## WHAT'S HAPPENING AT SFL HQ?

DAVID CANNIZZO, SFL CEO

Over recent years, the Southern Football League has entered into delayed payment arrangements with a number of Member Clubs. These payment arrangements have been assessed on an ad-hoc and club by club basis. The SFL has resolved that a more structured process is required for Member Clubs desiring to enter into a Payment Arrangement with the League.

Earlier this year, the SFL adopted a Member Club Receivable Policy. The purpose of this Policy is to establish a structured process with procedures that are transparent, consistent and improve the management of financial risk to the League, while simultaneously providing an appropriate level of short term support to Member Clubs.

SFL Invoices are issued in the first week of the month and are due and payable 30 days from the date of the invoice. In recent time, Member Clubs have, for various reasons, sought to enter into payment arrangements with the SFL, i.e. for reasons such as sponsorship being reduced, player subscriptions not being collected in a timely manner, other cash flow problems, some of which can be a consequence of the SFL fixture of matches, etc.

The Policy details three tiers of formal Payment Arrangement, each with a higher risk profile. Irrespective of the tier of Payment Arrangement, this policy is designed to assist a Member Club with a specific short term cash flow issue that the Member Club demonstrates

to the satisfaction of the SFL, will be resolved within a reasonable timeframe.

The SFL send Account Statements to all Member Clubs at the end of each month and the onus is on **Member Clubs to initiate contact with the League** (within the specified timeframes) if they believe they need to enter into a formal payment arrangement.

Member Clubs that are non-financial, i.e. not trading within the SFL's Current Account thirty (30) day payment terms, or that do not have an approved Payment Arrangement in place, will not be eligible to play for premiership points until their Current Account is brought back within the Current Account thirty (30) day payment terms.

**It is unfortunate that over the last week a number of Member Clubs have not adhered to the Member Club Receivable Policy and as a result were deemed to not be financial over the weekend when matches were played. As a result these clubs have lost the points from the matches they had won and the 4 premiership points were awarded to their opposition team.**

This is a timely reminder to all Member Clubs that the SFL will always work with any club through financial difficulties but it requires open and transparent communication with the SFL.

I wish you all the very best of luck this weekend.

## PLAYER OF THE ROUND

Liep Kuell  
Moorabbin FC

The BLK Player of the Round is Liep Kuell of the Moorabbin Football Club. In a dominating display in the ruck, Liep continually gave his on-ball brigade first use of the ball. Liep was then able to play a defensive role across the half back line, where he was able to hold up any attacking moves by the opposition. In a game where possessions were hard to come by, Liep was able to use his pace to good use as he became the link player for his team. Liep often found himself receiving a handball, and he would then set up play with a little handball or a small kick to a teammate Congratulations Liep.

## **DIVISION 1: FRONT & CENTRE** / WILL HUNTER

East Brighton and Chelsea Heights played out a nail-biter at Hurlingham Park, with the home side prevailing by just seven points. It was a tight contest all afternoon and the Heighters had their chances to pinch an upset win but squandered several opportunities in front of goal. The Vampires, however, proved their class and stepped up when it mattered most, with skipper Ben Douthie again at his inspirational best. Heighters star Darren Walsh was among the best in their narrow defeat.

East Malvern improved its chances of seeing September action with a commanding win over Clayton at Meade Reserve. The visitors kept the Clays goalless in the first half before cruising to a 48-point victory with a five-goal-to-one final term. Although Juy Capp impressed for Clayton, his efforts were overshadowed by the match-winning performances of Panthers Andrew Johnson and Brad Rooney.

St Pauls inflicted more pain on the Saints with a 73-point drubbing at Peanut Farm. St Kilda City could manage just one goal in the first three quarters as the red-hot Doggies ran riot. It was simply one-way traffic with Adam McIntyre and Ryan Smith finding plenty of the Sherrin and Travis Ridgway kicking a bag. Daniel McGee was one of the few shining lights on a forgettable day for the Saints.

Dingley continued its brilliant season with an 88-point thrashing of Bentleigh at Souter Oval. The Dingoos were always in control, flying out to a 50-point lead by the main break on the back of a seven-goal second term. Dingley big man Andrew Frost was the most influential player on the ground, though Dean Francis' seven-goal haul gave him a run for his money. Daniel Jones was the standout for Bentleigh.

In the final game of the round Heatherton were again outclassed, this time by Cheltenham at Ross Street Reserve. Josh Bennett toiled hard and was clearly the Tunnars' best, but nobody could prevent hard-running ball-winners Jackson Barclay and Jarrad Martin from guiding the Rosellas to a resounding 51-point triumph.

With a few cracking games lined up in Round 12, we could see the first change to the make-up of the top five in nearly two months.

### **St Pauls V Chelsea Heights (McKinnon Reserve)**

A real danger game for Chelsea Heights as a loss could see them fall out of the top five for the first time since Round Six. Although the Heighters have been playing some impressive footy in the last few weeks, St Pauls are too good a side to drop this one at home.

### **East Malvern V Heatherton (Dunlop Reserve)**

This is a massive opportunity for the Panthers. If Chelsea Heights get beaten, then East Malvern can steal fifth spot with a win here. Moreover, a thumping win over the struggling Tunnars will help boost their percentage, which will come in handy come the last couple of rounds. On recent form, you would expect East Malvern to get the job done easily.

### **Cheltenham V East Brighton (Jack Barker Oval)**

This will be a great contest between two finals-bound sides. Although the Vampires haven't been at their peak in recent weeks, they are still one of the best teams in the competition. This one should go down to the wire, but I'll tip Cheltenham in a bit of an upset.

### **Bentleigh V Clayton (Bentleigh Reserve)**

There's plenty at stake here for these two clubs. A win for the Demons keeps its finals hopes alive, while a loss for Clayton will just about draw the curtain on its 2014 campaign. The Clays took the spoils in their last encounter back in Round Three, but have recorded just one win since. On that basis I'm backing Bentleigh to claim the all-important four points.

### **St Kilda City V Dingley (Peanut Farm)**

Certainly this is a year to forget for the Saints and as they come up against the might of the all-conquering Dingoos, this could get ugly for them.

## DIVISION 1: CLUB NOTES

**BENTLEIGH Netball:** In the very cold and blustery conditions of the arctic Dingley Netball clubs, the girls produced a solid round of games. The Division 1 side had a good win over Heatherton 38 to 31, whilst in the Division 2 match we were well beaten by Heatherton 32 to 19. In the Division 4 game which was very close to half time we lost to Murrumbeena 18 to 11.

**Football:** A triple header against Dingley who were top of the ladder in the Seniors and Reserves and Second in the Under 19's was always going to be a challenge for our club. The Under 19's displayed a great team effort to defeat Dingley. In a game marred by injuries to both sides and difficult conditions, the boys produced a fantastic team effort with every player playing an important role on the day.

**Reserves:** The Reserves side in many respects were equal to that of the Under 19's. Injuries, illness, holidays, work etc. reduced our list to the absolute bare minimum. Without the assistance of the young players who stepped up, we probably would not have been able to fill a side. It was a great team effort by everybody to get so close and to only be overrun in the last quarter. The coaching panel and the club were proud of the spirit shown by all players on the day.

Seniors: What do you say but outclassed and outrun by a very talented, well drilled and professional Dingley team. We should always be looking at the positives and if there

### HEATHERTON Waltzing Matilda Heatherton Football Netball Club Reserves

Last week's reserves side looked more like a superules side as they faced up against one of the top teams in Cheltenham. Many of the old guys even wore their old jumpers so it was good to see the old woolly jumpers go around once again. Odd part was the old boys certainly held their own. A huge thanks goes to them for showing the Tunner spirit and helping out the depleted side last week. Coota was in everything as was Fergi rucking all day. Vish provided a target up forward. Was a special day being Lachie Macs 100th game for the club. He certainly put on a display as usual. Hammill was floating around

was one in Saturday's game it was the large number of ex-Under 19 players who played on the day. The first and second gamers will hopefully learn from the experience of playing against the Dingley side whose standard is one that we need to aspire to if we are to be a successful Division 1 club. This week against Clayton will present different challenges than from those experienced last Saturday. We will need to bounce back in the key facets of our game if we are to be successful. The club is confident that our players will step up to the challenge and reverse the result of our previous encounter against Clayton.

Congratulations to James Watts who plays his 50th game this Saturday. James is a great club person who offers a lot to the club both on and off the field. Grill'd Volunteers of the Week Awards goes to Greg Smith whose tireless work around the club is appreciated by all. Social: V.A.F.A team of the decade/ player's review/1000 draw has been rescheduled to Saturday August the 2nd.

Back at Ross Street after a couple of weeks away as we faced off against a finals contender in Cheltenham. Still chasing that elusive first win. Whilst the Tunners had plenty of the ball, their use and turnovers were proving costly. JB played his heart out all day, busting packs, feeding off handballs and generally bringing his team mates into the game. Once again the "Moondog" was prominent and must be figuring well in the B&F one would think. Jesse

Stone found some form in his tagging role whilst Spaz battled manfully in his big role down back. The Tunners were never able to take their opportunities. Bad kicking is bad football and when we were only able to kick five points in the third quarter, it was going to be a tough challenge. This week sees us head down to meet East Malvern. Always tough down there under the power lines but if we come with the same grit that has been shown the last few weeks, the four points are a big possibility.

### Social Notes

Dont forget the big "Onsie" party down at the club tonight. Should be some interesting costumes. Also Ladies day on August 2nd so book your seat earlier to ensure yourself a ripper day.

# DIVISION 1: CLUB NOTES

## **EAST MALVERN Reserves:**

In a tight contest, our reserves were overrun by Clayton in the last quarter to go down 8.12.60 to 6.5.41.

The boys started brightly to hold sway by 9 points at quarter time. This was followed by an even second quarter with the EM's enjoying an 8 point advantage at the main break. Unfortunately, the Resgies couldn't put Clayton away and it was the home side who finished more strongly, eventually running out 19 point winners. It was a disappointing finish given that the boys had led at every change.

Hamish Rix was dominant down back and was the stand out player for East Malvern. Brocky also played one of his best games for the season so far after returning from injury a couple of weeks ago.

Another one of our better players was Nadge in the ruck who has come on leaps and bounds and is providing our onballers with plenty of opportunities to get their hands on the ball.

Last but not least, it was a welcome return to footy for Jezza (turtle man) who spent most of the first half of the year recovering from a broken jaw. Jezza has some of the

best hands at the club and this certainly showed in the greasy conditions on Saturday.

Whilst the boys should be disappointed at dropping this game, this Saturday's clash against Heathererton represents a big opportunity for the lads to get back on the winner's list. Let's make sure we do all the right things to give ourselves the best chance of getting a win.

### **Seniors:**

The clash against Clayton was a must-win game for the Club. It was also an opportunity to square the ledger after Clayton got the points in our Anzac Day clash earlier in the season.

Pleasingly, the boys put in four quarters of solid footy to post a resounding 48 point win. The victory puts us level with Chelsea Heights on points and keeps us in touch with Cheltenham who are fourth on the ladder. After a tight start, the EM's kept the pressure on Clayton all day and led from start to finish. The boys were determined to finish the game full of running and post a big win and that's exactly what occurred with the EM's kicking another 5 goals in the final term and conceding only one.

By keeping Clayton goalless to half-time and only letting 3 goals through for the game, our defenders were among our best players for the day. Johnno had his best game for the year whilst Ralph continued his great form across the half-back line. Rooney was outstanding in the middle and kicked the goal of the day - a snap across the body from 40m out after getting past a couple of opponents. Rooms was well supported by the usual suspects including Chinga, Kurto and Ducky. Roughly stood up well in the ruck whilst Tractor relished the move forward kicking two sausage rolls.

### **Other news:**

On the social front, the annual major raffle was held last Sunday with Mick Johnstn controversially taking out the \$2,000 major prize despite calls for a redraw. But on a serious note, Mick probably bought about 20 tickets so well done!! On behalf of the players, a big thank you to the Committee and everyone who helped out for putting on a great afternoon! In particular, well done to Hotto, Hammer and Stumpy who made sure everything run smoothly.

## **EAST BRIGHTON Reserves**

After a positive start against the old familiar, the Heighthers kicked into gear. It's disappointing that the Reserves have never beaten Chelsea Heights but the fact is we've never got close. Credit to the boys for sticking at it, it shows a ton of character under adversity. There are some wins available on the run home so let's not drop the bundle and keep working at it. This is the hardest time of the year so players need to dig deeper. This week against the Rosella's won't be easy but let's put up a good show.

**Seniors** It's no secret what needs to come to the table against Cheltenham. It has been lacking over the past 2 weeks. Lucky to get away with the game against Chelsea Heights there could be few satisfied with that. Probably too many in a comfort zone at present who may need to be reminded that opportunity knocks but once. There needs to be a return to being the hunters not the hunted and there is enough experience in the team to know what is required. This could be the turning point of the season be prepared.

## **ST KILDA CITY Seniors report – Sponsored by Elwood Community Bank**

After a couple of tough weeks on the road, we welcomed St Pauls down to the Peanut Farm in what is always a tight contest against old rivals. Having fallen just short of beating St Pauls in round 2 there was some optimism amongst the group if we could pull off our strategy that a win was on the cards. Our mantra all day was to 'Play like Ports' - determination and courage, play for your team mates and every contest is important. Except for a brief 10 minute lapse in the third quarter, the effort and intent of the playing group was outstanding all day. For the first time the team managed to lay 100 tackles for a game, and this was a clear indication of the mindset and application of the team. The last quarter was extremely pleasing where the boys finished the game with plenty of run and came close to winning the last quarter. Despite the effort, some basic skill errors going into the forward line and a drop off in intensity in the third quarter cost the team and this is something that

we'll need to improve on over the coming weeks.

### **Reserves report by Blunners – Sponsored by The Inkerman Hotel**

Cold and drizzly conditions meet us at the Peanut Farm when we arrived for our game against St Pauls. The focus for the game was to play with a more consistent effort and to assist our team mates with a greater use of voice by giving verbal direction and encouragement. The game started with the resgies kicking 2 unanswered goals in the first quarter. There were some other wasted opportunities inside our forward 50 in that first quarter, which if taken, could have really put some scoreboard pressure on our opponents. The game was a tight affair throughout the afternoon but to St Pauls credit they were able to make the most of their opportunities going forward and were able to kick a number of goals at the start and then the end of the last quarter. Better players for the resgies included Lewis Mather who was excellent down back as so was Shaun Cotter and Louis McKenzie who both had big impacts on the game

## CHELTENHAM Seniors –

Melbourne's winter of miserable weather continued which marred the contest at Ross St against Heatherthorn. The Tunners may not have tasted success so far this season, but were extremely competitive and had their chances, especially in the first half. In the end though it was a comfortable victory for the boys but inaccuracy in front of goal would be costly against the likes of East Brighton, St Pauls and Dingley. We must reward the players further afield for their hard work by converting our chances. The Vampires this week are a big test, one that we failed earlier in the year. If we are to be genuine contenders at years end, we need to put in a better display than what was dished up at Hurlingham in Round 3.

**Reserves** – The boys continued their winning run with an easy win. Despite being short for numbers [again]...which is remarkable for a team atop the table, we linked well together and got the ball forward where the big fella did the rest. Tacking our foot off the pedal isn't an option and that includes this week against the Vamps.

**Thirds** – Another week, another team short of numbers but once again the players that took the field battled their butts off to nearly come up with the points. Its been a hard year but the final straight is in sight so lets finish it off on

## ST PAULS SENIORS – Sponsored by Merkon Constructions

The City boys' early plans to close our running brigade down and make it a close contested game did restrict our clean entry into the forward 50 making scoring difficult. It also made their efforts to score just as difficult and the first half was a real arm wrestle. After the long break, the game opened up and our forwards were presenting plenty of opportunities. Sneaky Travis 'Whichway' was too light on his feet for his man and Jarryd '1 came in like a wrecking ball' Allan and Andy 'Dukes of Hammer' Gilbo were creating headaches for the City backs. Our backline was standing up and they were led by the clever Ryan 'the LockSmith' whose talent is matched by an ability to read the play incredibly well. He got great support from Levi, Marra and Jack Kreymborg who all helped to keep the opposition to just 1 goal at ¾ time for the second week running. Next stop... Tucker Rd... Chelsea Heights! ...Rocket says "turn off the lights"... and oh what Heights

## DINGLEY

Eleven on the trot is a beautiful set of numbers and we'll be looking to add to that when we undertake the long trip to the Peanut Farm on Saturday. The boys put the previous week's tardy start behind them and came out of the blocks firing against Benteigh, where only first quarter inaccuracy prevented the game from being in the bag at the initial break. Big Dean had 6 to his name by half time, Matty Morwood had nailed a beauty from a very hard to score from pocket in the conditions, and Frosty was absolutely dominating. A late withdrawal from an out of sorts Tom Dureau allowed us to welcome back Tommy Patterson for his first run since Round One, and he'll only be improved by the outing. Jimmy Ball and Bret Lavars were in goalkicking form, and the dominance of Frosty, Clausen and LaRocca down back allowed the coach the luxury of releasing Tony Lavars forward, where he also chimed

the right note.

**Nautilus Marine Under 19s** – A cow paddock mud bowl greeted the boys as they trekked on down to Skye. Down on numbers meaning that it was going to be a tough slog. As normal we start exceptionally well by controlling most of the play but failed to convert this into a winning score. Once again the back line and midfield fought all day but with conditions foreign to us just being able to pick the ball up was gruelling. In the third quarter we once again dominated them but failed to convert, scoring 1.6 to their 2.1 and finally the home ground advantage was too much for our boys in the last term.

**Netball** – A rare loss for the girls in less than ideal conditions. Time to get back that winning feeling this week with finals not too far away.

**This Saturday** – Reminder to all that this Saturday the 12th July is Mannie's Day. Come join us to help celebrate Ben Fahey's young fella Mannie's courageous efforts in battling cancer and to support his wonderful parents. We encourage anyone to come down and enjoy the day as there will be plenty of entertainment including a jumping castle; child entertainer (face painting), free Big M's for all children and an auction after the senior game with items such as a hot air balloon ride, a year's supply of slurpees, accommodation packages and many more.

we'll hit... On with the show this is it...

**RESERVES – Sponsored by Pearo's Plumbing**  
After a pretty even first half with only 2 points separating the teams... we slipped into another gear to record a 39 point win. We were led by Dylan 'Dee' Peet who uses the footy intelligently and always to our advantage. We also had winners in Dan 'Hells' Kitchin who continued his good form and will come under the selectors notice with his no-nonsense approach and love of the contest & Jack 'Purple' Hayes who was electric strumming his way around the Peanut Farm like a real pro. We had great games from both Fish along with Tim East who also booted 3 goals  
**Under 19's V Carrum Patterson Lakes – Sponsored by the Benteigh RSL**  
Despite seven changes at selection and playing with only 18 fit players for 3 ½ quarters our boys started the game extremely well booting 4 goals to none against the wind in the first term. Taylor 'Fines' Mancal was controlling things across half back whilst Fred, Victor & Carlos were cutting a

in with one. Overall, just a very pleasing performance, and we still have Boyley and Luke B to come back. A slightly unconvincing Reserves side did just what they had to do to retain ladder leadership, whilst the Thirds jumped to the top rung in their competition with a mauling of the previously undefeated Skye. A couple of serious injuries severely curtailed the length of the U19 match against pacesetters Benteigh, including a clavicle fracture to our own Harry Thompson which required hospitalisation. He now joins Ginnsy on the sidelines at least until finals time. The boys fought hard, but ultimately the reigning champs were too strong. The netballers continued on their merry way, with wins in the top three divisions. A couple of big social functions coming up this month, the Sponsors' Lunch on July 19 and the Trivia night on July 26. Both will, however, look pale when compared with the

## Netballers V Benteigh

Despite the efforts of newly appointed coach Tim 'put your hand up if you have a question' Blackwood our Div 1 girls couldn't get the chocolates against the ladder leaders in Dingley going down by 10 points. Our Div 2 girls also found it hard to contain Dingley and couldn't put enough pressure on the opponents to restrict their flow. Turn it around this week... Go Girls!

## DIVISION 2: THE INNER SANCTUM / JASON BARBIN

As we move into the second half of the season, round 11 provided some surprising results while one team won their first game of the season.

Skye continued their dominance with yet another convincing defensive effort against Springvale Districts. While the defensive pressure was ever present, it was Skye's scoring power that impressed the most. The Bombers kicked 5 goals in the opening quarter to set up the victory and maintain second spot on the ladder. Marc Frizell was among the best for the Bombers while Like McGuinness kicked another 5 goals.

Mordialloc remained on top of the Division 2 ladder but their latest victory wasn't handed to them easily. Caulfield showed just how much they have improved over the course of the season, as they restricted the Bloods to just 9 goals. Their pressure resulted in uncharacteristic turnovers and inaccurate kicking from the Bloods who overcame a poor first half to record an 18 point victory. Carey Neville was best for the Bloods.

Oakleigh District moved back into the top 5 with a resounding win against Murrumbeena at Princess Highway Reserve. Oakleigh led from start to finish, restricting Murrumbeena to just three goals the entire game, all of which came in the first half. Oakleigh piled on 10 goals in the second half to run away 80 point winners. Scott Chalwell was best on ground with 3 goals.

Hampton also moved back into the top 5 with an impressive away win against Highett. The former allies from the colts competition, fought a close battle all day before Hampton emerged victorious by 12 points. Both sides had chances to win the game but the young, hard running Hampton midfield was a key factor in the victory. Joel Hanlon kicked 5 goals for Hampton.

In what turned out to be one of the games of the round, Moorabbin won their first game of the season, defeating a disappointing Doveton by 11 points. Moorabbin have shown improved form in patches for the last month but they were finally able to put together a four quarter effort which got them over the line. Their midfield worked hard all day and it showed as they ran over the top of Doveton in the last quarter. Mark Russell had 4 goals for the victors.

The season continues on into round 12 and as the finals edge closer, 7 teams still fight for the final 3 spots in the top 5

### **Mordialloc vs Hampton (Ben Kavanagh Reserve)**

Hampton were quite impressive in their win against Highett while Mordialloc really had to fight it out against Caulfield. Hampton has some good form going into this game and with a spot in the top 5 on the line, they could prove to be more than competitive against a Mordialloc side who have locked up a top 2 spot. Possible upset

*Mordialloc by 24 points*

### **Caulfield vs Moorabbin (Koornang Park Reserve)**

This is a potential danger game for Caulfield. Moorabbin showed against Doveton that when they put four quarters together, they can be a really good team. Caulfield will need to bring their best if they are going to win this game. With finals spots on the line, expect them to do so.

*Caulfield by 15 points*

### **Murrumbeena vs Skye (Murrumbeena Park)**

With their season on the line and their scoring struggles becoming increasingly problematic this is the worst time to play the best defensive side in the Division. But that's what faces Murrumbeena as they fight it out at home against Skye in what is essentially the first of many finals type games for them as the season progresses.

*Skye by 30 points*

### **Doveton vs Oakleigh District (Power Reserve)**

Doveton will be looking to bounce back after a disappointing loss to Moorabbin in round 11 but they run into another team in good form in Oakleigh, who have proved more than a match for Doveton in their previous encounter. Season defining game for both clubs, as they look to book a finals spot in 2014.

*Oakleigh by 26 points*

### **Springvale Districts vs Highett (Springvale Reserve)**

Two more teams fighting for a finals spot finish off round 12. In their previous encounter, a 12 goal second half provided Highett with one of the better comeback wins this season. Springvale won't have forgotten that game and will be looking to extract their revenge at home and maintain their 3rd spot on the ladder.

*Springvale by 17 points*

# DIVISION 2: CLUB NOTES

**HAMPTON** We crossed the highway to take on Highett which was a massive game for both sides. The Seniors got off to a great start with Joely kicking 4 of our 5 goals in the first quarter. It was a much more even contest after the first break with the Hammers going into the 3 quarter time break 4 points up. The last quarter was an arm wrestle with the Hammers coming away with a hard fought 2 goal win to set our season up and jump into the top 4. Toddy continued his good form and our backs led by Harro, Sheddars, Nicko and Reid stood tall all day. The Ressies were flat early and went in a couple of goals up at the long break. To our credit we changed our approach and intensity kicking 12 goals and keeping Highett goalless with our defensive pressure. JP kicked 7 with Andy continuing to shine along with Shippa, Patty, Hunty, Bairdy, Azza and Stiffie, but really a great team effort.

The Under 19s came up against a bigger, stronger and older Clayton outfit but to our young guys credit we never threw the towel in. We managed to kick our only goal late in the game thanks to Beery. Our usual suspects stood up with the Timms cousins, Diggers, Stevo, Mason and Beery. Keep at it boys and let's get some consistency on the training track. The Hammerbirds played in much kinder conditions this week walking away with a good win against Heatherton. All girls put in a huge effort with their game pushing the ball forward at all times. Miriam blitzed in goals again with back up support from Beth and the last 1/2 of the game. Some amazing airborne defence work from Jade, Ash C throwing out some awesome speckles and strong defending by Rachael had the opposition stuck for plays. Well done ladies! Next week we will be heading to the 'peanut farm' as guests to play St Kilda City.

This week we take on Mordialloc which again is a massive task for our boys which we welcome with open arms.

**OAKLEIGH DISTRICT** Another two solid performances by the boys set up 2 great (almost identical, scorewise wins.) In the twos The great Lobosco was at his best with good efforts from two newcomers In Dean and Simon. Great to see it coming together now. Once again the firsts had many good contributors, Scoot, Paulie, Will, Joey and Mladin particularly. Congrats

to Rexie who pulled the coach in the swindle! Saturday night function went really well. Most importantly we have our biggest fundraiser of the year coming up. The comedy night is on the 26th of July in our clubrooms this year. We need every player in attendance along with wives, friends and families. Kick-off is 6.30 pm after the Moorabbin game tickets \$70.00 double and \$40.00

a single with plenty of finger food provided. Many thanks to all our sponsors, Notting Hotel, Step Into Life Oakleigh, Bendigo Bank Murrumbeena, Ray White Oakleigh, Roma Food Products, Chadstone Toyota, Green and Gold Tree Removals, Trevillian Signs, Boags Draught and G & C Motors. Go Oaks!

**HIGHETT** Under 19's: the best four quarter effort for the year. From the very first bounce we ran in numbers and did all the team things. The most pleasing thing was our awareness to centre the ball and back each other up. Everyone did their bit in a disciplined team effort. Reserves tried hard, thankyou to the boys who backed up from the first game. Seniors lost in a close game. GO DOGGIES

### MOORABBIN Seniors

Absolutely fantastic effort from all 22 players last week in beating Doveton. Younger lads are really starting to step up. Now is the time to believe lads. Let's get to training this week boys. Really big game this week.

### Reserves

Reserves were hoping to notch up a win against Doveton at home. We were good in the first & third quarters, but lack of discipline in the second and lack of fitness in the last ultimately cost us the game. This week against Caulfield who we

managed to beat last time, if we play four quarters of football we should record our second win of the year.

### Thirds

The thirds made it two in a row when they took on Doveton at home. Doveton came out firing and at half time it was anyone's game. In the second half the boys lifted, and in the end came away with a good win. Jimbob played a huge captains game and was clearly best on ground. Hoppo was a big target up forward all day and along with Sam Parry, helped us kick away in the second half. Dave Matthews was solid down

back, and Brooksy and Greeny worked hard all day. Another good team effort. Let's make it 3 in a row this week.

Thanks to our sponsors Bendigo Bank, Yellow Express, TDT Driver Training, Marks 4WD Adaptors, Mordialloc Sporting Club, Centre Plumbing Plus, Group One Electrics, Pat's Premium Auto Trade, Johnson Painting Group, Roy Higgins and Wylie Dalziel Racing and a special thank you to ELG & Robinson Butchers Williamstown for the magnificent sausage sizzles after homes games and Thursday night meals.

### MORDIALLOC

We cannot say anything spectacular about the way both Seniors and Reserves played on the weekend, both games were very frustrating to watch, all dissipated into the worst performance of the season. Caulfield were well prepared to take us on and nearly succeeded with their tenacity around the ground, but somehow both grades came away with wins. The key word here is SOMEHOW.!!! Seniors won by 3 goals, the Reserves by 2 goals. It would be fair to say both grades played about 20 mins of good Footy for the entire 4 quarters, which won't cut it if we believe we are a threat for the flag

in 2014. It was a disappointing effort and both coaches made that clear to the players after both games.

As far as the Div 2 ladder is concerned there are sides as far down as fifth that can and will be contenders for the FLAG. Not all is lost, you can only play as well as the opposition lets you play so we will take the wins and move on.

It is hard to name good players out of the games, in the Seniors Todd Bastion, Carey Neville, Sean VanVelsen and Nick Corda held us together and two players in our backline put in good efforts Simon Fragiacomo David Margulio. In the Reserves, Mick Fries, Sam Turner, Cameron Patton can hold their heads high, Scott Pitura and Josh Jewel

had good 2nd halves.

Both sides need to lift, effort effort effort, discipline, ball control, teamwork and an ability to pick up the loose opposition player will go a long way in securing a win against Hampton. We host the blue 'n black's at home this weekend, Hampton who have moved into 4th on the ladder.

Thanks to our Sponsor Support. Mordialloc Sporting Club, Jims Mowing, Ray White Mordialloc, Darren Freyer Racing, Brinner Signs, Go Fitness, Maro's Pizza, Bendigo Bank, Mr Donut, Eversweet, Airays Inlet Holiday Park., Highway Tyres. Mighty Bloods v Hampton at Ben Kav should be a beauty.

### MURRUMBEENA ON THE FIELD

Murrumbeena travelled to play at Oakleigh Districts last Saturday. Unfortunately both teams lost on the day. With so many players unavailable, the Beena teams were full of inexperienced youngsters and the old brigade who once again pulled the boots on for the Beena. The reserves game ended with a score line that did not reflect the game. On the scoreboard we were well beaten by a bigger and more experienced Oakleigh unit. But the Murrumbeena boys never gave up. This was an undermanned side who were proud to wear the Beena jumper and they fought hard all day. Better players for the Beena were Sam Moloney, Shane Dennehy and new player Arnie Clever. The senior game was very much more of the same. We had five new players in an already depleted side. But as Coach "Steve" has said, "When a player is unavailable, it presents an opportunity for someone else". Our team was no match for the

more experienced Oakleigh side, but as with the reserves, the Beena boys fought hard, especially in the second half. Although this was not reflected on the scoreboard, our young players stood up and let their opponents know that they were in a battle.

Better players for Murrumbeena were Tom Valenta, Chris Evans and Will Voorham.

Well done to both sides for their effort. As our more experienced players return your efforts will bring results.

### NETBALL

The Murrumbeena ladies had a good win in the Netball last Saturday. They played Bentleigh and won 18-10. This was good to see and well deserved. The best players were Grace Bibby, Jade and Sarah Bolland.

### THE IRISH HIT THE BEENA ARENA

The Irish Hurling and Gaelic Football boys train near us and sometime come into the club rooms after training to join us for a drink or two. Today we are glad to have them with us at the Beena Arena. During half time of the senior game we will see exhibition matches of Hurling and

Gaelic Football. Welcome boys and we look forward to seeing you in action.

### OFF THE FIELD

Today is another Community day at the Beena Arena. The Murrumbeena Football Club welcomes all member of the local community who have joined us today. Please come into the club rooms and enjoy our hospitality at half time in the seniors and after the match.

### SPONSORS

The Beena is indebted to the following 2014 loyal sponsors including a number of welcome additions: Thomson Real Estate, Chadstone Toyota, Oakleigh Lions Club, Sheen Panel Service, JEMCO Kitchens, Atwood Newsagency, Bakers Delight, Bendigo Bank, Brew Bar, Cross Hydraulics, David Jones Pharmacy, Harijan Investigations, IGA X-Press, M-Print, Zests Pizzas, Bowen Automotive, FPC Financial Planning Choices, Streets Ahead driver education and the Rosstown Hotel.

## DIVISION 2: CLUB NOTES

**CAULFIELD** Great effort by the boys at the Cave last Saturday but unfortunately neither the seniors nor the reserves could get the chocolates over Mordialloc.

The reserves game was a low-scoring affair, with just one goal kicked in the first half. Both sides hit the scoreboard with more frequency in the second, but unfortunately it was Mordi that were able to take control of the match. The boys played great footy for most of the afternoon, and although the two-goal loss to one of the competition's benchmarks is a terrific effort, this match will ultimately go down as one that got away. Anthony O'Shea's defensive efforts helped keep us in the contest while Steven 'Scuba' McLean was again super in the ruck. Lawrence

**SKYE** Well done to all teams on the weekend. There were some great results and some not-so-good results for the Bombers this week. Well done to the seniors, reserves and under 19s on their sensational wins. Bad luck to the thirds and netball. It was great to see the netball girls put in a solid effort.

Our senior coach, Ben Walker, was the special guest on the 88.3FM Sunday Footy Show over the weekend. A big thank you to Rob Sharpe and the boys at SFL Media for having us on the show. We have all sides away this week. Seniors, reserves and under 19s are

**DOVETON EAGLES** All three Doveton Eagles sides travelled to Widdop Crescent Reserve to take on Moorabbin. The Thirds looking for their first win of the season, came out all guns firing, to the guy's credit, we put up a great team effort, and were neck and neck with Moorabbin up in till the last quarter, when Moorabbin kicked away. Best players for us were Dean, Purple, Jimmy, Merto, Catto and Piercy. Dean was our major goal scorer with three goals to his name, he was also helped out by Piercy with two, Catto, Brown, Eddie and Merto all with singles.

It was our Reserves turn to take the field against Moorabbin, we were out to try and string two wins in a row. And we achieved just that! Bop must

Twirdy and Andrew Casserly also found plenty of the Sherrin for the Bears.

Smashed by over 100 points in our last meeting with the ladder-leaders, the seniors showed just how much they have improved in the last nine matches. Despite going down by three goals, the boys were never out of the contest and took the fight right up to the premiership favourites, particularly in the first half. Tom Dickson bravely overcame a heavy knock to the scone to be one of the most influential players on the ground. Col Trigellis-Smith was also superb down back while Kit Hardgrave and Nick Perry continued their improvement.

A very solid effort, lads, but we need a big win this week over Moorabbin at

at Murrumbena, while the thirds have a tough task taking on Cerberus down at the naval base. The netball girls take on Clayton at Rohan Rd. We need all players who haven't had a player photo done to make an effort to do so.

Thank you to everyone who attended the Sands dinner and the Sandown Greyhound day. Two great events that produced some good times.

All players please remember to keep selling your \$3000 draw tickets. We are hosting our Trivia Night this Saturday. All members are encouraged to get involved, however there are limited spots available so

have had leather poisoning after having his own footy at the weekend. Aiden was strong up forward after being promoted this week from the Thirds to kick 4 goals. Aiden was helped out by Joel who kicked another 4 as well, Nob kicked 3, D. Martin, Bop, and Switcher all kicked 2 and Rakic 1. Aiden was best on with his 4 goals, and was helped out by Bop, Nob, Rakic, Gav and Harris. It was our Seniors turn to come out and try and get two wins in a row for the first time this season against Moorabbin, but things didn't go to plan. Nathan Graeske was a lone hand all afternoon in the middle, Davo came off the bench and did a great job down back. Motty was the general down back in the wet and windy conditions. Sneaky played

home if we are to play finals footy.

This Saturday night is our next major social function - the Caulfield Bears Cocktail Party. This do is a little bit more sophisticated, so it's time for the fellas to get suited up and the ladies to bust out their best cocktail frocks. Head down to the London Tavern from 7:30pm and enjoys a ripping night of cocktails and live music. It should be an awesome do so I expect to see the majority of the playing group in attendance.

his first senior game of the season and managed to kick 3 goals. With Sneaky's 3 goals he was helped out by Hoover and Hunt with 2 goals apiece, with singles to Rama, Hayden, Matty O and Hitchy. Nathan Graeske was our best player, he was helped out by Keith, Motty, Sneaky, Chaddy and Davo. ## DIVISION 3: MAN ON THE MARK / ANDREW PALOCZI

Carrum Patterson Lakes ventured to Barry Powell Reserve to take on Lyndale. The Lions led at every change and held a 17-point advantage going into the last term. The Pumas then made a charge, keeping CPL scoreless for the remainder of the match and winning by eight points. Taylor Irish was the Pumas best along with Trevor Kumetaitis who was the difference up forward kicking four majors.

South Yarra played at home against Sandown and the Lions were expected to have a tough day against the Cobras. Cory Brady helped to ensure South Yarra caused an upset as he booted five goals, being named in the Lions' best, behind Matthew Jewell. The final margin was a comfortable 35 points.

Starting the last quarter 45 points behind Ashwood, Dandenong showed character adding four goals to none in the final term. The Magpies' winning margin was only 17 points. Ben Giblett was their most productive goal kicker with four, and Matthew Maginnes was the best player for them.

Endeavour Hills hosted Black Rock. The Falcons fought hard but were outclassed on the day as the Jets won by 34 points. Steve Baranski was impressive again, being the Jets' best player, and Tom Dewar was the major goal kicker for the winners with three. Allan McPherson deserves credit for a strong performance, booting four of the beaten Falcons' seven goals.

After tasting its first defeat last week Mount Waverley was expected to bounce back on its home turf against Hallam. The Mountain Lions were ruthless, destroying the Hawks by 116 points. James Gough had another productive day for the ladder-leaders with

seven goals and Joey Rickard managed five of his own. Chris Draper was named the best for the victors.

Round 13 kicks off with a Friday night match as Hallam hosts Dandenong. Those spectators who brave the cold should be rewarded with a tantalising contest. When these teams met earlier in the season the Redlegs prevailed by four points. It should be close again, but it is hard to predict a winner. Perhaps it might be the first draw of the season.

Black Rock is at home this week and will need to be at its best against Mount Waverley. Last time these teams met the Mountain Lions scraped home by one goal. They deserve to be favourites again, but the Jets are capable of winning and it shapes as an exciting day.

Sandown hosts Endeavour Hills and should be too strong for the Falcons, but it will be interesting to see whether the Cobras can regain confidence after a disappointing loss.

Carrum Patterson Lakes is home at Roy Dore Reserve this week and South Yarra will have to be at its best to provide a challenge. It will be a real surprise if CPL loses two games in a row.

Ashwood is the home team in a clash with Lyndale. This promises to be a close game. Last time these sides met, the Pumas got home by three points. Both sides will go into the contest with confidence after each has recently defeated one of the top two teams. The home ground advantage may tip the game in the Magpies' favour.

# DIVISION 3: CLUB NOTES

## CARRUM PATTERSON LAKES

This Saturday is a special day for CPLNFC as Carrums 1994 Premiership on & off field members celebrate their 20 year reunion. To Possum Carpenter, Soley and every one attending welcome back to Roy Dore Reserve. We hope you have a fantastic day reminiscing and supporting today's lads who are wearing your colours. Today's reunion reminds us how special it is to have senior footy resume at Roy Dore Reserve. So to all involved be proud of your contribution. Do not take anything for granted, remember it is your Club & it is what you make it both on & off the field. And if you are not already involved but

## ENDEAVOUR HILLS

An extremely undermanned and young Falcons team took on 3rd place Black Rock at home and despite the 34pt margin at the end of the game favoring Black Rock it was a much improved team performance in response to the previous week's miserable effort against Hallam. Best players Aaron Brooks, Byron Hoe, Andy Mitchell, Mitch Whatman, Neil Peake, Alan McPherson. Goalkeepers Alan

## ASHWOOD Seniors

On the hill we knew it. The coaches told the players that this was a big danger game after the previous week but to the players credit they played a superb 3 quarters of football completely outclassing their opponents. We went to sleep at three quarter time but in the end got the 4 points which is why we play football. The first quarter was a dour struggle with both teams trying to gain an advantage with Ashwood going in 16 points up after playing some good football in passages. In the second quarter we continued playing really good football with some outstanding passages of play & some even better pressure both physically & mentally going in at the long break 13 points up & as was discussed at half time the players were going through the motions barely doing enough. We knew Dandenong would come out & play hard footy however whatever was said at half time worked & the players stepped up a gear leading by 45 points at three quarter time & that's where it ended with Ashwood not scoring at all in the last term to Dandenong's credit they never gave up & nearly got the

want to be, don't be shy, just ask.

Reserves: Omars boys have gone to the top of the ladder. Congratulations lads. An even performance resulted in a solid victory over Lyndale. Seniors, U19s & Div 2 netballers suffered defeat.

It was great to see Halesy & Brenno ( 2 inaugural players) come out to the game last week.

This Saturday it is important for all teams to finish with a win. All we ask for is your best, nothing more, nothing less. Enjoy the contest, enjoy the camaraderie and you'll enjoy the week.

CPLNFC would like to thank our loyal partners for supporting the Lions in 2014:

McPherson 4, Shane Peake , Byron Hoe , Mitch Whatman.

The 2's struggled with getting numbers during the week and come game time were still short. A special thanks to those from the 3rds who stayed on to put in back to back games. However extremely undermanned as well they were not able to get anything going their way going down by 100pts. Best Players: Jordan Volkoff, Wayne Smith, Jordan Lindsay, Josh Ladson. Goal Kickers: Rob Tinney 2, Clint Jarrett 2.

win but the Ashwood boys have finally found out what it takes to win games of football. Better players on the day were Hodgy, Jezza, Punter with his 4 goals, Pickles in the middle & Smithy in defence a special mention must go to Scotty Alford for the job he did as well. 8 point game next week against Lyndale who we only lost to by 3 points earlier in the year so let's make sure we are switched on.

Congratulations to Chris Scully on 100 games for the club.

Go Ashy Mr X.

### Reserves

This week saw us travel to Dandenong with a chance to redeem our last encounter loss. Birdman started the game for us with a bang and was everywhere. We managed to keep the opposition scoreless in the quarter through hard running, desperate attack on the ball and team play unseen for a while. Though weather conditions were unfavourable for the day Dandenong responded in the 2nd quarter with 6 scoring shots to our 2, but the boys rallied to come in at half time in the lead. The second half was an even affair but the team stuck together to repel Dandenong's charges

time and again. Emmo, Pricey, Jase were solid, and the return of "The Shepherd" helped guide the flock to victory. This game showed how close this competition is, and that no team can relax for any period without the other taking advantage. Get together with Crock during the week, talk to him about your roll and how you can improve it for yourself and the team. We are one step closer to our goal, and as a cohesive group we can do anything. Thank you to all the staff that performed in the weather on Saturday. Don't underestimate your value to the team.

## DIVISION 3: CLUB NOTES

**SOUTH YARRA** The Thirds played Sandown and lost 59 to 151. Good to see the thirds score some goals. Better players were Mars, Matty, Scott, Liam, Will and Quatts.

The Reserves played ninth placed Sandown and were 5 points to a goal at quarter time. At half time the Yarras remained goalless and were 8 points to 3-2-20. The Yarras worked hard in the third term and kicked 4-1 but a lapse in concentration allowed the Cobras to kick 3 goals in a row. At three quarter time the score was 4-9-33 to 7-5-47. Quinn and Crosswell kicked two each, and Smith and R. Dore kicked one each. R. Dore rucked well, Crosswell provided a good option up forward and took some great grabs in the wet, Clohesy and Costello were great down back, and Quinn was solid up forward. But once again, the Reserves disappointed against a lower ranked side despite holding possession for most of the game. Final scores 6-9-45 to 9-7-61.

### MOUNT WAVERLEY GET WET POOLS SENIORS REPORT:

Good to be back on the winners list, defeating Hallam by 116 pts. Joffa and Joey Dickard combined well up forward kicking 12 between them, and was well supported by Cammo (3) and good to see Keats finally get back on the goal-kickers list for 2014, kicking 2. Good defensive game by Drapes for his first Senior game and hopefully more to come!

The wet conditions suited our smaller harder players like POOerz and Stapes who battled hard all day. It was unfortunate to see MJ go down with a bad ankle injury who we hope has a speedy recovery. But this allowed Drewie to

**DANDENONG** Round 12 has come and gone as we hosted both the Cheltenham Thirds and Ashwood at home. Saturday was fantastic day for some, disappointing for others.

**Thirds:** Picked up an upset win over Cheltenham to claim the four points for the day. We knew it was always going to be a tough battle however the boys held strong and confident. We faced a ten-point deficit at half time, and managed to claw our way back against the wind in the third to be level headed into the final break. Endeavour and a bit of heart saw us lift even further in the final term as we kicked five goals to zip to come out 32-point victors. James Stewart led the way from the middle whilst Kevin Stott and Adam

The Seniors played fourth placed Sandown and the betting agencies had the Cobras as heavy favourites. The Yarras were up by two goals both at the quarter-time and half-time breaks. The Yarras kicked six goals in the third term to have a 5 goal lead at three-quarter-time. To quote Devlin's three-quarter-time speech "Hounihan, good; Isherwood, good; Rogers, good; Mahoney, good; Gloury, good; Ardern, good; Jewell, good; O. Smith, good; Brady, good; Higgo, good; Gledhill, good; Finlayson, good; Russell, really good; Dickson, good; E. Hanney, good; T. Hanney, good; Cellini, okay; Delloroso, good; J. Smith, good; Borg, good; Lamont, good and even M Bohan, good." The Yarras had control of the game throughout the day and played really well for four quarters. Final Scores 13-10-88 to 7-11-53. The boys sung the song with gusto which can be viewed at [www.facebook.com/southyarrafc](http://www.facebook.com/southyarrafc) The boys will be enjoying a Sunday Session at the club rooms from midday on 13th July 2014. The Auction and Trivia Night will

show off his athletic abilities in the ruck which proved a handful for his Hallam counterpart. The boys ran hard all day and moved the ball extremely well in wet and slippery conditions.

### MARISA'S PIZZA RESERVES REPORT:

A poor 1st Qtr and 4th Qtr cost our boys dearly, going down to Hallam by 53 pts. Seanie battled hard all day, getting a fair bit of it and kicking 2 goals. Jezz was a livewire up forward, kicking 2 goals (should've had 5 for the day). Good to see Stinky back who competed well in first game back in a while, Alby and Anth fought hard down back and KANGLIM and Jagerbomb ran hard all day through the middle.

#alwaysnextweek

Cooke stood strong off the half back line. A solid team effort for the boys – they should all hold their heads high.

**Reserves:** Yet another scoreless first quarter saw Ashwood get a 14-point jump which proved hard to come back from. A 17-point deficit heading into the fourth quarter wasn't impossible to come back from however Ashwood were resilient which gave them a 19-point victory. Credit to Ashwood for the class they showed throughout. Lachlan McKay was best on for the Redlegs kicking a sausage roll and patrolling the half-back line. Mick Lawrence also slotted through two to put his tally up to 21 for the season.

**Seniors:** We saw this as a winnable game with Ashwood only having won 4 games for the year. It was a gruelling game up

be held on 19th July 2014. Get onto [www.clubbid.com.au](http://www.clubbid.com.au) to check out our auction items.

### AUSKICK

**Yo-get-it**

In blustery and chilly weather conditions Max, Henry and Jackson (Blue Goblins) played against Patrick, Seth, Lauren and Sienna (Red Devils). The crowd really got behind the kids. ### ELECTRO MONKEY THIRDS REPORT:

After the tough loss last week, the boys were determined to get their winning season back on track and defeated Hallam by 97 pts.

The Father-Son Smith Family Duo combined well with Old Smitty being a headache up forward and Young Smitty terrorising opponents on the wing. Driver and Birddog controlled the backline with Birddog cutting off multiple forward attempts by Hallam and Driver running it out with ease.

Proctorius was dominant in the Ruck with Lukey and Wickers utilising their speed to great effect.

#mountfooty

until the third quarter where Ashwood kicked six unanswered goals to one to hold a 45-point lead at the end of the third. Things took a turn in the last quarter as we held them scoreless whilst kicking 4.4 ourselves to bring the margin back to 17-points at the final siren. Steve Young was best on for the seniors whilst Brodie O'Loughlin's composure around the ball was once again exceptional.

We'd once again like to thank our sponsors for the continued support they give us – Sofia's Frankston, Pauls Warehouse and The Dandenong Club.

# DIVISION 3: CLUB NOTES

**SANDOWN** We travelled to South Yarra last weekend with our Thirds a little undermanned notching up a great win, thanks to a great team effort and eight goals to full forward Matt McCormick who also had to slide up and help our Reserves. Speaking of our Reserves it was another crunch week to stay alive for a finals spot and the boys delivered with a hard fought win. Our Seniors unfortunately dropped a game that we shouldn't have, being outplayed by the Lions who were 4 games behind us by 35 points. Congratulations to

Jason McAninly who won the 1000 draw last Saturday Night and a big thanks to everyone who ran the night. **LYNDALE** Well last Saturday was a day to keep you on the edge of your seat with some healthy competition from CPL. Our reserves unfortunately weren't the lucky ones on the day with CPL taking the win. However, our senior match was a fight right to the last second. A great game played and could've have gone either way, excellent work from the Seniors this week bringing home a win and a nice confidence boost too. Hard work pays off boys, keep up the good work and keep in mind "Win or Lose we keep on trying". This week we are away at Ashwood, fingers crossed for decent weather. Reserves will kick off @ 11.45am and Seniors to kick off @ 2pm. Essex Heights Reserve. Anyone needing a lift to the Ashwood game don't forget to ask around. Our Div 3 Pumas played Dingley on Friday night but lost out and Div 4 Dales played up against Chelsea Heights on Saturday and brought home another win. This week the girls are back at the SDNA Complex, Rowan Road Dingley Village. The Dales

will play against Doveton while the Pumas have a bye. Anyone able to make it down to the courts, get down and cheer our girls on. We also ask everyone to try and make it to the sponsorship dinner at the Village Green Hotel after the Ashwood match. Cnr Springvale & Ferntree Gully Roads, Mulgrave. Help us give something back to our valued sponsor. Function reminder for all, **Sunday 3rd August** - \$1000 draw @ LFC club rooms. \$25 tickets, BBQ provided with complimentary 1 beer / wine / soft drink on arrival. **August 9th- \$\$\$ DRAW.** The Clubs MAJOR fundraiser for the year, please get tickets all sold/ returned by end of July- All welcome.

**The Mentone Hotel - Seniors Report:** Tough conditions for the trip to EH, started well & maintained a lead throughout the day, pretty solid team effort. Big game this week Vs ladder leaders MW, test out where we're at, we've been getting close in these games, bout time we took the final step & knocked off one of the big boys !!

**TWB - Reserves Report:** Great effort by the 2's this week, having to travel to a cold,

wet, miserable Endeavour Hills. After 3 disappointing close losses on the trot, the challenge was laid down to the playing group to work hard and give a consistent 4 quarter effort. The response was impressive, particularly the pressure we applied to our opposition throughout the day. Old man river once again slotted the odd goal up forward, Coleman dominated in the midfield with great support from Parrot and Nicho, and Booby was great all day in the ruck.

**Bendigo Bank - Thirds Wrap:** Rough day at the office, credit though to the guys that toughed it out.

**Telstra Shop, Sth Melbourne - Netball Report:** Big win for Div 2 while Dive 4 was close all day but went down by 2 goals. Great work girls!!

## UNDER 19'S: BREAKING THE LINES / JOSH SCHONAFINGER

Round 11 kicked off with Skye hosting Cheltenham and easily getting the better of their guests. Joel and Ryan McConville kicked eight goals between them as the Bombers triumphed by 64 points.

Whoever won out of Carrum Patterson Lakes and St Pauls would find themselves in the top five by the end of the round, so there was plenty to play for. As it turned out, the Doggies were buoyed by Zachary Spencer's six goals and CPL were never in it, going down by 76 points.

Meanwhile, the Hightett Dogs trounced Chelsea Heights to record their first win of the season. Mitchell Hoar kicked a handful and Callum Tate was influential as the Dogs won by a whopping 78 points.

Hampton had a dirty day against Clayton, failing to score until the final term. Needless to say they went down, with the Clays piling on the pain with

nine last quarter goals. Mason Lambert kicked ten goals in a dominant display - the final margin was 121 points to Clayton.

First played second as Benteleigh visited Dingley, and the Dees showed why they haven't been beaten all season, overpowering the Dingoes in a real arm-wrestle. While both sides were solid, Benteleigh got the bikkies thanks largely to superior finishing in front of goal.

The Dees now come up against the team newly promoted into second, Clayton, this week. It should be a mouth-watering clash, headlining what should be a fantastic week of footy.

With only seven rounds remaining until finals, we've reached the 'premiership quarter' of the season. It's now or never for many sides and individuals. Good luck in Round 12!

## Leader SHOOTING STAR OF THE WEEK

The Leader Shooting Star of the Week Award returns for 2014. Each week a player from the Under 19 competition is awarded the "Leader Shooting Star of the Week".

### ZACHARY SPENCER ST PAULS FC

Round 11 Leader Shooting Star Award Nomination is Zachary Spencer of the St Pauls Football Club. Zachary had another great game on the weekend kicking 6 goals to take his season tally to 28 and if his weekend form is anything to go by, there are plenty more goals to come this season. With the help and guidance of the St Pauls coaching staff, Zachary has taken his game to another level this season and it's only a matter of time before we see Zachary establish himself as a senior player in the SFL.

**Congratulations Zachary Spencer of the St Pauls FC – The Round 11 Leader Shooting Star Nominee**

# THIRDS: LEATHER POISONING / JOSH SCHONAFINGER

Cerberus showed that they are just hitting their straps with a 34 point win over Clayton away from home. After a slow start, Cerberus kicked five goals to one in the second term, from which the Clays never recovered.

Previously undefeated Skye bombed out against Dingley, falling convincingly by 56 points. The Dingoes kept the Bombers scoreless in the first term and were in control thereafter. The impressive performance puts the Dingoes on top for the first time since Round 1.

Spectators at the South Yarra and Sandown clash got to see a classic shootout; Peter Maynard (seven goals) and Matthew McCormick (eight goals) went toe-to-toe for their respective sides. That was the closest match-up of the day however, as the Cobras easily outclassed the Lions, winning it by 92 points.

Dandenong and Cheltenham looked set for a thriller with scores tied at three quarter time in their match

at Greaves Reserve. Against all odds however, the Redlegs kicked five goals to none in the last and won by 32 points, their second 'W' of the season.

Mount Waverley again won, and the 97 point drubbing of Hallam was a much needed percentage boost ahead of finals. Nicholas Smith kicked seven goals for the Mountain Lions, and the Hawks were easily outscored in every quarter.

Moorabbin made it two on the trot with a 39 point win over Doveton at home. Only four points separated the teams at the major break, but the Eagles ran out of the steam, conceding five goals to one in the last quarter.

Finally Endeavour Hills had a big win over Black Rock, to the tune of 101 points. The Jets only goal came in the last quarter, while the Eagles kicked 17 for the match.

Can the in-form Cerberus knock off Skye? Regardless of which match you're at, enjoy the Round 12 SFL action!

## Hihgett Football Club

40<sup>th</sup> Anniversary Golden Era Reunion.

All are welcome to attend, players-officials and supporters.

A 40 year Anniversary Reunion to celebrate and relive memories of the Hihgett Football Club's golden era 1971-1974, will be held at Sandy By The Bay, Trevor Barker Oval, Sandringham on Friday 15<sup>th</sup> August. **An occasion not to be missed**

The Reunion has attracted huge support with ex players/officials and supporters travelling from all over the country to attend and relive the memories of what were the most exciting and successful days in the history of the club. Past players including captain/coach Darrel Mackenzie, mercurial full forward Bill Hicks, prolific ball getter Des Dunn, games record holder Daryl Davidson, the dynamic Douthie brothers Graeme and Ron, Ian Thomas, John Fountain, Gary Presnell, Keith King to name but a few will all be there, as will most of those who played in the 1971, 73 (Seniors & Reserves) and 74 premierships together with club officials and supporters. **What a night it promises to be, a night not to be missed.**

Hihgett Football Club playing in the then Federal Football League's Second Division from 1934-1945, played in three successive Grand Finals-1936-37-38, finishing runners upon each occasion before winning it's first Premiership in 1939. 1954 saw the club in the Federal League's First Division, however from then on the record was not good, 405 games for 102 wins, 299 losses, 4 ties and the wooden spoon on 6 occasions. Not good enough was the catch cry and at the end of the 1970 season, the club embarked on a mission to become the most powerful club in the then Federal League, and appointed Sandringham ruckman Darrell Mackenzie as coach.

With a premiership in 1971 it was a decision that brought the club immediate success. Under Mackenzie the club played in four successive Grand Finals winning Premierships flags in 1971 v Springvale, 1973 v Noble Park, 1974 v Cheltenham and in 1973 under Peter Ryan a Reserves Premiership v Oakleigh Districts, all of which made the Hihgett Football Club a powerhouse of the Federal League throughout the seventies. 1971-1974 were without doubt the most exciting and successful four years in the history of the Club

In 1979, Hihgett under the administration of a group of former players, appointed Port Melbourne great George Allen as coach. Allen led the club to its fifth Federal League Grand Final defeating Clayton to deliver the club it's fourth Federal League Premiership in nine years. With the Federal League going into recess in 1981, the club transferred to the South East Suburban Football League, now known as the Southern Football League, where it plays in the League's Second Division.

Full details concerning the 40<sup>th</sup> Anniversary Reunion are available from the Organising Committee at [www.hfcqe.blogspot.com](http://www.hfcqe.blogspot.com) or [hfc40thanniversary@gmail.com](mailto:hfc40thanniversary@gmail.com)

### CARAVAN COMMENTARY / JOHN TAKEMURA

Welcome to another instalment of 'Caravan Commentary'.

The caravan ventured out to Widdop Crescent as the Moorabbin Kangaroos looked for their first win of the season against the Doveton Eagles.

The Eagles have been impressive in recent weeks to place themselves in finals contention and started heavy favourites. However, as was proven on Saturday things don't necessarily always go to script. It was noticeable that while the Kangaroos may lack the skills of some of their opponents, one thing they certainly don't lack is effort. They put up a 100% committed four quarter performance and their determination to fight back when the Eagles took the lead in the last quarter was noteworthy, especially as one got the sense they were going to be overrun. Coach David Stynes has done a fantastic job moulding a team of players together many of whom are from overseas and have played very little football. It was great reward for effort, it what has been a tough season so far.

Liep Kuel was outstanding in the ruck using his athletic leap to his advantage, often thumping the ball forward to give the Roos first use and Puhtrake and Matene Herbert were solid at both ends of the ground. While, the star man for the Kangaroos Matt

Johansson stood up when it counted in the last quarter with two key goals. As for the Eagles it was a game they simply couldn't afford to drop to be a finals contender. I felt their ball movement was a little bit slow, which didn't really give their full forward Peter Dye much of a chance in a one on one situation.

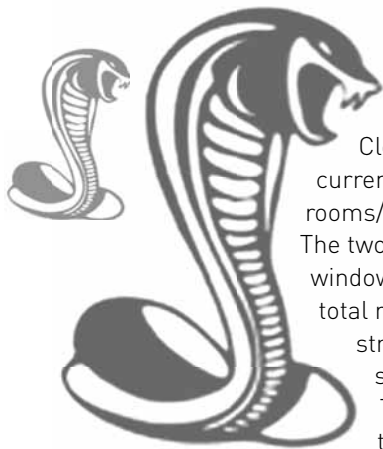

The upside for Doveton is they had many players down on Saturday, so therefore the improvement can be immediate.

If they can make the finals, the Eagles could cause an upset as they look like a team who would relish the big spaces of Cheltenham, similar to their Power Rd reserve. The game was bottled up too much and that played into the Kangaroos hands.

Until next week enjoy your SFL footy.

## COBRAS TO ADD SOME LIGHT TO THEIR BITE!

The Sandown Cobras Football Netball Club is pleased to announce that for the 2015 season and beyond, Edinburgh Reserve will receive brand new playing and social facilities thanks to the City of Greater Dandenong. Close to one million dollars will be spent to replace the current social room (built in 1961) and the current player change rooms/canteen/storage building which was built in 1984. The two buildings will be joined together to also include viewing windows from the social rooms, a new commercial kitchen and a total refurbishment inside and out of all existing amenities and structures. Construction is set to take place post football season with the aim of being ready for the start of 2015. This comes on the back of a lighting upgrade and will give the cobras a terrific home base going forward.

## UMPIRE'S CORNER / THE WHITE KNIGHT

Last Thursday night saw around forty female Field, Boundary and Goal umpires from the SFL and SMJFL coming together in the club rooms of Bricker Reserve for a very inspirational and informational talk from AFL Goal Umpire Chelsea Roffey to celebrate Women's Round. Chelsea kept the girls entertained with her tales about paving the way for her fellow female umpires, welcoming and working alongside a fellow female goal umpire (Rose O'Dea) in the AFL ranks, having to deal with the pressures of the media before she had even set foot on the main AFL stage and how she managed to become part of this great game (local and school footy) which many of the girls could relate to.

After her entertaining talk, the girls and Chelsea enjoyed sharing a few stories over some pizza, during which the boys decided to pretend that they were girls just so they could enjoy some of the free pizza.

We have a great number of young field umpires progressing through the ranks, as well as some dedicated veterans. However, we lack umpires in the 25 to 35 bracket. Hence it has been great to see former footballers join us in recent years. Leigh Dawkins umpired his first Div 1 game last week while Ilie Fridman officiated at his first senior games. Their playing experience has helped them climb the umpiring ladder very quickly and they both have big futures ahead of them. Ilie still gets a kick occasionally and was featured on the front page of the Port Philip Leader last week promoting the Police v Firemen challenge match at the

Junction Oval at 2pm on July 13. Entry is by Gold Coin donation with all proceeds going to the White Ribbon Foundation. The White Knight believes that some SFLUA members will officiate and, no doubt, look after Ilie!

Other umpires to reach milestones recently include Glen Emery (first senior game, and first doubleheader on the same day) and Nathan Guy (first Div 1 game). Well done! Congratulations to Ben Priggen who chalked up 100 games on the boundary last week. Ben was joined in his milestone game by two of his mates, Andrew Scott and Jack Thompson. No doubt the three musketeers had a great time together. Ben may well consider following in Scottie's footsteps and become a field umpire next year. Another boundary who looks ready to make the switch to the centre circle is Anthony Embleton. Instead of hearing about an Embleton's field umpiring exploits from long ago, we could soon be hearing of current field umpiring achievements in the family.

Cai Davies, who graduated from the SFLUA to the VFL Cadet Squad turned twenty one two weeks ago. Evidently, the evening went well until one of our field umpires appeared wearing only a strategically placed (football) sock. The display caused more amusement than offence, although the umpire's mum and dad, who are at training every Thursday, would not have been pleased about their lad again displaying a little too much!
