WHAT'S HAPPENING AT SFNL HQ?

DAVID CANNIZZO, SFNL CEO

Another big week in the SFNL

I am pleased to welcome Adam Sparrow to the SFNL team as the new General Manager – Operations. Adam took over this week from Matt Duck who has started a new position as Chief Executive Officer at Diving Victoria.

We thank Matt for his enormous commitment to the role and wish him all the very best in his future endeavours. Adam has already hit the football ground and netball court running, where he has moved quickly to put his stance on the operational aspects of the SFNL.

Representative Netball

We are excited to announce representative netball will be available for SFNL netball teams and their players this year. Following the finalisation of a recent agreement with the Northern Netball League (which is part of the Northern Football League - NFL), the SFNL will be facilitating an intensive five week training program which will culminate in two interleague matches (A Grade & B Grade) on Friday 5th June.

We welcome Guy Keane as SFNL Netball Interleague Head Coach. Guy brings an extensive netball pedigree;

- Southern Saints (State League) Division 1 coach for 2 years
- Won Division 1 Premiership last year
- Premier League Coach with Bayside Division 1 & 2
- Under 17 National apprentice coach
- Men's Victorian and Australian player

Registrations are now open for the 2015 SFNL Netball Interleague program and we encourage all interested netballers to go to www.sfnl.com.au for all information.

Market Like Professional Sports Organisations

The SFNL will be running a Market Like Professional Sports Organisations workshop.

The workshop will be facilitated on Wednesday 13 May by two key leaders in their field, with Dan Butterly from the Mountain West Conference in the USA and Sean Callanan from Sports Geek.

Dan Butterly is the Senior Associate Commissioner at the Mountain West Conference. Dan will be in Melbourne on his own sports study trip and will be sharing his insights on his sports business industry knowledge.

Sean Callanan is the geek behind Sports Geek, he understands the sports digital landscape with clients in the NBA, AFL, NRL and Cricket.

We see this as a very unique development opportunity for sport administrators and all SFNL member clubs will have two complimentary tickets for representatives to attend.

For any additional club representatives, they can book their tickets for \$50 each with all information in this record or at www.sfnl.com.au.

BLK

PLAYER OF THE ROUND

Mitch Uaongo
Sandown FC

The BLK Player of the Day for Round 4 is Mitch Uaongo of the Sandown Football Club. Spending an entire afternoon in the ruck is a difficult task, but Uaongo did it with aplomb. Time and again he leapt over his Lyndale counterpart to give his midfielders first use of the pill around the stoppages. Despite his fatigue he continued to work, getting better as the day progressed and was instrumental in his side's narrow victory. Congratulations Mitch.

DIVISION 1: FRONT & CENTRE / WILL HUNTER

A perfect autumn afternoon last Saturday saw some brilliant games of SFNL footy in Round 4, with three matches decided by less than a kick.

The match of the round certainly lived up to its billing with East Brighton holding out the previously unbeaten East Malvern to win by a solitary point at Dunlop Reserve. The Vampires were clearly the better side in the first half with their midfielders well on top, but the Panthers fought back to level the scores by the final change. In a pulsating last quarter the home side attacked with a strong breeze, but Andrew Clements helped save the game for East Brighton with several intercept marks in defence. Shae Skipper was the Panthers' best.

Bentleigh won its second consecutive heart-stopper, this time defeating Mordialloc by just two points at Bentleigh Reserve. The Demons flew out of the blocks with a seven-goal opening stanza and maintained their ascendancy for most of the afternoon. The Bloods pinched the lead midway through the final term, but Bentleigh reclaimed the advantage with their only goal of the quarter and held on for eight exhausting minutes. Demons skipper Scott Lawry was again sensational and young Matt Hogan also impressed while James Morris and James Keighley slotted nine goals between them for Mordi.

St Pauls' poor start to the year continued, narrowly beaten by St Kilda City at McKinnon Reserve. Although the Dogs held a slender buffer at half time, City clicked into gear in the third term and booted five goals to one to snatch back the lead. The last quarter was a tense arm-wrestle, but with Aaron Purvis and Perry O'Hehir-Vargas dominating the Saints held on to win by four points. Travis Ridgeway led the way with five goals for St Pauls.

Over at Beazely Reserve, Clayton recorded a 27-point win over Chelsea Heights. The Heighters were slow out of the blocks, allowing the Clays to build a decisive match-winning advantage by the long break. With Erish Uthayakumar in fine form the Heighters outscored their opponents in the second half but it wasn't enough to get the chocolates. Clayton's Dean Scanlon found plenty of the pill while his brother Stewart bagged six goals.

The final game was an absolute massacre with Dingley mercilessly thrashing Cheltenham at Souter Oval. With Chelt hampered by a six-day turnaround the Dingoes effectively had the game won by halftime before blowing the final margin out to 128 points courtesy of 11 last-quarter goals.

Jackson Peet and Bret Lavars were the chief destroyers, combining for 11 majors for the winners while Daniel Vaughan's efforts were the Rosellas' only positive.

Based on early results season 2015 is shaping to be one of the most even in recent years and Round 5 looms as another cracking weekend of Division One footy.

Mordialloc V St Pauls – Ben Kavanagh Reserve

St Pauls could be the big sliders this year as they sit in unfamiliar territory near the foot of the ladder. However, they still have loads of talent in their line up so write them off at your own peril. Mordialloc, on the other hand, are flying despite their first loss last week. This should be a ripping game, but I'm tipping the Doggies to arrest their form slump with a stirring away victory.

East Brighton V Clayton – Hurlingham Reserve

Despite the loss of key defensive personnel the Vampires backline has still proven difficult to penetrate. This defence will again be tested this week by a rejuvenated Clayton side that is averaging 87 points a game this season (five goals per game more than 2014). Will be a great contest but East Brighton's class through the midfield will see them home.

Cheltenham V Bentleigh – Jack Barker Oval

Bentleigh are back in town after consecutive wins levelled their win/loss ratio. They've shown plenty of heart and their confidence will be sky-high as they have proven that on their day they can match it with anyone. Conversely, morale will be well down in the Cheltenham camp after their massive defeat and it would take a stunning turnaround to get up and win this. On form you'd have to pick Bentleigh here.

St Kilda City V East Malvern – Peanut Farm

Last week's victory could perhaps be the confidence booster the Saints so desperately needed after three close losses to start the year. They should be competitive again this week, but I suspect the ladder-leading Panthers will be too good.

Chelsea Heights V Dingley – Beazley Reserve

It's safe to say that the Heighters will be in a fight to avoid relegation this season if their horror 0-4 start is anything to go by. Their challenge only gets harder this week as they host a Dingley outfit that's back to its destructive best. Dingoes by plenty.

DIVISION 1: CLUB NOTES

BENTLEIGH

Seniors | Fresh off one of the all-time gutsiest (yes, gutsiest) performances our boys are looking to make it three in a row against Cheltenham. With only percentage holding us out of the top 5, a win here will catapult us right up the ladder and we're coming into this week confident. One thing is for certain, it's going to be a close one when our boys are involved.

Player Watch | Jacko Meredith. WOWEE. You only had to see last weeks final quarter to see what the excitement is about. Keep an eye on Jacko. He can play!

Reserves | A three point loss and a strong win in recent weeks has our season back on track. The guys remember being knocked out of last years finals by Chelt and will be up for this clash. The 'Development Team' keeps producing players from nowhere. Young Chris Fidler is definitely one to

CHELSEA HEIGHTS

Round 4 – More bad injuries. Good luck and a quick recovery to our latest batch of walking wounded. The Victorian Ambulance Service should set up a permanent depot at Beazley Reserve. Congratulations to Clayton and thank-you for staying behind, after the game.

Football Reports - Mordialloc Optical Seniors Report – The seniors were in the hunt all day but just couldn't bridge the gap. This young team is showing great potential and starting to combine as a team. Each week is an improvement and a win is not far away. Stick together at training and at the club and your hard will be rewarded.

Best players – E. Uthayakumar, M. Cameron, A. Cupit, P. Matheson, T. Cantwell, P. Morrissey.

BJS Insurance Group Reserves Report – Although well beaten, the "ressies" never stopped trying. Every week these guys play for the jumper and as a club, we should applaud their endeavours. Wins will come and are not too far away.

Best players – L. Thwaites, T. Cleaver, T. Grant, M. Bastin, L. Bennett, C. Cocker.

Reliance Procurement Solutions Thirds Report – Very similar comments to the "ressies." Again well beaten but never gave up trying. Another group of players who proudly play for Chelsea Heights FNC week in and week out and are proud to wear the jumper. Their hearts' truly bleed "red and blue."

Best players – C. Gough, J. Hinkley, D. Jamieson, J. Pollock, D. Heyne, J. Ward.

CHELTENHAM

As Milwaukee-based band "Citizen King" once sang, "I've seen better days", so this will be short and sweet.

Oliver Hume Property Funds Seniors | We lost, they won...by a lot.

Royal Oak Hotel Reserves | We lost, they won...by a little bit less.

Nautilus Marine Under 19s | We lost, they won...by about the same.

Thirds | We lost, they won...by the length of Centre Dandenong Road.

Netball – Div. 3 | We lost, they won...but it was close.

Netball – Div. 6 | Hurrah finally some success!

watch in the future.

Under 19s | 4 from 4... This is looking familiar. Spencer Daly and friends are seeing the results of a good pre season and hard training sessions. A good bunch on and off the field, these guys are going places. Keep up the good work!

Netball Div 1 | These quiet achievers are sitting on top of the ladder which is a great effort at this stage of the season. They're the only undefeated side going into round 5. There's some serious momentum being built here and they're really kicking goals nailing baskets.

Netball Div 2 | A couple of lean weeks have seen us fall back to the back but we're still sitting inside the top 5. This weeks game will be a beauty against a strong Heatherton side.

Netball Div 4 | Results haven't gone our way in the first four rounds but this will hopefully change this week against Hampton.

Netball Reports – [Brought to you by Right Choice Conveyancing] -

After last week's regrading by the League our girls took the fight up to their opponents. I am sorry but I don't have the best players for each team, but hopefully this will be rectified in the next round of club notes. As Di, the coach says, training attendance will only improve both your fitness and your game plans. The girls are looking for sponsors for the netball. If there is any prospective sponsor out their willing to sponsor one, two or three teams of attractive ladies, please don't hesitate to contact the club. Your logo would look fantastic on netball uniforms.

Division 2 – Played one of the top teams in Heatherton and although beaten were not disgraced and put up a great contest. Wins are certainly on the cards. Keep up the great work you are doing in representing the club in netball.

Division 4 – So close, yet so far. Only one goal separated the teams at the end of the game. This was a fantastic effort in the match against Hampton. These girls are working well as a team and will certainly give the opposition teams a "nightmare" every time they step onto the court.

Division 6 – The girls played Cheltenham and although beaten tried hard for the whole match. They showed glimpses of their netball prowess and if this ability can be harnessed for the whole game then wins will be forthcoming. Wee done.

Well done to Mel and the girls on their first win of the season. Hopefully it's the first of many more.

150 Games To Woosha | Congratulations to Michael Laskey who plays his 150th match. "Woosha" has come through the Bentleigh Juniors and under 19 system and is part of a rare few who managed to give himself a nickname that has stuck. A dangerous forward pocket, Michael has returned to the forward line this year after a stint in defence in 2014. Michael is in fierce competition with Mitch Alamy for the worst haircut at the club but we'll ignore it this week as we all celebrate this fine achievement. Well done Woosh.

Saturday 9 May (the day before Mothers' Day) – The club will be holding our Annual Ladies Day. The day commences at 2.30pm. The afternoon will commence with a glass of wine on arrival and a high-tea during the function. Raffles and games have also been organised. Cost = \$15.00. Don't worry about the kids. We will be having a "little devils" function to coincide with the Ladies Day. The cost for the kids will be \$5.00 and will include entertainment and a jumping castle.

Saturday 16 May – International Night. This sounds more like one of these "kinky" parties as the advertising says \$5.00 for "dress-ups and \$10.00 for being "undressed." I say no more. The night includes finger food and slushies.

DIVISION 1: CLUB NOTES

DINGLEY

Well that was more like it from the Dingoos, who engaged in a ruthless demolition of Cheltenham, and in the process sent an ominous warning to the rest of the competition. Perhaps still smarting from their soporific effort against Mordy, perhaps buoyed by the guest appearance of Walmsley or wanting to do something special for Jack Ades' 100th, this was an emphatic statement that we are up to our necks in this year's title race. Noodles and Peet were simply brilliant, it was great to see Deano back for his first this year, and Bones performed the goalsneak role to perfection.

This week's encounter against Chelsea gives another opportunity to fine tune as we look to more

EAST BRIGHTON

Seniors

East Malvern had taken all before them in 2015 and looked to be the real deal. East Brighton, on the other hand had been sporadic, like the girl with the curl, "when they're good they're very good but when.....??" Never a happy place to play under the power lines it was going to take a huge effort in what stood as an 8 point game. Ferocious tackling caught the home team off guard somewhat but the Panthers steadied in the second half and coming home with the breeze and the scores all tied up the bets were probably on the home team to maintain their unbeaten run. A gritty hard fought quarter saw the Vampires prevail by the narrowest of margins in an epic struggle. The

EAST MALVERN

Seniors

Last Saturday we were at home against the powerful East Brighton, every box needed to be ticked for us to have a successful day and unfortunately we went down by one point. However, this performance showed that our ambition to play finals football is definitely achievable.

Our first half was very disappointing with a lack of physical presence and a lack of clean touch obvious. Our back half was outstanding all day though, holding a very dangerous side to just 50 odd points which was encouraging to see. Skip was solid and is starting to gain a lot of confidence, while Willy Sadler was as strong and competitive as I've ever seen him, his performance on Saturday, just like his previous 3 games was A1.

ST PAULS

Seniors – Sponsored By Jbs Hospitality Group Last week's injuries aside we put a pretty good side on the park to play St. Kilda city and kicking against the wind in the first quarter things were pretty even. We used the wind well in the 2nd quarter and the game was there for the taking. In a disappointing second half we lost concentration in the 3rd for about 10 minutes and it was enough to let city in for 5 goals and to keep us out of the game. Our endeavour and tenacity was a pleasing aspect of our game as was the performance of our young players in Nick Roberts, Tim Taylor, Braggers and Tim Roberts.

A great effort, but not good enough

KEEP AT IT, THINGS WILL TURN

challenging assignments ahead. Overall it was a fantastic day for the club, with a successful sponsor's lunch, and wins to all four football teams plus 4 of 6 netball games.

On another - and, slightly sour note, it is sad to see the factional infighting permeating our sporting club arrangements of late. Whilst the cohabitation of Sports Club, Senior and Junior football, Auskick and cricket makes for a crowded house, there's a fraction too much friction at the moment. It is not at any stage going to impact on-field performance, but it is hoped the co-operation of wiser heads and the curbing of some irrational and wounded egos will bring the bickering to an amicable Finn-ish.

game was played at a finals pace and could have gone either way but a great result for the team given its impact on the season overall.

Reserves

Undermanned the Reserves put up their best effort for the year. It would appear it's best to play short with backs to the wall to get some sort of urgency. Although well beaten on the scoreboard players were able to walk off the ground with some dignity. A vast improvement on recent weeks.

Under 19's

Travelled down to Skye in a big test for the young fellows and were not disgraced after leading most of the game. Fell away towards the end when fitness became a factor and kicked themselves out of the 4 points with inaccuracy. This group is on the improve and

Our midfielders worked sharper and harder in the second half and our forwards started to see some cleaner ball inside our forward 50. A good fight back in the 3rd quarter gave us every opportunity to get our fourth win for the season, but the resilience from East Brighton held us out by 1 point.

Overall it was a patchy but competitive game, and one the boys will learn a lot from. Congratulations to East Brighton.

Reserves

The Reserves entered the game against East Brighton looking to make amends for last week's disappointing effort against Clayton.

We were slow to switch on for the first 5 mins but once settled, we opened up the game with run and carry from the back line and midfield.

Reserves – Sponsored By Remezzo's Restaurant

The boys were obviously undermanned but started off pretty well, with Jack Kreymborg leading the way. A couple of players went down and Hoges had to contend not having fit players on the bench. We tired badly in the second half, but the boys didn't give up trying: a thrashing but you can hold your heads up high

Under 19's - Sponsored by the Bentleigh RSL

Like the Reserves the boys were undermanned and were able to keep up with St. Kilda City in the first half, we tired badly in the second and this allowed the opposition to run over us. James Cooke was a standout and his endeavour is an example to every one

A best on ground performance from Turtle saw him create plenty of opportunities in the midfield for our forwards, whilst also hitting the score board himself.

Our forwards spearheaded by Sizzle and Brock were enjoying having space to work in with everyone providing plenty of support through forward pressure. Goal kicking practice is on the agenda for this week though with the team kicking 15 behinds for the game.

Another solid performance from our back line led by Moe and Dela, once again kept the opposition to a low score. There were solid contributions all over the ground, which was pleasing to see.

We have several big games ahead over the coming weeks so we should expect plenty of numbers on the track as we look to continue our improvement.

The senior girls lost but in a ray of sunshine for what has been a dismal week the Second girls team led by Amelia Mercoulia had a great win. They are leading the way

Well done to the Meg and Trish in the canteen for having such a great time and feeding the supporters and players. I think they deliberately over cook so they can give free food away after the game. They even managed to sell 5 scarfs.

DIVISION 1: CLUB NOTES

ST KILDA CITY

U/19s - A dominant display from the u/19s saw the boys win by 64 points over St. Pauls. Xavier Pauli was a presence up forward finishing the match with 7 goals.

Reserves - After a slow and disappointing start to the game, the reserves responded in emphatic fashion, kicking 17 goals to 3 after quarter time to win by 104 points. The fourth win in as many weeks has matched the total number of wins from last season. Will Bartholomew was best on ground at the players function on Saturday night.

Seniors - After being unable to get a win in the first 3 rounds, the boys were desperate to play well. A 16 point deficit at half time was wiped away after a 5 goal to 1 third term. The team held strong in the last quarter to secure a 4 point victory and ensure that St Kilda City walked away from McKinnon Reserve with wins in all 3 matches.

MORDIALLOC Round four- a day in which our club received something of a reality check after our wonderfully successful start to the season. Thank goodness for the reserves netball girls, otherwise we'd have finished our Saturday completely winless, which really wouldn't have been good for anyone...

The netball firsts were unlucky enough to run into a very strong Dingley unit for the second time already this season. And for the second time they gave a good account of themselves before finally succumbing by 43 to 20. A measure of the effort that the girls put in is that this is the first time this season so far that Dingley have been held to under 50 points, so we can certainly hold our heads high. The reserves took on Carrum-Patterson Lakes who played as if to belie their winless status. Our girls remained composed though, and outlasted our opponents to come away victors by 36 points to 29. They remain undefeated, and take on Black Rock this Saturday at 1.20. The firsts play at mid-day against Chelsea Heights, looking to regain our place in the top four.

In the football, the seconds travelled to Bentleigh looking to get back onto the winners list. However we were faced with a side that was ferocious at the ball from the opening siren, and try as we might we couldn't wrest the initiative back once it had been lost. We went into the last change with a two point

Netball-

Div 1 - The girls were keen to come out strong against Bentleigh this time round, after a disappointing loss in the first round after leading at halftime. Unfortunately for the second time this season an ankle injury to a key player left the team short, and they couldn't maintain the pressure resulting in a 10 goal loss.

Div 2 - After a disappointing 1 goal loss to Bentleigh in the first round St Kilda had a point to prove. We came out strong with 10 goal lead at quarter time but Bentleigh tightened up their defence in the second which lead us to only a 4 goal lead by half time. We were able to run the game out with a 15 goal win thanks to defensive pressure and accurate shooting.

Div 3 - The girls came out strong against Dingley leading at half time, pushing for their first win of the season. Unfortunately inaccuracy under the

lead but running into a big breeze in the last quarter, and were unable to stem the Bentleigh tide as they ran out 22-point victors. We welcomed Josh Lewtas to the club, and he looked good for his two goals. Andrew Fyans looked classy all day, with Luke Ardrey and Sam Maguire also playing well.

The seniors clash saw us take on our nemesis from two years ago, and as happened in the reserves, Bentleigh were up for the contest from the first bounce. They opened the scoring in the first minute and didn't stop, kicking seven to our two in the first quarter. After being suitably revved up at quarter time, we reduced the half-time deficit to ten points and played a good third term into the wind to turn 20 points down at the last change. Four early goals with the wind in the last term saw us hit the front, but these Bentleigh boys don't like being beaten by Mordialloc much, and steadied to run out winners by two points. Bentleigh are a well drilled side that move the ball quickly, and play their ground very well. I see them winning more than they will lose at home, and we were in no way disgraced on Saturday. Goalsneak Jimmy Keighley was our best, contributing four goals and posing a constant danger. James Morris threatened constantly, leading the goal tally with five. Beau Turner, Simon Fragiaco, Josh Kovarik and Todd Bastion were also good on the day

post let us down, finishing 10 goals down at the final whistle.

Div 4 - A rocky win this week for the undefeated girls. A very strong first quarter gave us a 12 goal lead, but the fight back from Springvale gave us final result of 43 - 35.

Div 5 - Another great game for Div 5 with a 39 to 25 win against South Yarra.

Div 6 - A brilliant win from div 6 this week, with consistent defence throughout the game and an attack that stepped it up under pressure. After being behind at half time, the girls brought it back and had a final result of 30 - 18.

OPTIMUS CONCUSSION MANAGEMENT

With 1 in 7 players in the football codes affected by concussion the question is how much do players and parents really understand about the long-term affects of concussion?

CONCUSSION AND DEPRESSION: IS THERE AN ESTABLISHED LINK?

Dr Naomi P Harris

Concussion and depression are two medical conditions that are spoken of frequently in the community. They are not always spoken of in relation to each other, however as more is discovered about both medical conditions the question is being raised as to whether there is a causal link.

Google defines concussion as (1) temporary unconsciousness or confusion and other symptoms caused by a blow to the head. As a medical practitioner, working with the VFL, combat sports and Melbourne City FC, I define concussion according to the medical definition of 'a traumatic brain injury that alters the way your brain functions. Effects are usually temporary but can include headaches and problems with concentration, memory, balance and coordination' (Mayo Clinic).

The World Health Organisation states that depression is 'a common mental disorder, characterized by sadness, loss of interest or pleasure, feelings of guilt or low self-worth, disturbed sleep or appetite, feelings of tiredness, and poor concentration. Depression can be long lasting or recurrent, substantially impairing an individual's ability to function at work or school or cope with daily life' (WHO).

For many years now the importance of recognising, and correctly treating concussion has become paramount in all sporting arenas. Since the development of the first sideline-screening tool (SCAT) in 2005, recognition of concussion has improved. The sideline tool includes the testing of balance, in what is known as the Balance Error Scoring System, which can be easily performed after the player is removed from play. More recently in 2012 the SCAT3 was released, at the same time as the Child-SCAT3 was released.

Concussion management has also drastically improved with the advent of preseason baseline cognitive screening. This empowers the physician to safely return the player to training and contact sport at a time that is medically safe for the player.

Interestingly as the research and knowledge surrounding concussion has drastically increased, the link with depression has been forged. The research is largely in ex-American Footballers but there is a suggestion that the prevalence of depression increases with the increased number of concussions in their playing history. Dr K M Guskiewicz and colleagues have published that in ex-players with more than three concussions they had a three-fold increase in depressive episodes. For one or two concussions the increase was 1.5 fold. They commented that it is important that we understand the potential neurological consequences of recurrent concussion.

Through correct recognition, diagnosis and management of concussion, long-term sequelae can be minimised. Safe return to play is paramount in the medical management of all people with concussion, regardless of their level of physical activity. Concussion in a junior player is as important as concussion is the older recreational player. If you are at all suspicious that someone you know is playing whilst concussed, or training whilst concussed, it is imperative that this is brought to the attention of the coaching or medical staff. If in doubt please contact your local GP, a sports physician or your local hospital.

Optimus Concussion management is working towards improving concussion management in Australia. By utilising technology, providing education and ensuring that clubs and schools have access to the best remove from play and return to play tools, they aim to utilise baseline testing and gold standards to deliver concussion programs across Australia at the highest level.

DIVISION 2: THE INNER SANCTUM / JASON BARBIN

Round four is done and dusted and the season is now well and truly underway.

Skye have won their third game in a row with a tough 34 point win against Murrumbeena. The margin doesn't begin to describe how good a match this was. Both sides displayed excellent balance between attack and defence through three quarters and it took a strong final term for Skye to break free of the defensive hold Murrumbeena had on them. Aaron Pacey was named in the best for the Bombers with four goals.

Keysborough have continued their winning start to the season with a 20 point victory at Caulfield. Caulfield rallied in the third quarter to bring the margin back to single digits after trailing by 15 points at half time. But Keysborough weren't to be denied, kicking three goals to one in the final quarter to win their fourth straight game. Tyson King was again prolific in front of goals with four while Joel Butler had four for the home side.

Oakleigh Districts have bounced back from last week's disappointing loss in emphatic style, demolishing Hampton by 104 points at the Toolbox. Oakleigh led from start to finish, recording their third win of the season as gun forward David Velardo kicked 13 goals, beating Hampton by himself. Brody Hodic was also impressive with four goals while Dan Saldanha was named in the best. The win moves Oakleigh back into the top three.

Springvale Districts got their season back on track with a comfortable 20 point win against Doveton at home. Springvale were superb defensively in the first quarter, restricting Doveton heavily before the Eagles hit back in the middle part of the game. The two sides battled it out in the final term with Springvale holding on for the in. Power forward James Gough had his best game for the club, kicking eight goals.

The comeback kings have done it again, Highett have knocked off Heatherton by five goals, after coming back from three goals down at half time. The Tonners led at every change before a five goal final quarter from the Dogs got Highett over the line. Heatherton were in the box seat but were unable to score in the final quarter, despite an impressive six goal effort from Matt Jamieson. Tom Brown was the best for the Dogs, kicking three goals.

The top two sides face off in round five as Keysborough go up against last year's runners-up

Keysborough vs Skye (Keysborough Reserve)

The SFNL's newest side started the season with a bang but have come down to Earth a bit recently as they adjust to the new league. They come up against their toughest opponent yet in runners-up Skye, who have won three

straight. The Bombers will be tough to beat and they have the ability to stop the Borough's key forward Tyson King. But the Borough have been impressive so far and deserve to be favourites.

Keysborough by 6 points

Murrumbeena vs Springvale Districts (Murrumbeena Park)

The Beena were impressive for three quarters against Skye while Springvale played possibly their best game for the season in their win over Doveton. Murrumbeena are playing better than their 1-3 record suggests and a win over Springvale is achievable. But to do that they will have to stop Springvale forward James Gough who appears to have found his feet in division two.

Murrumbeena by 15 points

Hampton vs Caulfield (Peterson Street Reserve)

The Hammers will be looking to bounce back after being embarrassed at home by Oakleigh Districts last week. Caulfield put in a good effort against Keysborough but just fell short. Both of these sides have the talent to make another run at the finals and this game may be a precursor to a finals matchup. I like the young talent Caulfield have brought in and I think they will win this game, but not by much.

Caulfield by 10 points

Doveton vs Highett (Power Reserve)

Both these sides find themselves in the same position as they were last season. Doveton have been competitive without winning a game while the Dogs have relied on final quarter comebacks to get them over the line. They will have to put in a four quarter effort if they are going to beat a Doveton side that is hungry for its first win of the season. Eagles have looked good in patches and will win if they can put a consistent effort together.

Doveton by 9 points

Heatherton vs Oakleigh District (Ross Street Reserve)

Heatherton have shown improvement since the start of the season while Oakleigh showed just how powerful a side they can be with their dominating performance against Hampton. The Tonners will be up against it this week and will need to show significantly more improvement if they are going to get up against a strong Oakleigh side. David Velardo is in excellent form and could be in for another big game.

Oakleigh by 30 points

KEYSBOROUGH

Weird feeling driving towards town rather than the other way!! But 3 wins from 3 games of footy equals a good day.

R & D ROOFING Senior Report.

We are making hard work of it, but still finding a way to get the 4 points. After an even first quarter we had the better of the second to have a 15 point lead. We never shook Caulfield and 2 late goals made it look more comfortable than the final margin suggested. Bobby, Matty and Joffa lead the way while Tyson (4) and Coze (3) lead the goal kicking.

Bendigo Bank Reserves Report.

Another close low scoring game. Boys started well opening up a 2 goal lead, and we slowly extended that over the rest of the game.

Ossy, Dekkers, and Griffo were amongst the best, as the boys moved to 2nd spot with a top of the table clash looming today.

Vigeo Financial Solutions Thirds Report.

Like the reserves, the thirds moved into second spot with a convincing win against Dandenong. 11 scoring shots in the first quarter should have resulted in a bigger lead than 26 points, but they straightened up in the next 2 quarters before running out 77 point winners. Gabe (5) and Bullet (3) were the main goal kickers with Setefano a clear best on ground in his first game for the club.

With the thirds playing at a different venue it was all hands on deck so thanks to everyone that helped out on the day.

A big welcome to all the ladies

enjoying Pink Ribbon day today, and with 3 top of the table clashes it should be a cracking day.

Melsteel Netball Report.

Tough day down at Dingley for the girls last week with all 3 grades falling short. Bizarrely the Division 1 girls had to play the top side for the second week in a row and with Chloe still missing, again the task proved too difficult. Our div 3 girls came close to their first victory just falling short by 5 goals. Was always going to be a challenge for our thirds playing against Skye's firsts and the scoreboard reflected that with the girls suffering their first defeat.

Hopefully all 3 sides can bounce back this week.

MURRUMBEENA

On The Field

It was always going to be a tough day at Skye for the Murrumbeena boys and that is the way it panned out.

The Reserves were down on numbers and ended up fielding a scratch team. It was good to see some new faces and some older ones back to play for the Beena. We welcomed back Rohan White and Josh Smith. It was good to see them on the park. Skye got off to a good start and were well in front at the first change. The second quarter was a low scoring affair, with the Beena boys fighting hard and making Skye earn their goals. In the second half the fact that Skye were well drilled in their play showed out and, despite a spirited

defence from Beena, we were beaten by a more experienced and better side. Some of the better players in the Reserves team were Shaun Geaney, Rubin McMahon, Sam Parkes, Josh Smith and Justin Ando.

The Senior's game was a hard fought affair. Murrumbeena went into the first break just in front. The backline was holding well. In the second quarter Skye were kicking with the wind and, despite some good play from the Beena boys, Skye started to pull ahead. In the second half Skye showed their ascendancy. Murrumbeena tried hard in patches, but the fitness and discipline of the Skye side showed out. Skye really knew how to play their big ground. Some of the better players in the Beena side were Jarrod Walker, James

Shirley, Cory Hargrave and Josh Richetson.

Off The Field.

Don't forget the Op Shop formal tonight. Put on your best Op Shop clothes and come to the Beena Arena ready for a great night.

HAMPTON

Carly's mobile Beauty Netball Report

What a win. The girls have been searching for their first win and it came in the best possible way, a come from behind victory. The girls were down all day and with Rach Cooper showing her leadership, she steered the girls to victory in the last minute of the game with a best on ground performance.

19s

The boys really turned it on again beating Oakleigh by 95 points, Gunda played well in the ruck along with Josh Lees and Carl Nichols. The second half saw the boys pile on 12 goals to the oppositions 1 goal with the defence holding up strong thru the Smith boys. Great work fellas.

Reserves

We must endeavour to get to training and improve our basics, fitness, team structures and skills. Our scoreboard pressure again was very evident yet we just missed the set

shots when they counted. Azza again showed plenty of dash and determination along with veteran Jake Chitty. Keep putting in the hard yards Jake.

Seniors

We need to forget about last week and move on. Congratulations to Liam Timms and Luke Tempany on making their senior debuts, you both showed you can be senior footballers for a long time to come. We look forward to hosting Caulfield and hope for a winning performance. Please stick around after the game Saturday to watch a video of the game and also enjoy the \$2000 raffle.

Social

The family day was a fun day had by all, thanks to Jake Chitty on organising this event. This Saturday we have our \$2000 day so all players please come back to the rooms with your tickets. Please check the signs in the rooms for details regarding functions. If there are any supporters that would like to join the exclusive 250 Jack Jennings supporters

group please see Wal Bennett. Please see David Pook (treasurer) for paying player's subs otherwise your spot in the team could be jeopardised.

The Whisper

The two committee men who helped out doggy by playing last Saturday were overheard spruiking to each other about how good they both were and about how they could be in the mix for senior selection next week. Good on ya for filling in fellas.

OAKLEIGH DISTRICT

Injuries are the key to every football clubs success. While it can be used as a part time excuse for failure or lapse of form it can also give you a great insight to your depth and commitment by the players who step up. The highs and lows were on display last week at Hampton when, the u19's, after gaining momentum through a few more numbers on field and track and performances improving week after week lose two more players to bad injuries. After such a promising start we were overrun by a good Hampton unit but the boys keep battling away and their competitiveness and continued improvement has the future looking bright.

Our well wishes go out to Dusty and Urbs and hope their recovery is seamless.

The seniors had two good wins with quite a few slotting into both sides and putting their hand up when required in the battles. A big turnaround from a disappointing ANZAC senior performance with the (lucky for some 13) lolly king leading the team orientated unit, following a gritty display by a patched up twos.

That's over, and it's now time to focus on our next challenge, Heatherton, which we know is always a tough assignment.

Well wishes and a speedy recovery also to Atcho who's badly broken leg was well looked after by the ambulance service who certainly earned their money and stripes

last Saturday. Thank you

CAULFIELD

The Bears welcomed SFNL newcomer Keysborough to Koornang Park for the first time on Saturday with some big expectations.

A great game in the reserves was just more than three quarters old when a sickening incident involving Johnny Hunter brought a stop to proceedings while we waited on an ambulance as a precaution for Johnny. With 15 minutes still to play and The Bears coming hard, the match was abandoned and Keysborough were deservedly awarded the points with a 21 point lead. Wade Goodwin was dominant again supported by Shaun Mann and Paul 'Bully' Waked. Great effort again but we need to find that extra gear against the top

HEATHERTON

Chadstone Toyota Seniors Report

It was an entertaining game in the windy conditions at Turner Rd. Although the Tunnas led for most of the game Hightt dominated the inside 50's and they eventually over ran us by 30 points. We can take positives out of the game. Bill Rist played his best game for the season. Connolls continued on from where he left off last week. Stork controlled the ruck and his handballs were a delight to watch. Matty Stuart was again prominent. Brucey played his first senior game and acquitted himself and Jamo was Jamo. Big day next week with Stork lining up for his 200th game.

Waltzing Matilda Hotel Report

Due to injury and player unavailability we pulled Nick Cody and Hoppy of retirement but they might have wished they had stayed in bed as it was a tough day at the

sides.

The 1st XVIII match was another cracker and an undermanned Bears outfit were in it up to their ears all the way to the end. When we got to within less than a kick late in the last, a big victory in front of a great crowd was on the cards. Unfortunately a couple of late goals to the visitors saw us go down by 20 points. The co-captains, TK and Ballard, led from the front and Woody and Sean Gunning stood up after we lost a couple of key midfielders early. A couple of tough away games coming up so we need to get on the track and just get better at what we are trying to do.

It wasn't all Keysborough on the weekend though with The Bearettes having a great

office for Waz's boys. Our backline led by Stu Masson, Stu Bastin, Matt Kenny, Cam Collett and Jacob Hurst battled hard all day.

Beachy took control of the magnets in the last quarter with immediate results or so he told us.

Paving 2000 Netball Report

Our seniors continued their good form with a 51 to 38 win over St Pauls. D2 had another big win, D3 lost by 16. D4 knocked off Dingley by 20 whilst D5 went down by 6 to Dingley.

Milestone – 200 Games

Congratulations to Shayne "Stork" Gibbs on reaching the 200 game milestone.

Stork arrived at the club in 2003 as a very skinny raw 18 year old. He has progressed through the years from a Reserves footballer into a dominant Senior ruckman. He has experienced the lows

Netball: Over at the netball complex, our A-side notched up a win against Keysborough while the B-side are still searching for that first win. The B-side went down to Dandenong who were very impressive. We are very proud of the commitment that the girls have shown and we know that improvement will continue.

This Week: We have a huge test this weekend with our seniors, reserves and thirds all heading over to Keysborough Reserve for the first time in what will be a "top-of-the-table" clash across all three grades. It is bound to be an exciting day of footy and we look forward to the challenge.

Our under 19s travel to the Peanut Farm to take on St Kilda City. We wish all of our teams the best of luck. GO BOMBERS!

win over the Burra at Netball Central.

That's two in a row and the girls are on a roll. Monique Bulte and Emma Kamana starred in the 36-31 win which came after being down by 9 goals at the first change. The girls flew the Bear flag for the weekend.

On the social front, Saturday 23rd May will be a big night at the club as we celebrate the career of club legend Tom Seigert. \$30 a head will get you finger food and a great night of making the great man blush. Hopefully it will follow two wins over the arch enemy, Springvale Districts, so make sure you book your ticket by with Staity, Ballard, TK or Connie. The man himself may even tell a few jokes (and with a bit of luck they may be funny).

of losing Grand Finals but has had the ultimate success of a Senior Premiership with the Tunnas. It took him a few years but has now learnt that Ruckman are not allowed to kick and now handballs the ball further than most can kick! After a year with CPL Stork was missing his "home" and came back to play with the club he loves. Great effort Stork on 200 games and hopefully many more games to come.

SFNL MEDIA DESK

The South Yarra FC had been in the dark for over 8 years until President Hilly (Bruce Hill) said, "Let there be light!"

In 2006 the South Yarra Football Club went into recess for the second time in its volatile history, being unable to field two teams. Consequently, the Yarras lost the rights to use the ground at T.H. King Oval in High Street, Glen Iris and were forced to move to Fritsch Holzer Reserve, Camberwell Road, Hawthorn East when it re-joined the then Southern Football League in 2007. The oval was small and only had lights covering less than half the ground from the club rooms end. Over the years, the Yarras have used initiatives to gain more light for training. Including, anchoring two smaller lights to a basketball backboard and hiring a set of training lights twice a week. However, these initiatives were short lived and didn't provide adequate lighting for the players to train on the ground during the winter months.

With assistance from the Bendigo Bank CASH group (including the Surrey Hills, Canterbury, Ashburton and Balwyn branches), the club was able to source \$25,000 over five years to help fund a new light tower. Other funding was sourced through club initiatives such as functions and fundraising.

Mr. Timothy Hakfoort of Euroluce designed the light tower infrastructure and Mr. Paddy Murphy of PCM Services managed the construction of the light tower.

Slowly, signs of construction began to take place. The Yarras trained during their preseason in January 2015 with

a large hole on the side of the ground. Then, a concrete slab was poured and a large pole appeared around Australia Day weekend.

The official "Lighting up" of the new light tower occurred on 24th April and those that attended included:

- John Pesutto (State Liberal Member for Hawthorn);
- Dick Menting of the Bendigo Bank;
- David Cannizzo of the Southern Football Netball League (CEO);
- South Yarra Auskick Cubs;
- South Yarra FC Past and Present Players;
- South Yarra FC Committee members and life members; and
- South Yarra Netballers

Dick Menting flicked the switch on and everyone was in awe of the effect the new lights have on the once dark ground.

This was a huge project undertaken by the president, Bruce Hill and the committees he has headed up over the years, and Simon Keating (2008 South Yarra Premiership Coach). The Yarras are forever grateful for being able to train using the entire ground. This will give them the opportunity to increase their skills and fitness throughout the entire year. A big thanks must go to our sponsors and committee members over the past 8 years that made this happen, in particular the Bendigo Bank and Bruce Hill.

MOORABBIN REDEVELOPMENT

The Southern Football Netball League Inc. welcomes the recent decision by Kingston Council to commit \$5million towards an expanded \$29million Moorabbin Reserve community football hub.

The redevelopment will provide a much needed upgrade to facilities for the SFNL, South Metro Junior Football League and provide a base for the Sandringham Dragons. It will also see the return of the St Kilda Football Club to what has been termed its 'traditional heartland' at Linton Street.

In addition to contributions from Kingston Council and St Kilda Football Club, the Victorian Government also announced a contribution to the project in its recently released State Budget.

SFNL Deputy Chairperson, Garry Cranny spoke in favour of the redevelopment at

several Council meetings and has worked closely with the other stakeholders to develop the concept to its current stage.

"The new concept will be a wonderful addition to the Moorabbin area. It will be the first time that an AFL club, TAC team and community football leagues will share facilities and it will also provide quality parkland with new playground for the local community." Garry explained.

"It will certainly be a great boost for local community footy with the SFNL being able to make full use of the upgraded facilities providing a quality base for umpire training, interleague training and AFL 9s. It will also become a premium finals hosting venue for the League."

Further details can be obtained by contacting SFNL CEO David Cannizzo on 9553 5644.

MAN ON THE MARK / ANDREW PALOCZI

Sandown hosted a thriller against Lyndale, and the big crowd at Edinburgh Reserve and Southern FM listeners were absorbed by the Brendan Fevola show. Despite a nerve problem with his back, which made it hard to get off the massage table before the game, the famous spearhead delivered in spectacular style booting the winning goal, as the Cobras snuck home by four points. Fevola was impressed with the standard of play and said, "I was really surprised at how well the boys move the footy." He finished with eight goals, but Mitchell Uaongo also starred for the Cobras, dominating in the ruck throughout the day.

Mount Waverley cruised to an 86-point win over Dandenong at Greaves Reserve. Luke Galle booted five majors for the victorious Mountain Lions and Leigh McInnes played well again, being named their best contributor.

Hallam took on what has become the toughest assignment in this division, playing Black Rock at MacDonald Reserve. The Jets were on target early scoring six goals straight for the first term, and built on their lead each quarter, winning by 61 points. Tom Dewar kicked seven goals for the top-placed Jets and the ever-reliable Kelly Spratt was their best player.

It was no surprise that Carrum Patterson Lakes claimed the points against Ashwood, with the game being played at the Lions' den, but the margin was a real shock with the Magpies getting walloped by 98 points. Major contributors for CPL were Trevor March with six goals, James Dent with five and Chris Mouritz who was named best on the ground.

The Southern Dragons were no match for South Yarra, despite being the home team, and the Lions finished 52-point winners. That makes it a couple of wins in a row for them.

Moorabbin's Matthew Johansson again showed his class with five majors in a 47-point home win over Endeavour Hills. He has been named in the Kangaroos' best in the first four rounds.

It is hard to believe we are already up to round 5. It should be a fierce contest at Mayfield Park when Black Rock visits to challenge Mount Waverley. The Jets are in such impressive form that this should be another successful sortie, but most likely by a smaller winning margin than they have been averaging this season.

Carrum Patterson Lakes is another travelling team that should prevail when it visits Fritsch Holzer Park to play South Yarra. CPL has a bit much class for its fellow Lions and is likely to win by a big margin.

Lyndale will be disappointed after a narrow loss, having had the misfortune of contending with Brendan Fevola. The Pumas should win this week, but Hallam is at home and, although inexperienced, you can't fault the Hawks' endeavour.

Keeley Park will be the scene of an epic struggle as the Southern Dragons and Dandenong battle it out. Neither of these sides has won a match this season, but a narrow Redlegs' win is the tip in this one.

Sandown is at home and will get to show off its new facilities again, but without Fevola the scoreboard will tell a less-happy tale this week, as Moorabbin ensures that it remains undefeated.

Endeavour Hills started the season with a couple of wins, but the Falcons have crashed back to earth losing two games in a row against premiers contenders. This week, playing at Barry Simon Reserve should give them the edge against Ashwood.

DIVISION 3: CLUB NOTES

SOUTH YARRA The Seniors and Reserves have two wins in a row, the thirds tried and the netballers struggled with injuries.

The Yo-get-it Auskick have another new Cub which brings the total to 26. The kids were delighted to use the entire ground because of the Yarras' new light tower. This week they will be having 'Bring-a-Friend' night followed by a sausage sizzle.

St Kilda City and the Lionesses were both 2 wins and 1 loss before the match. The girls knew it was going to be a tough encounter. The first quarter was neck and neck, until about the 10 minute mark, when Rhona chased a stray ball out of court and injured her knee. She was taken straight off by Mackie to hospital to receive scans. After starting the game with 9 players (2 subs) the Yarras were down to 7. St Kilda City slightly extended their lead throughout the second and third quarters. To the Yarras' credit, not one girl on court put their heads down or gave up. We played that game out right til the end. Unfortunately in the last quarter, Tara went down with a sprained ankle, and the Yarras had to run the game out with only 6 players. A great effort by all the girls who played, everyone should be proud! Final score 39-25.

MOUNT WAVERLEY NOTTING HILL HOTEL SENIORS REPORT: Great win to help celebrate Simo's 100th game, defeating the Red Legs by 86 pts!

He's had a great season so far as our new Full Back, displaying his silky skills and strong rebounding out of defense.

Leithal was bullocking through the middle and well supported by Cliffy who suffered from leather poisoning. Taz got a lot of it on the wing whilst Minnerz, CJ and Galley were menacing up forward, with CJ and Galley combining with 8 goals between them. Muggers was solid down back.

Every player had their moments which were great to see a good team win.

Coach Jazz must be happy with the selection headaches everyone is causing for him.

The Thirds battled against the premiership favourite, Skye. The Yarras were kept goalless until the third quarter when Hill and Khoury kicked a goal each. Better players were Tyssen, Hill, Moorby, Khoury, Mills and Cameron. Skye were dominant and won 132 to 16.

The Reserves faced bottom of the ladder, Southern Dragons. The Yarras had control all day, including keeping Southern Dragons to just one goal.... no thanks to Rossi. Will Smith lived up to his namesake and entertained by jumping on the shoulders of a Dragon to take a chest mark. Lange and Mahoney kicked 3 each. Sharpley, Phillips and Graham kicked 2 apiece. Strelec was 3 feet taller than the opposition and was able to do what he wanted in the ruck. Inaccurate kicking kept the Yarras from winning by a greater margin, however, it was a solid team effort in which everyone contributed. The Yarras won, 1-2-8 to 20-18-138. The win was the biggest for the Reserves since round 18, 2011.

The Seniors set out to do what they haven't done since round 19, 2011 and that is get 2 wins in a row.

Special mention: Angus for his quadruple fines, 1 x fine for each of his 2 goals, then another fine for saying his 2nd goal was all about the "swag" and another fine for saying the reason he had a shot from the boundary instead of centering it was because he rushed the kick because he saw a shadow.

HUEYS BAKERY RESERVES REPORT: Finally broke the victory drought for the season, defeating Dandenong by 49 pts.

Webby provided a good leading target up forward with 3 majors whilst Taters had an impact with 2.

Nangles and Mike Whitney have continued their great form through the middle showing tough & uncompromising footy. They were well supported by Monty Burns and Mitchy

The Yarras started well with a 28 point lead at quarter-time which was reduced to 23 points at half-time when the Yarras were held to just 3 points during the second quarter. The Yarras extended the lead to 43 points at three quarter-time. Both Brady and Finlavson kicked fantastic running goals that left their opponents in their wake. Buckets contributed with 2 goals. Other goal kickers were Davies, Wyatt, Smith, Maher, Cellini and Stegehuis. Mendes and Villella looked like Pharmacists as they had plenty of the pill. Pane flexed his pipes. Almond showed great control in the ruck. The Yarras were victors by 52 points and Owen was still grumpy.

This week the Yarras host Sandown in the Thirds and CPL in the Reserves and Seniors with an Auskick match at half time of the Seniors.

Be sure to get your 80's attire ready for 30th May!!!

who were everywhere. NICKO NICKO provided first use with his quality hit-outs, whilst The Prez and SOC were prolific down back. Let's keep this winning form going boys!

DP CONSTRUCTIONS NETBALL REPORT Unfortunately the Netballers experienced their first loss for the season, losing to Hightt by 5 goals.

The girls have had a great season so far and we have high hopes they will be up there come finals time! Keep going ladies!

Barry Kenna & Co. Solicitors Reserves Report: This week we ventured down to Roy Dore reserve to take on CPL in a game that we knew would challenge us. Late withdrawals impacted the setup of the side, but that just made it a better contest within each person. A slow start from us and a fast moving CPL had us 30 points down at half time. Restructuring the side, Jona and Coxy put a fire under the boys and it paid off with an exceptional third quarter with 10 scoring shots to CPL's 3. A turnaround in form like this shows that perhaps we were not prepared enough mentally at the first bounce, and that when we are nothing is unachievable. Fitness became a factor in the

Doyle's Bridge Hotel → Seniors: In perfect conditions the seniors were out to consolidate their spot in the top 2 with a win over Hallam. As we were expecting, it was a very physical game with no side giving an inch. It was pleasing to see the team fight hard and scrap out a win. Once again we had 9 goal kickers which showed we are no longer a 1 dimensional side up forward.

CARRUM PATTERSON LAKES

Girl Power At CPLFNC: Last Saturday saw our annual ladies Luncheon which was a terrific success. A cross section of ladies from our local community being mothers of players, friends, locals & good old Carrum die hards attended which was appreciated. Guest speaker & No1 ticket holder Sonya Kilkenny addressed the audience. To Michelle, Evelyn & De thank you for your wonderful efforts organising the function.

Southern Bay Electrical Services Netball Report: Both teams were competitive with our No.1 team enjoying victory ,whilst our no.2 team fell short of a win. After 4 round the No.1 team find themselves on top of their Division, whilst our other team is outside the four.

Longbeach Tree Services U19 Report: The boys were keen to redeem themselves from

last with an eventual 6 goal loss at the end of the game. There is plenty to work on, but this can only happen at training. Get around each other – this was a side step, the next will be forward. Thank you to all support staff and those supporters who attended.

Ideal Master Carpet Cleaners Seniors Report: What a difference a week makes! Not a lot of positives out of the Senior game. As Mick said after the game, that result certainly wasn't what we expected! Lack of run, unaccountability & our skills deplorable. We were completely outgunned & outclassed by a well drilled side in CPL. No point looking for excuses, they showed us the standards we need to WORK towards & that's what it's going to take HARD WORK.

Another 14 rounds to go & we know we're better than what we showed. Back on the track this Tuesday AND Thursday & to prepare ourselves for our next challenge against Endeavour Hills.

Better players on the day were Sammy, closely followed by Tommy, Quirky, old man Spratt and Kick.

TWB → Reserves : Good solid win by the Magoos, some wayward kicking in the 2nd qtr kept it close by half time, with the Jets finishing strongly to run out winners by 10 goals. Building a strong squad & need to keep up the momentum. Better players for the day were Knighta, Shone, Krissy & The green gremlin.

Bendigo Bank → Thirds: No game last week, we look forward to this weeks challenge- Don't forget to keep Mick & Parrrott in the loop with your availability...

Telstra Shop → Netball: The Jetballers Firsts: In a rematch of the Div 3 Round 2 clash between Black Rock and Clayton, the Jetballers took out the honours again with a thrilling one point victory. It was a tough match in windy conditions, but the Black Rock girls were able to prevail with some stellar defensive work. Best on ground for the game was Bek Neal. The Div 5 match did not go quite to plan however. After starting the game strong, the Jetballers led at half time against Highett. Unfortunately they were unable to

the following week's performance & opened up well to score the first 2 goals. Despite our best efforts Benteigh simply went from strength to strength & gave a superior performance of winning the ball consistently at ground level & displaying hard running. Coach Zac White identified both Josh Doyle & Logan Adams as the better players for CPL.

Pollard Insurance Reserves Report: The lads gave their best performance thus far when they inflicted Ashwood's first loss for the season. Coach Horsefeed was as proud as punch with the effort the boys put in. Full forward Dan "I need water" finished with 7 goals in a fine performance.

Football

The Thirds kicked off the morning in what was a respectable 77 point loss to Keysborough. In what was our strongest team of the year with a few additions, we just couldn't get it done against a

ENDEAVOUR HILLS

Thanks to all supporters and support staff who came to Moorabbin on the weekend and all those who helped out on Sunday for the girls first home games for the club.

MyPunter.com Senior Report

It was a tough day at the office for the seniors, travelling to Moorabbin and facing an in form side in front of their home crowd. Going into the game, we were confident we had a side that would match it with Moorabbin on the day; however it was not meant to be.

Moorabbin came out firing, kicking with the breeze in the first quarter and quickly piling on 7 goals. Even though we kicked 3 goals against the breeze in the opening term, the margin was 24 points at quarter time and the pressure was already on.

We hoped for a strong second term, but Moorabbin showed that they knew how to play their ground and kept our boys to 3 goals and managed 3 themselves to keep the margin at 25 points at the major break.

Moorabbin proved too hard to stop and piled on 9 goals in the third to our 4 goals extending the margin to 58 points by three quarter time and putting the final result beyond any doubt. The Falcon boys managed to kick 6 in the last quarter, our best quarter of the day. Despite the flow of play, Moorabbin still managed another 4 goals to keep the final margin at 47 points.

LYNDALE

Fantastic effort by the guys who fronted up to Edinburgh last week, obviously the result did not eventuate but if we can sustain that determination and effort there will be plenty of wins throughout the year.

This week we travel to Hallam with 2 major milestones. Damien Wilsnach will be playing his 100th while Dean Shukosky will be pulling on the Maroon and Gold for his 200th appearance. Congratulations to both men.

skilled Keysborough side. Thanks to the lads who came down for a run - hopefully it's not the last time we see you!

With the reserves up next, it was unfortunately the match that just got away from us...It may sound bizarre, but the scoreline certainly doesn't reflect the way the match played out. The Redlegs started strongly, having 60% of possession in the first half but just couldn't convert going forward. Trailing by just 11 points at half time, we felt as if this match was ours. Unfortunately, a four goal-to-one third quarter and a goalless last quarter meant Mount Waverley just ran away with the four points at the end of the day. Kaine Bundy kicked two goals whilst Terry Solier was named best-a-field for his defensive efforts.

Yet another tough day at the office for the seniors - beaten by an impressive Mount Waverley side. Our lack of goals in the first quarter once again cost us and Mount took full advantage of that, running away with the game. On a positive note, our link up play and gameplay looked impressive when we followed and executed it but unfortunately it was few and far between. Jade Handfield in his first senior match of 2015 was best on ground for the Redlegs.

Despite the result, all is not lost and the boys will be looking to redeem themselves against Ashwood at home next game. The ledger is even and the fate of the team's chances firmly rest in the player's hands.

Snap Fitness Reserves Report

Another good performance from the reserves, coming out strong and putting the pressure on from start to finish, leading at every change and kicking no less than 5 goals in any quarter.

The Falcons come out strong and kicked 5 goals to Moorabbin's 1 to go into the first change 28 points up. By the half time break, the boys had kicked another 5 and were already out to a 46 point margin by the main change.

The Falcons didn't ease up there though and came out in the third looking to put Moorabbin to the sword, which they did. Kicking 9 goals to 1 and extended the margin to 95 points going into the last quarter. The boys finished off well and extended the margin to 120 points and were very good in their win.

The Reserves now go to the top of the ladder and remain the only undefeated team.

GCS Service Management Women's Report

It was a big day for the Women's teams on Sunday with both teams playing their first home game at Barry Simon Reserve. Both teams were very dominant in their wins.

Upcoming events:

Saturday May 23rd: Ladies Day vs Carrum-Patterson Lakes. Tickets are \$20 which includes fully catered meal, giveaways & raffles thanks to the valuable contributions by Mystik Hair & Beauty, Phoenix Tapware and Bootcamp Buddies.

Netball

Dandenong 47 def. Skye 16. The ladies picked up our third win of the year in yet another dominant performance! Whilst we had two players out through both injury and work commitments, the ladies really stepped up and looked rearing and ready to go from the start. Vice-Captain Corinne played her first game back from a serious ankle injury; playing a blinder whilst GS Claire's shooting was on target all day and proving much too strong for the Skye defenders earning her the best on court title. We'd like to thank Melbourne Online Motors for their support of our netball team in 2015. <http://www.MelbourneOnlineMotors.com.au> visit them at 64 Lonsdale St, Dandenong – (03) 9793 2284

The Division 5 team started the day off with their game against Montmorency, despite the lack of players from the opposition, we provided players each quarter to get the game underway and were eventually 74 point winners with Nav being the stand out, booting 8 goals.

In the Division 3 game, both teams were confident of a good win, however the Falcon girls were too good winning by 113 points and only conceding the 1 point for the whole day. The girls showed some great skill and poise and Siona slotted 7 goals for the Falcons.

DIVISION 3: CLUB NOTES

SANDOWN It was a terrific day last Saturday as we opened the doors for the first time for our just completed home ground facilities at Edinburgh Reserve, and they were warmly received particularly for those past, who had endured many long years in tired outdated social and playing facilities. This was the first upgrade to our social rooms since 1961, and playing facilities since 1984. Now combined as one in 2015 and beyond along with new flood lighting installed last year gives our club a chance at a prosperous future.

Last Saturday also saw former AFL Goal kicking machine Brendan Fevola pull on

the Cobras guernsey and the script could not have been written any better with Fev kicking the winning goal, booting eight for the game despite being in a fair bit of pain having pinched a nerve in his back. He gave great value to the club for the day conducting a junior clinic, talking to our junior pathway partner Parkmore's Under 17 team, addressed our Luncheon, and post match addressed a packed social rooms and stayed on till late in the evening talking to everyone and anyone. It was a good day for our teams with 3 wins. Well done to Rick and Macca, getting their 1st wins as coaches at the club and hopefully this can be a springboard for the rest of the season.

To keep in contact with everything that is going on around the club you head to www.sandowncobrasfc.com.au, LIKE our Facebook Page - Sandown Cobras Football Netball Club, or follow us on Twitter @SandownCobrasFC

A special mention to our Junior pathway partner - Parkmore Junior Football Club, who's oldest age group 16/17's we have training with us once a week and over the next year or two we hope will feed into us having an Under 19's team in the SFL. Parkmore is a terrifically well run junior football club and are always hunting for additional players. To find out more, log on to www.parkmorejfc.com.au.

MOORABBIN

Seniors

Kicking with the wind in the First quarter allowed us to get off to a great start, which enabled us to keep the game under control for the remainder of the day. This was definitely an all-round team performance, with important roles played by Liep Kuel, Jimmy Hadfield and Aaron Robins. A special mention to The Butcher Club for putting on a feed after the game.

Reserves

Reserves were looking to continue on a good start to the season. Unfortunately we came up against a very good opposition whose preparation and attack on the footy we had no match for. Jimbob continued his good form in the middle and Dan "Better than Boots" Bennett stopped the blowout being worse with some great work at Full Back. Rory had a standout game and Lavos showed great improvement too.

It's all about how you respond this week boys...

UNDER 19'S: ON THE UP / ALEX CHARLES

Round four of the 2015 season presented varied results as the favourites collected wins. There were no major surprises for the round with Hampton cementing themselves as the closest rivals for powerhouses Bentleigh and Dingley.

Firstly, Hampton reinforced their premierships credentials with a thumping win over Oakleigh. The Hammers trailed at the first break but ultimately kicked a staggering total of 17 goals to register a 95-point victory. Despite being in the early stages of the season, Hampton have created some space over the rest of the competition and could continue to do so in the coming weeks with a relatively comfortable fixture. Each week will be a challenge, however their first test comes in round 10 when they face Bentleigh. Conversely, while Oakleigh remain fourth on the table, they haven't been able to recapture their round one form and get no reprieve when they face a strong Dingley outfit next week.

Meanwhile, St Kilda City's stunning seven-goal final term inspired a remarkably comfortable 64-point win over St Pauls. Both sides needed a positive result and it was the Saints who worked harder in contested areas to ultimately reap the rewards and move to 2-2 for the season. Unfortunately for the Bulldogs, they missed an opportunity and next week face a tough contest against Hallam. The Hawks had an easier week in their 98-point dismantling of Highett and both sides will meet in a crunch game for the finals aspirations of both sides.

Unsurprisingly, Bentleigh registered a 77-point win over Carrum Patterson Lakes while Dingley were able to dispose of Cheltenham in tough conditions to win by 67 points. Inaccuracy marred both games with a total of 29 and 27 behinds in the Bentleigh and Dingley games respectively. It doesn't get easier for Cheltenham as they face the undefeated Demons while Dingley face an out-of-form Oakleigh District side.

In previous weeks there has been discussion surrounding the best player of the round, however there have been a variety of strong individual efforts worth discussing. Xavier Pauli's seven-goal haul was vital in ensuring a strong second-half performance by the Saints to help secure a strong victory. Additionally, Madison Talarico continues to amass heavy numbers with 25 goals in his first four appearances and in the process is forming a formidable partnership with teammate Robert Rusan with 12 goals respectively. The duo are key to Dingley's tilt at this year's premiership and both sit in the top three of the season's overall goal kickers with Hampton's James Gascard the fourth and final player to produce more than 10 goals so far this season.

Finally, Skye produced a strong performance to earn a 15-point win against East Brighton and puts them in a good position heading into next week's clash against St Kilda City in what could be the match of the round. Ultimately, while inconsistency still remains, round four presented some impressive performances and it is clear the Hammers are able to challenge for top-two honours.

UMPIRE'S CORNER / THE WHITE KNIGHT

Veteran field umpire Neville Gardner reaches an amazing 800 SFL and ESCFA game total at Cheltenham this afternoon. Neville has been involved as a player and umpire in open age football for over fifty years, commencing his playing career with Box Hill Pioneers in the mid 60s, where he played in three premierships. He then took up the whistle in the ESCFA, which merged with the SFNL in 1992. Neville missed the 2011 season when he had a hip replacement, and has also made a comeback after ankle surgery; his bionic body just keeps on going and his games tally is the highest for a non-goal umpire in the history of the SFL and its predecessors (Keith Mark with over 1150 games holds the "all-comers" games record). Neville is also one of a very small band of athletes who have run in every Melbourne Marathon since its inception in 1978.

In another major milestone last week, Libby Toovey, who this year moved from the SFNL to the AFL Development Squad was a member of the first all-female umpiring team to umpire a TAC Cup match. The SFNL leads the way with female umpiring across Australia. In 2014 we had more than double the national average with 15% of our overall List being female, compared to the national average of 7%. 22% of our Boundary List last year was female. Libby's achievement highlights the depth of our female umpiring talent, and further evidence is Annie Mirabile's selection in the representative Victorian umpiring panel selected after the recent VMFL Championships.

Another former SFNL umpire, John Cooper, clocked up his 50th VFL senior game last week. Congratulations, Coops!

All umpires need to monitor what they eat in order to maximise their on-field performance, and Abby Wilson is so keen to monitor her food intake that she invites her umpiring colleagues to watch her eat her half-time snack. However, she is reluctant to share her meal with her team members.

Chris Hughes was due to make his first senior appearance last Saturday. However, he was involved in a nasty car crash the night before, with the airbag saving him from life threatening injuries. Chris is currently wearing a neck brace and will not umpire again until June. Get well soon, Chris.

The Association has purchased a TV to allow the umpiring department to show instructional videos on Thursday evenings, and resident builder Andrew Scott mounted it to the Bricker Pavilion wall last week. Scottie is now in the umpiring department's good books!

Next week is Community Umpiring Round which aims to encourage people to get involved in umpiring Australian Football at the grassroots level. Umpiring is a great way to be involved in the football community, and it offers players and non-players alike an inclusive and supportive environment that allows you to keep fit and earn money each weekend. Current players are also encouraged to get involved in umpiring with many opportunities to combine both activities into the season.
