays Reserves side had a different look as some club legends pulled on the boots to share Pearcey's 350th club game with their mate. The likes of Jason Smith, Mark McHenry and Richie Szerszyn would (in racing parlance) be 'better for the run'. But our boys played out a high-standard contest against a top-five opponent and we pulled up just 5 points short. Pearcey and Smithy kicked 2 each, and Steve Martin and Seb Valiente were adjudged our best.

#### Australian Bullion Company Thirds Report

Last week was a day every team dreads, going down to Cerberus to get belted, but special thanks to Bianca for organising 2 buses so we could get The Clays boys down there as easily as possible. Coach Mickey Wills said forget the scores. He asked the fellas for 4 quarters of never-say-die footy and that's exactly what they gave him. Up against Keysborough this week let's show that same spirit.

#### U19:

Dingley were a stronger team than we faced in April and held a 5 point quarter time lead. Our boys put in an excellent second term, our forwards prominent and on-ballers working hard. After half time we found it difficult to maintain the pressure and Dingley responded to the challenge to draw level. The last term was an arm wrestle but the boys persevered for a good 2 goal win. James Cooke, Matt Brown and Dylan Bon in our best. If the senior teams regain some players from injury we will regain a few regulars.

#### Reserves:

It was great to have Christian McCarthy coming back after a long absence due to injury against East Malvern. A hard game was expected with Dingley undefeated. Unfortunately we started slowly and Dingley jumped to a 12 goal half time lead. We played better in the 3rd term but could not manage a major whilst keeping Dingley to 3 goals. We improved in the last quarter scoring 4 goals to 2. To the players credit they never gave in. Chris and Jordy in our best.

two second half and finished 41-point winners. Benteigh's reserves also hosted Cheltenham, but unlike the seniors suffered a disappointing loss in Mitch Allamb's 100th game. Despite the tireless efforts from best on ground Mark Smith and a couple others, the Demons looked rather lethargic. The 16-point defeat was a wake up call for the group as Cheltenham dominated the first half and didn't let us back in the game. E.B Benteigh's reserves gave a sterling performance in an impressive 43-point win at Mordialloc. An incredible nine-goal last quarter blew the doors off of Mordialloc's defence and gave us our eight win for the year. Another all round team performance that was lead by

**Netball** - Div 3 – Clayton was defeated by Caulfield 31 to 32, but what a game! Our feed into the goalers was fast and they finished off with some great shooting. Our defence was strong as usual but we fell just short. Div 6 - Clayton 45 def CPL 19. Our girls showed enormous self-belief, and had the game in their sights from the start and didn't let up.

**Social Notes** – Last week's Ladies Day was a great success. Thanks to our senior coach's mum Vicki Scanlon and the netballers for all their hard work with 60+ attending and having a great day. Today is Sponsors Day as we welcome the incredibly loyal and generous local businesses who contribute financially and in-kind each year to keep our club going. We can never thank you enough, so enjoy the Club's hospitality and our teams' efforts as our show of appreciation.

#### Seniors:

This game was similar to the reserves - we fielded a very inexperienced side against the ladder leaders. We could not manage a goal before half-time and were 10 goals down. The second half showed how strong our opponents were and although we forced the ball forward frequently, we only managed behinds (many rushed or touched through). Dave Hutchinsson, James Sziller and Jay Ting fought hard all day.

Thanks to those who worked to make a success of the Matt Rojan charity day, especially Pearo, Sam Robertson and Wayne Manders. This event also gives great benefit to the club through canteen and bar receipts.

A very busy day for BBQ, canteen and bar volunteers - thanks to all.

Finally congratulations to Jarryd Allan on his selection as vice-captain of the Vic Metro team for the match against Vic Country.

Sunday July 17th is our social day at Sandown Greyhound racing – contact Mike Lloyd to book a spot on the bus leaving McKinnon for this afternoon event.

running midfield Liam Nixon and powerful forward/mid Andy Lee. Our 19's unfortunately suffered a 74-point loss to Cheltenham who were better on the day. We didn't stop fighting but ultimately couldn't keep up. Although a tough loss, the team is improving as the season goes on.

## DIVISION 2: THE INNER SANCTUM / JASON BARBIN

After some surprising results in Round 12, the bottom half of the top five is far from set in stone while the battle for second spot rages on.

### KEYSBOROUGH 7.5 (47) def HIGHETT 4.17 (41)

This was a great win for the Burra and although their finals hopes are slim, they are alive after upsetting a disappointing and inaccurate Dogs outfit. Bryce Sutton and Dylan Carlsson were in superb form for Keysborough while Daniel Morland and Cameron Dalton kicked two goals each. Despite going into half time without a goal, Highett only trailed by a point but a four-goal third term from Keysborough gave it the advantage and the Burra held on for their, albeit ugly, fifth win of the season.

### CAULFIELD 10.10 (70) def SPRINGVALE DISTRICTS 6.5 (41)

Nick Gilbert was back to his best as Caulfield overcame a gallant Springvale Districts side by 39 points. Gilbert kicked four majors while Brandon Turner and Tom Stait impressed with their performances in a grinding affair. The Bears led by 13 points at the half but didn't really dominate proceedings with the Districts managing to hand around. But Caulfield persisted and pulled away enough in the last quarter with two goals to run away with the win.

### BLACK ROCK 9.8 (62) def by CHELSEA HEIGHTS 15.13 (103)

It wasn't the perfect game but the Jets played themselves into a little bit of form, despite going down to Chelsea Heights by 47 points. Jessie Odell was stunning in his efforts across the ground while Lachlan Dobson put together one of his best performances of the season, banging home seven goals. The Heighters only led by 13 points at quarter time but strung together four goals in the second and third terms to stretch the lead out to 52 points. Despite the unassailable lead, Black Rock kept fighting and kicked four goals in the final term to cut the winning margin to 41 points.

### PORT MELBOURNE COLTS 18.13 (121) def SKYE 12.6 (78)

Jason Butty was another player back to his best, booting four goals in the Colts' 43-point win against Skye. Brad Sutcliffe was also impressive, named best on ground in a match which saw Port Melbourne trail by three points at the main break. Skye booted five goals in the second quarter to take the lead but Port Melbourne flicked the switch in the third term, booting six goals to once to take a 31-point advantage into the final break. The final term was hotly contested but five goals from the Colts was enough to secure the win.

### HEATHERTON 9.5 (59) def by MURRUMBEENA 9.9 (63)

Murrumbeena has avenged a Round 2 loss to Heatherton, defeating the Tonners by four points in an exciting contest. After trailing at each interval the Beena overcame a 13-point three quarter time deficit, holding Heatherton to one goal while booting three themselves in the final term to secure the win. David Murphy, Harley Turkington and Declan Turkington were all outstanding for Murrumbeena, booting two goals each.

### ROUND 13 PREVIEW

Round 13 is upon us and the battle for fifth spot on the ladder is my match of the round but there are plenty of exciting matchups in store.

### SKYE vs HEATHERTON (Carrum Downs Reserve)

The Bombers will look to bounce back after a loss to Port Melbourne but they will take away plenty of positives despite not getting four points. Heatherton are still looking for the winning touch and came so close against Murrumbeena, squandering a 13-point lead at the three quarter time.

Skye by 31 points.

### MURRUMBEENA vs CAULFIELD (Murrumbeena Park)

Both sides are coming off unconvincing wins last round and both will be eager to impress when they step out onto the Beena Arena. The Beena are looking to increase their finals chances but will need to be at their absolute best to top the Bears, and even then it may not be enough. A win for Caulfield and they will move into second spot.

Caulfield by 19 points.

### SPRINGVALE DISTRICTS vs BLACK ROCK (Springvale Reserve)

Both sides played well last week despite not getting the four points so expect a thrilling contest at Springvale. A win for Black Rock won't get it off the bottom of the ladder but it was will make it level on points with Springvale and Heatherton. A win for the Districts and they might be safe in Division 2 for another year.

Black Rock by two points.

### HIGHETT vs HAMPTON (Turner Road Reserve)

The Dogs squandered an excellent chance to jump into the top four but inaccurate kicking resulted in a loss to Keysborough. They have a chance to redeem themselves and remain in the top five when they host Hampton. The Hammers are fresh off the bye and will be keen to make their move into fifth spot.

Highett by 11 points.

### KEYSBOROUGH vs PORT MELBOURNE COLTS (Keysborough Reserve)

The Burra were back on the winners list last week but they will have a much tougher time making it two in a row when Port Melbourne comes to town. The Colts juggernaut just keeps on rolling and the undefeated streak will likely continue. But will game number 13 in the Southern Football Netball League be the unlucky one?

Port Melbourne by 33 points.

## DIVISION 2: CLUB NOTES

### BLACK ROCK

**Next Social \*\*\*Major Function\*\*\* - Jets Mid Year Ball TONIGHT**, should be a great night with over 100 confirm.. Special mention to Stina for putting it all together

\$\$\$ Draw will be on Aug 20th - Please keep this date FREE, put it in your calendar NOW !!

**Doyle's Bridge Hotel → Seniors:** A solid start again for the Jets saw us use the ball well in passages to put pressure on the scoreboard, 2nd term saw us waste some chance & go into the main break down by 5gls. The second half was a 50/50 battle with the scores even for the 3rd & 4th quarter, again shows when we are on our game we can match it with the top teams, better players for the day being Raffa, Dirty & Jayo

**Telstra 5th Melb → Reserves:** Big day for the club with Micky B (I'm Micky D) notching up game 200, great club man over the last 20 years congrats on the milestone.

With quite a few unavailable saw some new faces in the 2s & the guys battled hard all day, some straighter kicking at times might have made the scoreboard a touch more respectable, eventually going down by 10gls, winners on the day were Micka in his 200th, Fester & Simmo

**Chisholm & Game Real Estate → Thirds:** Was great to see a few new guys & some BRFC Legends take the field in the 3s, all had a great day with the game finishing in a tense draw, Maximus nearly stealing the show flat on his back in the dying minutes. All round great team

### KEYSBOROUGH

4 wins, 1 draw and 2 losses for the club last week.

#### R & D Roofing Senior Report

We faced Hightett who totally embarrassed us earlier in the season. We went into the game confident that we would be competitive after a great week on the track. In a first half that produced one goal that the crowd didn't enjoy greatly but our coaching staff did with the extreme pressure we applied. The third quarter was a relative goal fest with us managing to kick 4 goals to 3 and hold a 1 goal lead at 3/4 time. With the boys urged on to complete the task in the last quarter we constantly repelled Hightett's

### HIGHTETT

#### LMC Laser club notes.

Possibly one win at the weekend for our Netballers? The under 19s lost in a close game. Reserves lost in a close game and not to be outdone the Seniors, lost in a close game. Reserves and Seniors hanging on by a fingernail to 5th spots on the ladder, we need to work hard to maintain our position, we can do it. GO DOGGIES.

effort to give the 3s their best result this season, something to work on for the remainder boys. Better players on the day being Donny, (new player) Cam Birt & wily old veteran Secco

**BurgerLab → Jetballers:** Round 11 D3: Black Rock 32 def Keysborough 32 I D5: Black Rock 41 def St Kilda City 40 I D7: Doveton 32 def Black Rock 28

Round 11 was a heart-stopper for the Jetballers with all three games being decided by less than 5 goals. In Division 3, the fourth placed Jetballers took on sixth placed Keysborough in a mentally and physically tough match. The leading margin never exceeded four goals, with the Jetballers fighting hard throughout to stay on top of their tough opposition. The Jets took a three goal lead into the final 15 minutes, however, were unable to contain the Keysborough shooters who fought to the end to come away with a draw. A Keysborough goal on the final siren almost lost it for the Jetballers, but luckily for the Jets the goal didn't count. The great shooting combination of Jacinta Frawley and Dani Forward kept the Jets in it to the end, but best-on-ground goes to fast-paced centre Shannon Meehan. In another extremely close game, the Division 5 Jetballers managed to come back from a 9 goal half-time deficit to take the four points against St Kilda City in a one goal thriller. The Jets played a poor first half with our shooting combination struggling to get and sink goals, while the St Kilda City goal attack dominated for the opposition. However, in an inspired move by coach Laura Brogan, Jess Quinvinlan (best-on-ground) was injected

attacks to run out 6 point winners.

In what was our best team performance for the season Bryce continued his red hot form, Bossy attack on the footy was amazing from someone who has just turned 18 and Jakey, Georgey, Joff, Kid & Troy were named among the best which could have included all 22 players.

#### Bendigo Bank Reserve's Report

In what was a must win game to stay in touch with the Top 5 we took on 4th placed Hightett. We got off to a very strong start keeping Hightett goal less in the first quarter and continued to control the game to half time holding a 3 goal lead. We managed to come away with an 11 point win after a tough

into the defensive circle in the second half and almost single-handedly turned the game around for the Jets. Jess was able to shut down the St Kilda City GA and combined superbly with captain Bec Goodear to silence the opposition attack. By three-quarter time, the Jets had managed to reduce the margin to two and shot out of the blocks in the final quarter to score the first two goals to level the scores. The next 15 minutes were an arm wrestle as each team tried to gain the ascendancy with the Jets managing to hold on for a thrilling one goal win. It was a great effort by all the girls. Division 7 also played a close game, going down to Doveton by only four goals. In what was another physical game, Black Rock were able to hold their own in a tight contest. The first half saw birthday girls Rikki Boelen and Zoe Jennings on fire in the attacking circle to give the Jetballers are three goal lead at the main break. Unfortunately, we weren't able to maintain our lead in the second half, letting Doveton catch up and ultimately take the game out by four. Best-on-ground goes to Annie Jellef in WD who provided great support bringing the ball down the court from defence to attack as well as exceptional defensive pressure.

contested 2nd half. Jack was sensational off half back, Shauny dominated the ruck, Dan McLean dominated in his 1st game in 8 weeks, Damon was fantastic repelling many attacks and Veg controlled the midfield.

#### Vigeo Financial Thirds Report

The thirds were left to lament lapses of concentration which saw them fall 14 point short of Cheltenham. Riddock, Brossy & Bullet amongst the better players.

#### Keysborough Hotel Netball Report

Division 1 had a solid 10 goal win over St.Kilda City, Division 3 had an exciting draw with Black Rock, Division 4 had a 9 goal win over Springy Districts and Div 8 fell 10 goals short of Dandenong.

## DIVISION 2: CLUB NOTES

### CHELSEA HEIGHTS

**(Our Weekly Notes are brought to you by our Gold Sponsor – T. Thomas Plastering – 0450 940 387)**

Round 14 – Two good wins over Black Rock. This week we have the bye and a weeks' rest should help the recovery of a few niggling injuries. I hope everyone enjoyed the mid-year ball, last Saturday. Let me know of any juicy stories, from the Ball, and I am sure I can find some space in these weekly notes. If you were naughty, BEWARE OF THE DEVILS' ADVOCATE. I have the flames of Hades all stoked up and ready to go. On Saturday 23 July we travel to the "tool-shed" to take on Hampton in a very important clash for our club.

#### Pumkin's Outdoor Blinds Reserves Report

A good solid all-round effort by the reserves. The match was never in doubt from the first bounce. The team is starting to gain momentum and consistency.

### HEATHERTON

#### Cody Gems and Jewellery Seniors Report

It seemed like a lifetime since we knocked over last season's losing grand finalists in round 2 by 54 points. Nine losses on the trot and nine changes to the team that won that game earlier in the season. It sort of sums up why we are near the bottom of the ladder. A beautiful sunny day at Heatherton. After a tight first quarter the boys kicked into gear and kicked 4 to 2 to go into the long break with a 12 point lead. The 3rd quarter was another tight contest and we were able to increase our lead to 13 points. It was all Beena in the last quarter and they slowly pegged us back and won by 4 points. Stoner was amongst the best and the goals. Clint

Division 2, however, this team always brings the right attitude to their game each week. They had a strong first quarter and were making Heatherton work for every goal. Casey and Liz in the goal ring together are continuing to get stronger as a combination, and at the other end Liz and Rach are combining well. Our mid court this week was led by a stellar performance by "Baker" who moved around the court equally as cool as she did on the dance floor on Saturday night. Although not a pretty margin a great improvement on last time and again this team is growing each week.

**Division 5 –** Played Dandenong. Team was coming off a positive loss last week and were determined to continue that teamwork into the game. Previously our first quarters have been slow so Captain Mel set the goal to start strong. And the girls did just that, leading at quarter time by 5. Our defence was outstanding, with Abbey and Allie, picking up lose balls and intercepts. The third quarter was our downfall as we let the other team take control of the game. Our lead had now turned around to us trailing by 2 at the last break. With the positional changes, including Sam in WA, proved the right decision, and the last quarter become a tough battle for both teams. Erin and Mary regained their cool heads and with some long shots from Mary we came away with a 1 point win. Special thanks to Kate and Kim who helped us during the game with direction. As I say to the girls your contribution to the team is not always on the court. Never underestimate the contribution one can give from the sidelines. A team is not about the 7 players on the court.

found his accuracy this week. PJamo will be working on perfecting the 'big don't argue' at training this week.

#### Melbourne Food Distributors Reserve Report

Whilst the boys were never in the hunt they never gave up and continued to fight until the final siren. Benny Hall was dominant in the ruck and around the ground. Frizz's tackling and pressure was fantastic. Nangers seemed to be everywhere. Good to see Orry and Griffo back on the field and amongst the goals and best players.

### HAMPTON

#### Javen Constructions U 19's Report

The Hampton under 19's hosted Endeavour Hills which was the feature game for Hampton's ground. We knew this would be a tough game after the close encounter we had a few weeks back and knew we had to bring our best. The game started pretty slowly and both teams who were playing a hard but sloppy brand of footy. Hampton needed to bring a bit more spread and carry if we were to break Endeavour Hills. After half time Hampton put together a really good third quarter that gave us a decent lead going into the last. Unfortunately

undisciplined actions from our players made this a closer game than we would have liked with Endeavour piling on goals in the last. Luckily Hampton got away with the win. Best players were Jai Sujaini and Corey Smith. The highlight of the day was definitely when Bailey Griffin spoiled an opposition mark, got the crumbs, weaved through a few defenders and slotted a goal from the arc. He then paid homage to his father with a kiss of his black arm band to which every Hampton player got around him in celebration. This was a special moment. Go Hammers!!!!

**Bendigo Bank Highett Netball Report**  
Tough game today only having 7 players. Kate

& Phoebe filled the shoes of our missing defenders. Alissa covered the court with her versatility, moving from goals to wing and to centre player. Cassandra scored 32, Alissa 2 & Abby 5. We played to our strengths but lost momentum without any fresh legs on the bench. Best on court was Kate doing fantastic as GD. Great to see the progression in the team, even if there were only half of us!

Hampton FNC wishes to thank the continuing support of the sponsors: Wallers Bakery, Highett Village Meat, Choices Flooring Frankston, Local Milk Supply, Ashfords, Bendigo Bank Highett, Javen Construction, Highett RSL. Please visit our website or FB page for further details.

### PORT COLTS

#### The Cricketer's Hotel Senior Report

Despite his side's 12th straight win in season 2016, coach Brad Julier isn't satisfied.

"I think we can definitely improve all across the ground."

The Colts come from behind 43-point win is one of its best this season, as they trailed going into the halftime break.

Julier said "We were all disappointed with the first half."

"They responded well and turned it around in the third quarter and finished it off in the last," he added.

The 18.13(121) to 12.6(78) win sees the Colts

sit a comfortable three games ahead of second-placed Chelsea Heights with just seven games remaining.

Jason Butty was the leading goal kicker with four, while Mitchell Clarke, Braden Perkins, David McGregor and Jackson Brown all booted two.

The Colts today travel away to face eighth-placed Keysborough.

#### Vodafone Reserves Report

Two goals and seven behinds in the fourth quarter was enough to see the Colts reserves scrape over the line in a thrilling three-point win over previously unbeaten Skye.

Neither side were able to maintain any semblance of momentum throughout the

matchup, as the defensive prowess of both the Colts and the Bombers saw no more than six goals kicked by either side.

Skye held a three-point lead heading into the main break, increasing it to eight going into the final term.

Despite this, the Colts 15 total behinds, and nine scoring shots in the fourth quarter were enough to help it defeat Skye 5.15(45) to 6.6(42).

With just seven matches left, top spot is still up for grab for both Port Melbourne and Skye as the sides are currently separated by just percentage points, in what should be a thrilling battle to see who finishes first on the ladder at the end of the season.

### MURRUMBEENA

#### ON THE FIELD

Murrumbeena played Heatherton last Saturday. In the Reserves game the Beena had a good lead over the Tunners by half time. After half time the Beena boys took control despite being undermanned. Rhys Clayton was a goal kicking machine and gave us a target up front. This was a good win for the Beena Reserves. Some of our best players were: - Stewie Anderson, Rhys Clayton, Sean Geaney, Mick McMahon, Mark Richardson and Quenton Pongracz.

The Senior game was a real heart stopper. Murrumbeena ended the first quarter just in front. Then the Heatherton side started to show how to play their heavy ground and were two goals in front by the final break. The Tunners were looking good. In the final quarter the Beena boys started to fight back putting in a great effort and the game became a real cliff hanger. The Beena got in front by a goal and a few odd points and came away with a four point win. Some of our best players were: - David Murphy, Harley Turkington, Dechlan Turkington, Luke Porter, Darcy Hargrave and Alister Bradley.

Well done to both teams

**NETBALL.** Murrumbeena were invited to play South Yarra at their indoor courts in Hawthorn. We had six players and finally found a fill in, so thank you to Prue who played a fabulous game. Murrumbeena's first quarter showed amazing skills and we were up by 8 goals. Grace was running centre and passing to Dani and Adriana who bought the ball into the goal square for Liv and Ash. We were ahead until 3rd quarter where we started to make too many little errors. All girls played 100% and should be very proud of their efforts despite a loss. Murrumbeena 36, South Yarra 41.

#### OFF THE FIELD.

**HASBEENAS DAY.** Today is Hasbeenas day and we welcome all past players who have come back to the Beena Arena. We hope you are all having a Ball. We especially welcome members of the 1986 Premiership side.

#### STALWARTS OF THE MURRUMBEENA FOOTBALL CLUB

**ROB SPAULDING** Rob was the captain of the 1986 premiership team which we are celebrating today. There is much more to this Stalwart of the MFNC. He played well over 500 games with the Beena starting with the Under 12s in 1964. Rob played in

the 1974, 1979 and 1986 premierships. He has coached the under15, under 18, under19, Reserves and Senior sides. Off the field he has served as President, Secretary and Treasurer. Rob Spaulding has always been the go to man for Murrumbeena. He has done much with the SFNL, and has been made a Member of the SFNL Hall of fame. Rob is truly a Stalwart of the MFNC.

**OCTOBERFEST.** 30TH July. This our major fundraiser for the year. Note the date in your diary. Boys, We hope the ticket sales are going well. Only a couple of weeks to go.

## CLAYS LEGENDS TURN OUT FOR PEARCE'S 350TH

Clayton stalwart and club life member Corey Pearce achieved an amazing milestone on Saturday, playing his 350th game for the Clays against East Malvern.

Pearce debuted for Clayton back in 1997, and was an important member of the senior side for over a decade.

He was an integral part of three Clayton premierships in the 2000's, featuring in his first premiership in 2001 and then two further wins in 2006 and 2010. Pearce was also a runner up in Clayton's 2008 best and fairest.

As a result, Pearce was named to the Clayton 'Team of the Decade' from his service through the 2000's.

His love and devotion to the club has continued into the

next decade, as though he has aged he has been putting great performances in the club's reserves as playing coach. He has been the reserves leading goal kicker for the last four seasons and won the reserves Best & Fairest in 2013.

A number of his former teammates, including prolific goalkicker Richard Szerszyn, came out of retirement just for the occasion. Unfortunately, they couldn't mark the celebration with a victory as the Clays reserves went down by just five point.

Nevertheless, it is amazing effort to reach such a tremendous milestone, and it shows the character of the man to remain this loyal to his club.

## BENNO BRINGS UP 200 FOR BLACK ROCK

It's been a big couple of weeks for milestones, and particularly at McDonald Reserve with Jets stalwart Mick Bennett notching game number 200 last week.

'Benno', as he is perhaps better known, started at the Black Rock Football Club in the late 90's and has served the club in capacities as a player, coach and committee member.

A gritty half back flanker with a damaging left foot, Bennett is currently the playing coach of the Jets' thirds side.

Great effort, Benno!

## DISTRICTS TICKLED PINK FOR BCNA

Saturday saw Oakleigh District turn pink for a good cause.

The Districts seniors and reserves sides both wore specially-designed pink guernseys for their clashes with St Kilda City as part of the club's Pink Day to raise money for the Breast Cancer Network Australia.

In addition, the club held a special luncheon that was by all accounts packed to the rafters with a boisterous group of ladies that thoroughly enjoyed the festivities.

Overall the club raised more than \$4000 for the BCNA through the luncheon, raffles and auctions they held, which is a fantastic effort.

Well done to ODFC Committee Member Karen Willett for all of her hard work in organising the day. The club also wishes to thank the following sponsors for their contributions:

Senior jumpers: Domenic Carosella, DesignLine Kitchens and Tony Pascuzzi, Pascuzzi Constructions

Under 19 Jumpers: Domenic Lucarelli, Basile Imports and La Molisana

And for the record, all three of the Oaks' football teams saluted over City, with senior stars Dan Kiellerup and Daniel Saldanha playing their 150th games.

## ALLAN APPOINTED VIC METRO VICE CAPTAIN

St Pauls' raging bull Jarryd Allan was honoured with vice captaincy of the Vic Metro representative side that took on Vic Country in Sunday's AFL Victoria Community Cup.

Dingley speedster Chris Horton-Milne and Bentleigh forward Matt Troutbeck also donned the big V jumper alongside Allan.

The trio's selection in the final Vic Metro team were just rewards for their standout performances in our interleague clash against Ellinbank back in May, and is a further shot in the arm for the SFNL Interleague program headed by coach Ben Lockwood.

Our three representatives in the Vic Metro team are the most the SFNL has ever had, eclipsing the two we had in 2015.

A total of eight Southern league players named in the initial 47-man Vic Metro training squad released last month, including Nathan Robinson (East Malvern), Andrew Frost (Dingley), Geoff Humphreys (Keysborough), Pat Carroll and Brody Hodic (both Oakleigh District).

Unfortunately, the result didn't go Vic Metro's way, with Vic Country running out winners by 39-points out at Mernda.

## DIVISION 3: MAN ON THE MARK / ANDREW PALOCZI

### ROUND 12 REVIEW

**CARRUM PATTERSON LAKES 4.13 (37) def by MOUNT WAVERLEY 24.11 (155)**

Unsurprisingly, Mount Waverley took charge early against home team Carrum Patterson Lakes and by half time had built a 55-point lead.

CPL was kept goalless in the third stanza with the Mountain Lions' advantage blowing out to 87 points as the ladder leaders slammed on five goals for the term.

The final siren came as a mercy for CPL as it went down by 118 points, after completing a goalless second half.

James Gough was the newsworthy spearhead, this time managing 13 majors for the Mountain Lions.

Gough has now kicked 67 goals for the season, putting him 12 goals clear of teammate Luke Galle on the division's goal kicking table.

ASTOUNDINGLY, he has kicked a total of 39 goals in his last three games.

**ENDEAVOUR HILLS 9.11 (65) def by ASHWOOD 16.13 (109)**

Endeavour Hills started positively, with Daniel Morrison goaling a minute into its contest with Ashwood.

However, the Magpies replied seconds later through Mitch Saunders, before racing to a 26-point lead in time on.

A late goal got the Falcons' deficit back to 20 points at the first break. This gave them encouragement and they attacked in the early minutes of the second term.

Endeavour Hills made significant inroads late in the term to sit just four points behind Ashwood at the long break.

The Magpies dominated the third term with three goals to none and eventually skipped away to a 44-point win. Dale Carroll was again prominent, with four goals, whilst the SFNL radio team named his teammate Saunders as the player of the day.

The loss of Mitch Whatman due to a knee injury early in the match was costly for the Falcons and the side relied too heavily on Morrison for its goals. He managed four majors, but the rest of the side added just another five.

**SANDOWN 6.11 (47) def by DOVETON EAGLES 25.16 (166)**

After a more competitive showing last week, it was back to familiar territory for Sandown as Doveton spanked it by 119 points.

Jordan Waite was a rare positive for the Cobras and kicked half of the side's six goals.

For the winner it was Adam Read who showed the way, this time booting 11 goals in a best on ground performance.

**SOUTH YARRA 11.14 (80) def LYNDALE 9.6 (60)**

To keep its slim finals hopes alive, South Yarra needed to defeat visitor Lyndale.

After coming up short in a home game last week the Lions were switched on, leading at every break and triumphing by 20 points.

Kieron Finlayson was the winner's best and Shaheen Merchant was the Lions' chief goal kicker with three.

**DANDENONG 9.9 (63) def by MOORABBIN 14.16 (100)**

Moorabbin was in command throughout to defeat Dandenong by 37 points. It was the Kangaroos' first win since April.

Jack Williams was the star performer with six goals for the victor.

**HALLAM 15.18 (108) def LYNDHURST 5.5 (35)**

Hallam returned to form and bounced back into the top five with a 73-point win over Lyndhurst.

Matt Neve booted four goals for the Hawks.

Lightning had won its previous couple of games, but was outscored in every quarter by the Hawks.

### ROUND 13 PREVIEW

**ASHWOOD vs CARRUM PATTERSON LAKES (Essex Heights Reserve)**

Ashwood has leapt into third spot and will keep the pressure on second-placed Doveton with a substantial win over Carrum Patterson Lakes.

CPL is not in with a realistic shot against the top sides this season and Dale Carroll is set for another productive day in front of the big sticks for Ashwood. He has plenty of teammates capable of adding to the Lions' pain.

**LYNDHURST vs SANDOWN (Marriott Waters Reserve)**

Whilst it would be too adventurous to tip the winless Sandown, the Cobras can take heart from the fact they only lost by 14 points when they played Lyndhurst in Round 2.

That was a low scoring affair, with a total of 10 goals for the match.

Expect Lyndhurst to win by a bit more this time in front of its home fans.

**MOUNT WAVERLEY vs DANDENONG (Mayfield Park)**

When Dandenong hosted Mount Waverley in Round 2 the Mountain Lions proved unfriendly guests, charging to a 125-point win.

When the Redlegs journey to the Mountain Lions' den this week the story is unlikely to be a happier one.

**DOVETON EAGLES vs ENDEAVOUR HILLS (Power Reserve)**

Endeavour Hills slipped a spot last round and now sits fourth on the ladder.

When the Falcons played Doveton early this season it was a 46-point victory for the Eagles.

Endeavour Hills should get closer this time, but will need to ensure it creates more avenues to goal and doesn't become too Daniel Morrison focused when delivering the ball to the forward line, as happened at times in the Falcons' last match.

**MOORABBIN vs SOUTH YARRA (Widdop Crescent Reserve)**

With a chance to gain a spot in the finals still a realistic aspiration, South Yarra won't slip up against host Moorabbin.

Having said that, the Kangaroos took it up to the Lions last time the teams played and South Yarra got home by just 14 points.

**LYNDALE vs HALLAM (Barry Powell Reserve)**

This may well be the pick of the contests this round. Hallam is one win ahead of Lyndale and the Pumas will be desperate to keep in touch with the Hawks and a crucial top-five spot.

Hallam claimed the points last time these teams played each other.

The Hawks will sneak home here and make their chances of playing in the finals a little more secure.

**Fernwood Fitness Seniors Report:** This game was a must win for the Woods against fellow final aspirants in Endeavour Hills. There were a number of changes due to a bad spate of injuries, however the players who came in delivered in spades. Buddy controlled his wing all day, Burls and Punter battled hard and Jordy marked strongly and provided a good back up in the ruck when JB was taken to hospital after a nasty gash to his chin. Mitch was again in dynamic form and was adjudged BOG by the radio boys. DC was inspirational either in the

middle or up forward and Chappie used his pace to advantage. Bergs controlled the ruck and marked well around the ground and Boofa was also strong in the air. Other good players were Jonga on the wing and Hodgey down back. In the end Ashwood had a convincing win by over 7 goals.

**13CABS Reserves Report:** With a new strain of Ashwood flu ripping through the place our resources were more than severely tested as we travelled to Endeavour Hills for a second versus thirds clash. Further late withdrawals did not assist and we went in a man short, not perfect for any game. Fortunately the men showed great spirit to hold out as long as they did and as expected were over run after half time. Most of our best were down back as Jezza and Tails battled against the odds. Brad Moyle helped

### MOORABBIN

#### SENIORS

Great effort against Dandenong. Our midfield dominated for longer periods with Pearso taking control in the ruck and Noodles, Levy, Baum and co in charge. Our run off half back with the General and Tank was amazing. A lot of heroes and a full team effort for Willo and the forward line to create forward pressure and great contests. Our Desire was getting to a more acceptable level all over the ground, albeit needs to get

to a greater level. Best Willo, Noodle, Baum, Tank, Levy and the General. Great to sing the song.

#### RESERVES

After coming close the past couple of games the Reserves were looking to record another win against Dandenong. We started slowly – and inaccurately – but kept at it and built quarter by quarter on our way to record a much deserved win. The backline did an excellent job, Slossy Luke Poits and Hollywood did great out of the centre, and

### LYNDALE

Not a great weekend for the Pumas with our Div 4 Netballers managing a draw against St Kilda City whilst our other 3 sides were all defeated by Sth Yarra.

Reserves Coach Brenton Miles was certainly very proud of the efforts from his boys yesterday, in particular our first year players who never seem to give up.

For the Seniors I think Brad Bruni let everyone know after the match where we sit. We can do the bare minimum and finish mid-table or we can get to work and look towards securing a finals berth. It is all in front of you.

This week we host Hallam at Barry Powell Reserve and it would be great to see a huge crowd in attendance to support our boys.

Netball this week down at the Dingley courts has Div 4 taking on Caulfield and Div 6 playing Dingley at 1.20pm & 2.40pm respectively.

out and turned back the clock to remind everyone what a talent he is. Up front Mitchy got 3 in a good effort against his old side and Newy was clearly our best onballer as his best season continues. We turn the corner now and into the home stretch and it's important we go about it the right way to give the title a crack, so let's make some sacrifices, get on the track, support the coaches and your volunteers who put in the hours for YOU, GIVEM SOMETHING!! Thanks on the day to all.

Fabs was back to his best in a very unselfish role in the forward line. A late effort from Cato to wind the clock back and kick 3 goals in 8 minutes means we all will have to hear about it for a long time. Well done guys on a great win!

#### Junior Alignment

Attention all Footballers. I am looking for 3 volunteers to head down to North Dandy this Wednesday evening from 5pm-6pm to help out the Junior Coaches with training.

There will be 3 teams training on the night ( U10s, U12s & U14s) so 1 player per group.

Brenton Miles and Brett Tosh have already been down in the last couple of weeks.

Lets get ourselves involved and strengthen the link, both clubs futures will depend on it.

North Dandy has also have an upcoming social event on Saturday July 16th and it would be great for the Pumas to get a table together and enjoy the evening.

The Lyndale Football Netball Club would like to thank all its sponsors for their generous support for season 2016.

The boys came up against Hightett at Roy Dore, with Hightett being winless for the season thus far we knew we where in for a good contest, we started a bit slow but ended up clawing back to be down by 8 points, to the boys credit they flicked the switch and played some really good tough and team orientated footy which was good enough to give us a 10 point win!

### SOUTH YARRA

#### Brady Tiling Football report

Both the Seniors and the Reserves took on Lyndale at a very wet and muddy Den.

The Seniors were looking to atone for their round 1 loss to the pumas and jumped out of the box well taking 7 point lead in to the first break, it was a much improved performance from what was shown the week before with the team given licence to take the game on at all costs. This resulted in some very exciting play. Taz and Jordy chipped in with a few nice goals each. A 20 point win could have been more if not for some inaccurate kicking for goal.

The Yarras were losing by just a point at the major break. Osmond and Fowles backed up the thirds game by playing again in the Reserves and they were superb. Osmond was one of four goal kickers. Rossi crept down from the backline to kick a goal. Lange kicked a hat-trick of goals and was the dominant forward for the Yarras. Lange passed it to a lurking, McKee in the forward line whom had a set shot from thirty metres directly in front and kicked the final goal of the game for the Yarras. The players gave it their all and exhausted after the match in a fantastic win. The Yarras won by just two points in a thriller.

ourselves against Mount Waverley. Whilst we were able to match Mount Waverley for the first 15 minutes of the first quarter, a few late goals to Mount Waverley had them taking a 25 point lead into quarter time. We had two players suffer injuries throughout the first quarter and they were unable to return to the field for the rest of the game. Going against an undefeated team you can not afford to have only 2 on the bench from quarter time onwards. From that point forward it was all one way traffic as Mount Waverley ran out to a 113 point victory.

The scoreboard however didn't provide a true reflection of the football we played in patches throughout the game. At times we were able to link up with the handball from the backline, hit up our forward targets and get our fair share of inside 50s. However our inability to convert in front of goals saw us kick 4.13 for the match. This made the final result look worse that it probably was.

With only 6 games to go in the season we must now continue to work hard as a team both on a Tuesday and Thursday and on game day on the game style we wish to play moving forward. We must continue to stick together as a team and put in the work as a team over the last 6 weeks and finish off the season as a team. We can not afford to have blokes drop off their commitment as the season comes to a close.

This week the boys took on division one side Dingley who had only lost two games to date. After coming off 7 wins in a row, and the return of the ever-popular "ISH" for a one-off appearance, the Yarras were confident their best football could match it with Dingley. The Yarras started very well, kicking the first goal of the game and taking the lead going into quarter time. For the remaining 3 quarters, the game continued to be a hard fought competitive contest. Unfortunately due to some inaccuracy in front of the sticks (2.12 to 5.8 ) the Yarras went down. Better players for the day were Ozzy with his constant run breaking lines out of the backline, Tim Wiese, Callendar and Azza Jobe for numerous spoils in the backline all day.

#### Tower Hotel Netball report

C grade played against Murrumbena at the Den.

The game was in the balance with multiple lead changes throughout the match. The Yarras played a high intensity match being able to snap up loose ball turnovers. Tracey and Siobhan provided great drive and feeding into the goal ring all game. Bianca, Chloe and Caitlan played a disciplined game providing a number of turnovers that resulted in goals. Caitlan, in particular showed excellent determination and proved her worth on court this week. The Yarras

I look forward to seeing how some individuals respond this week against Ashwood after having poor game last Saturday.

can draw great confidence from the match banding together as team and playing a disciplined brand of netball securing their third win for the season.

Well deserved best on court went to Caitlan.

South Yarra 41 defeated Murrumbena 36

#### B grade

Playing Lyndale at Dingley in the winter sun was prime conditions to play netball. The Yarras came out firing scoring 14 goals in the first quarter to Lyndale four. The relentless defensive pressure that all players displayed in the game provided copious amounts of opportunities to score. The disciplined attack are working exceptionally well together, patient and accurate feeding by Carrie and Hannah allowed the shooters to position themselves effectively in the goal ring. With two late withdrawals, Caitlan played her first game in the team for the season and didn't miss a beat, playing a full game in WD. The Yarras persistence and focus for four quarters is becoming a common theme that is strengthening from week to week.

Scoring a dominant 32 points for the game with high percentage, best on court was undeniably Jess for her superb game in GA.

South Yarra 45 defeated Lyndale 24

A grade won by forfeit against East Brighton

## DIVISION 3: CLUB NOTES

### HALLAM

Another massive weekend for boys down at the hawks nest with a couple of Saturday night blockbusters. Whilst our Woman were away to Knox and keeping their finals hopes alive.

#### Melbourne Truck centre Senior Report

Nothing could fault our senior boys this week striking from the first bounce and leading the whole game to eventually walk away winners by 80 points. On a cold and misty night it was hard for any team to travel down under lights and thank Lyndhurst for the support of a great night.

Congratulations to Clay Peresso for his first senior game for the club

#### Carpe Diem Reserves Report

The Reserves were jumped early by a hard running Lyndhurst team that clearly wanted

the ball more than the Hawks in the first half. Fortunately for the boys fought off yet another formidable opponent and taking the win at full time by 5 goals. A great come from behind win and one the boys were proud of.

#### Highview Accounting under 19's report

Our Under 19's had a well-deserved week off and bye.

#### Auskick

As our Auskick continues to grow, the kids are enjoying the colder weather and the rain! The young ones will be playing a half time game at Hallam Recreation Reserve on the 23rd of July 2016. goals from every angle to get the boys over the line by 76 pts. The Captain RanDad was the general down back cutting off forward entries and providing great rebound. D'Cruze Missile, Duxy Quack Quack & Chops provided plenty of run and contested ball work which gave the forward line plenty of delivery. Fathead provided a great backwards over the shoulder shot on a very tight angle that left many in disbelief!

#### GET WET POOLS THIRDS REPORT:

Another thrilling game.. this time a draw with Black Rock, which both teams can consider to be unlucky not winning. Both had their chances in the dying stages of the game. Unfortunately we couldn't get it done for Cappa's 100th!

Brad & Cappa turned back the clock and put in a vintage performance with hard running

### SANDOWN COBRAS

#### Seniors

Despite some outstanding maneuvers by the Cobras Seniors' Best On Field J Waite, J D'Atri, J Billing, G Baker, D Maizey and M Davis, Doveton beat us. The boys were disappointed not to have a win but look forward to another chance next week. J Waite scored 3 goals, the best being a courageous run from the backline, aiming and kicking straight through to score. Other goal kickers for today were M Dickson, C Telley and J Balfour.

#### Reserves

Convincing win for the Reserves, Coach Trent McKenzie was impressed by the boys they started with determination and never looked back after that. We kicked 14 13 % to 7 3 45. Best on Field were Adam Powell, K

D'Atri, Neal Brown, M Robinson, B Robinson and D Kerr. Goal Kickers were D Franklyn, K D'Atri, B Robinson, D Kerr, M Hambleton, W Barker, A Powell and J Hurford. Great team win!

#### Thirds

Skye put on a great performance but our defense worked hard to keep scores pretty low compared to previous matches. Through the middle the intensity continued. The boys played with 18 determined players keeping on the pressure till the very end. Best on Field were J Mott, Peter Sale, J Hurford, T McGeachin, J Raven and M McCormick.

ROUND 12

**UNDER 19: ON THE UP** / ALEX CHARLES
 @charlesy93

Round 11 brought a handful of upsets and of the five fixtures there were four games with a margin of less than five goals. Ultimately, it was one of the closest rounds of the season and paves the way for the final seven games as we head into finals.

Cheltenham were the round's big winners as they comfortably defeated East Brighton-Bentleigh by 74 points. The Vampires were unable to keep in touch as Cheltenham broke the game open during second and third quarters.

They outscored the Vampires by seven goals during this period to lead by 50 points going into the final change. Moreover, the performance was underpinned by an even spread of goal kickers with Lewis Trainor and Tom Davis both kicking three apiece to keep the side within touch of the top four.

With Hallam enduring their first bye round of the season, other finals teams were hoping to make their move. As one of the contending sides, Oakleigh were keen to make their mark against St Kilda City. It was a consistent and spirited effort from Oakleigh resulting in a 26-point win. St Kilda remains in the top four and will continue to work toward finals football while Oakleigh are beginning to solidify themselves as genuine premiership contenders.

St Pauls faced Dingley for the second time this season and the game was completely different to their opening contest. The Bulldogs were never able to gain full control of the game as Dingley levelled the scores just before three-quarter-time. However, the Dingoes were unable to convert their chances and despite Lewis-Smith's five-goal haul, the Bulldogs proved too strong thanks to Cooke's six majors. Both individuals ensured one of the best games of the season but the loss is an unfortunate setback for Dingley.

Meanwhile, Hampton were keen to take advantage of a home fixture with Endeavour Hills but were pushed until the final siren. The final margin was 18 points but the performance of the Falcons will give them hope for the coming weeks as they look to close the win-loss gap on the top six. For Hampton, they now have games in hand and sit happily on top of the ladder.

Finally, Carrum Patterson Lakes registered their first win of the season against rivals Highett. In an entertaining game, the Lions prevailed by 10 points. Both sides were able to score at regular intervals after the opening term with Alex Wilson and Hayden Hudgell combining for nine vital goals. The season continues to provide interesting results and there are plenty of finals spots still there for the taking.

## NETBALL: THE CUT AND DRIVE / HUGH MACLEAN

Heatherton has one hand on the Division 1 minor premierships after seeing off the Dingley challenge in Round 11.

Both sides came into the match with regular players missing, so how much of a pointer this game is to any finals encounters is open to debate. But Heatherton came to play in this one, and hit the ground running in the early exchanges. Dingley came into the game late in the first quarter, moving the ball up the court with precision to Jess Payne and Laura Piper in the goal circle. At the other end, the promoted Alysha Morecroft had her hands full with the challenge posed by Nat Billings. Heatherton shaded a high scoring first term by four goals, but in the second term the dam walls broke, with Rahni Samason shooting exceptionally well, and Dingley found themselves facing a 38-27 half time deficit. The lead was extended to twelve at the last change, but here is where the game really fired up. Dingley had swung coach Penny Byers-Timms into the goal circle, and in partnership with Payne they set about erasing the arrears. When they got to within three with time still on the clock it looked like the comeback would be decisive, but Heatherton were able to steady, and held on to win a classic by 66-61.

Caulfield took on Bentleigh knowing that the red and blues had given them hard games twice this season without taking the points. They pulled an unexpected coaching move, playing regular shooter Tobi Cunningham in defence to counter the height of Sophie O'Shea. The ball movement early was crisp from both sides but from the off Caulfield looked a little the more assured, and took a three-point lead to the first change that was held through an even second quarter. Caulfield began to intercept well early in the third term which allowed them to take control on the scoreboard, but Bentleigh refused to go away and went on a run of their own to be within five turning for home. The exertions of playing catch-up proved too great though, and Caulfield finished the stronger to get home by 51-41.

St Kilda City continued recent trends by starting strongly against Keysborough, and led by two at the first break. We have seen, however, that they have on occasions not backed this up with a solid second term, and here they were left to bemoan the last seven minutes of the first half in which Keysborough goalied 13 times to City's three. This period was to prove decisive, as the second half was an even affair. St Kilda City pushed hard but could not knock the door down against a defence marshalled by the experienced Samantha Downie, the final score being 43-33.

The four matches in Division 2 were all fairly one-sided affairs. Undefeated Heatherton continued along their merry way against the rapidly improving Chelsea Heights. In recent weeks the Heights have started their games strongly whilst Heatherton have sometimes taken their time to get into the game. Here though they took a four-point lead to quarter time and never looked like letting it slip, increasing the lead at every break to win by 66-33. Dingley could have been excused for running out of steam, having several key players backing up having already played in Division 1. Instead they started like a side that had done a solid warm-up, and kept the same speed throughout the game, winning every quarter in a 59-24 victory.

Bentleigh needed to defeat second-placed St Pauls to retain fourth place, but St Pauls had other ideas, keeping Bentleigh to four goals in the first quarter and taking a 17-point lead to the main break. The second half saw Bentleigh spark up but the damage had been done. Bentleigh won the second half by ten goals but their first half dominance meant that St Pauls were never in serious strife, winning by 44-37. Mordialloc took Bentleigh's spot in the four with a convincing win over CPL. They established a 19-4 lead early in the piece and although CPL shaded the Reds in the second quarter, Mordialloc were never headed in winning by 50-26.

With undefeated Heatherton having the bye in Division 3, the battle for the other finals places took centre stage. Dingley in second place took care of a plucky Mordialloc by 34-25 and St Kilda City had little trouble with ninth-placed Skye, winning by 58-28. Caulfield's 32-31 victory over Clayton was not enough to give them fourth spot given Black Rock's 32-32 draw with Keysborough. Caulfield plays Black Rock next start, and with Caulfield having a far more favourable run home this shapes as a must-win for the Jetballers.

Leaders Heatherton White had the week off in Division 4, giving the chasing pack the chance to get a little closer, and the next four sides all won. Heatherton Black took the points over Highett by 33-23, Keysborough were too good for Springvale Districts by 36-27, South Yarra won by forfeit over East Brighton, and Dingley put on the performance of the day, convincingly beating Caulfield by 50-21. In the last match Lyndale drew 28-28 with St Kilda City, a result that doesn't help either side's slim finals hopes.

Heatherton outlasted Mordialloc by 34-14 to take a two-point lead in a crowded Division 5 ladder, after Black Rock's 42-42 draw with St Kilda City. With third-placed Bentleigh having the bye, Dandenong had the chance to draw level on points, but a 42-41 loss to Chelsea Heights put paid to those ideas. Dingley and Lyndhurst kept their hopes alive with wins over Skye and Cheltenham respectively.

Second played third in Division 6, with South Yarra asserting their authority by beating Lyndale 45-24. Lyndhurst affirmed their lead with a 48-12 win over Dingley. Caulfield defeated Highett by 54-42 to consolidate fourth place. St Kilda City look like the only side with a chance of taking fourth from Caulfield - they had little trouble with Hampton winning by 26 points, while Clayton stayed clear of CPL with a 45-19 victory.

Heatherton drew level with Mount Waverley at the top of Division 7 with a 63-33 defeat of the Mountain Lionesses. Third played fourth with Bentleigh firming third spot by beating Oakleigh Districts by 33-26. Elsewhere, Doveton and South Yarra beat Black Rock and Murrumbeena respectively. Division 8 saw Heatherton beat Cheltenham take top spot from them on percentage, while Dandenong drew level with Keysborough in third spot by beating them 36-26.

Top side Dingley Two beat Mordialloc Two by 36-10 in the Under 19s, while Mordialloc One completed the day's proceedings by beating Skye by 46-20 to hold third place.

## UMPIRES' CORNER / THE WHITE KNIGHT

While there is strong rivalry between different clubs and leagues, umpires see their loyalty to the game and all other umpires above their loyalty to a particular league, so it was great to welcome six of our VAFA field umpiring colleagues to run games with us last week in some three umpire games. Thank-you to our own umpires for making the VAFA umpires so welcome.

Another example of inter-league co-operation, the AFL "Mates" program, is a great initiative with Paige Heinrichs, Joel Lewis and Riley Webster being observed by AFL umpire Rob O'Gorman two weeks ago. Rob provided our "young guns" with both verbal and written feedback so they were able to take full advantage of his experience. They also attended AFL umpires training at IKON Park last week, so they were able to observe the intensity at which the top umpires train. Several of our umpires joined Marshie at the Trevor Barker Oval the following week to watch how the VFL umpires work the three umpire system and how they share the mid-zone around every couple of minutes. As an added bonus, the VFL Development League match was umpired by our own Annie Mirabile who is in her first year on the VFL list.

As Marshie is teaching our field umpires to move to a more VFL style interpretation of the three umpire system, we are working to improve our vision so that between them, our fieldies have a view of almost everything that is happening on the field. Knowing where to look is a major skill for all umpires and particularly in the three umpire system, and allows us to control the game effectively.

In heavy conditions, play becomes more congested, with more contested ball, and opportunities for players to lay heavy bumps on their opponents. Three sets of eyes should pick up any transgressions and all warranted free kicks should be paid. End zone umpires must move up at all times when the ball is entering the 50m arc, and, when play is about to leave the end zone, the end zone umpire should square up and take set kick control so that the mid-zone umpire is ready to take control at the next act of play. By getting out wider, we can open up our vision and get a wider look at each contest so we can act effectively if there is any breach of the rules.

In all umpire systems, getting 15-20 metres away from throw-ups is an important skill to acquire in order to widen our vision. The other field umpires must also be vigilant for incidents that may happen just off the ball-up, as well as around boundary throw-ins.

Pre-match preparation starts with making sure that we have everything packed the night before the match. Abby Wilson must have been momentarily distracted when packing her gear last week, because she arrived at the

game without a whistle. Unfortunately for Abby, Marshie then "blew the whistle" on her by sharing the news with her colleagues.

Pre-match preparation also means discussing with other umpires how the game is going to be played, taking into account the weather, the ground conditions, any history between the clubs, and the match's impact on the ladder. If both sides just want to play footy, let them play. However, if they are not playing in the spirit of the game (heavy hits, late bumps etc), make sure that you involve yourself in the game. Go in and "get your hands dirty" and do something – standing back and paying free kicks at a distance is not enough!

Tane Abbott certainly got dirty last week, but not in the manner suggested in the previous paragraph. Tane had the choice of wearing dark coloured football boots or his lily white runners at Murphy Reserve last week. He did not choose wisely, and his slippery runners helped him end up in the Port Melbourne mud. Wear your boots next time, Tane. Tane isn't the only umpire to have issues with the heavy grounds that have taken their toll on players and umpires alike in recent weeks, and Marshie himself was looking a little sore by the end of his Colts match on Saturday. At least he stayed clean!

The school holidays and the bad weather meant that we were missing several umpires (last week Riley Webster went overseas – to Phillip Island), so many umpires "doubled up" to help out. By his seventh quarter, Steve Jasiak was almost out on his feet, and the defibrillator was at the ready. Luckily, Steve dug deep and completed the day without requiring medical attention.

The SFNL is very family oriented and this was evident at Black Rock last week when League CEO David Cannizzo arrived at the match with his young son. Black Rock went out of their way to look after the youngster who grazed happily on the Rockers' food and drink. Back in the early 90s, the White Knight's son would be babysat by the Rockers canteen staff so dad could umpire. Commiserations to the Rockers on the recent loss of club legend Kevin Handley.

Congratulations to Tevan D'Souza on his first Div 1 match last week.

All umpires are reminded that if there are any incidents in a match that you believe may require further investigation, it must be noted on the match report, and, if serious, phoned through to Adam Swallow at the SFNL office.

**PLAYER OF THE DAY**

**MITCH SAUNDERS**  
ASHWOOD

Midfield maestro Mitch Saunders was in the thick of the action from the get-go on Saturday, booting the Woods' first goal in the opening minutes of his side's clash with Endeavour Hills. From there, he was unstoppable, adding a second goal to his tally and dominating possession through the centre of the ground all day. His contributions helped Ashwood secure a handy away victory against a possible finals opponent.

Congratulations, Mitch!

DINGLEY

Despite featuring in a losing team alongside another standout performer, Lewis-Smith's performance was the best of the week. He managed to kick five goals out of his team's nine, and collected a mountain of possessions in a stunning display. Lewis-Smith has an abundance of talent and will be looking to continue his strong form.

Congratulations, Perry!

**TOBI CUNNINGHAM**  
BENTLEIGH

There are some decisions which make coaches look like either geniuses or idiots. It was an inspired move that put Bentleigh's smart young shooter Tobi Cunningham into defence against the best shooter in the SFNL, and after a Herculean effort all day it was through no fault of Tobi that Bentleigh could not emerge victorious. She finished her day with eight intercepts and two rebounds to be her team's standout performer in a gutsy display.
