## WHAT'S HAPPENING AT SFNL HQ?

DAVID CANNIZZO, SFNL CEO

### Community Club Sustainability Program

Last week I wrote to all our Member Clubs to provide an important update from AFL Victoria regarding the 'Equalisation Working Party' (now referred to as Community Club Sustainability Program).

The Program focuses on a state-wide player points system and league specific salary cap, that aims to address equalisation issues in football competitions across Victoria and concerns over escalating player payments.

The Equalisation Working Party was established following the AFL Victoria Community Leagues Conference in December 2013, whereby the vast majority of leagues, both in metropolitan Melbourne and country Victoria, aired concerns over these two specific issues.

A draft framework of the Program has been sent to all Clubs which details both a Player Points System and Salary Cap Provisions.

All Leagues have been charged with the responsibility of providing their clubs with the information they need to understand the Program and how it will operate.

Following this and over the testing period (June- July), feedback and comment on the draft framework will be sought.

The SFNL will be hosting a forum next week, where

SFNL with support from AFL Victoria, will present to all clubs to explain the draft framework.

Along with provisions such as a points system and salary cap, the Program will include tools to educate administrators, and particular players, about the impact that match-payments and player demands have on the viability of clubs.

While the system is designed to be adopted state-wide, the testing will ensure regional strategies are refined to cater for the many different elements in the Victorian football landscape.

Under the proposed points system, players will be classified by their playing history and achievements, thus rewarding clubs for promoting player loyalty and investing in junior development where possible.

It will also act to discourage the excessive movement of players between clubs and leagues, and therefore target the inflammatory impact this has on player payments.

A key component of this testing will be focused on confirming the appropriate number of points allocated to each team and a suitable salary cap figure for each competition, for potential implementation in 2016 and beyond.

More information will be circulated to the SFNL community later this year.

All the best to all clubs and players this weekend.

## PLAYER OF THE ROUND

Joel Hanlon  
Hampton FC

The BLK Player of the Round is Joel Hanlon of the Hampton Football Club. The giant spearhead was the focal point up forward for the Hammers and proved the difference in their victory over Heatherton. He caused all sorts of headaches for the Turners defenders, slotting 7.1 for the day and taking a few big pack marks. With his size, strength and deadly accurate right boot, Hanlon is vital to his side's premiership hopes. Congratulations Joel.

## DIVISION 1: FRONT & CENTRE / WILL HUNTER

East Malvern notched its fifth victory of the year, getting home by 10 points over a fast-finishing Mordialloc at Dunlop Reserve. The Panthers took control of the match with a five-goal second quarter and by the final change had extended their advantage to 31 points. But with Sam Nichols leading the charge the Bloods slammed home four majors in the last quarter to give the home side a scare. Michael Cooke and Ryan Fitzgerald were the standouts for East Malvern.

East Brighton has jumped to second on the ladder, leapfrogging the Panthers with a percentage-boosting 88-point victory over Chelsea Heights at Hurlingham Park. The Heighters were impressive early, and with Jordy Peryman again in the thick of the action and they were surprise leaders heading into the quarter time huddle. However, the Vampires proved too strong from then on, conceding just one more goal for the game as they romped home. Big Hamish Dahl was unstoppable in the ruck while Toby Mahoney single-handedly outscored the visitors with a bag of five majors.

St Pauls, meanwhile, got its season back on track after defeating Cheltenham by 25 points at the Kennel. The Dogs led at every change in what was a tough, low-scoring arm-wrestle, withstanding every challenge the Rosellas threw at them. Rhys Peet and Ken Hall were among the standouts for the winners, while Dan Vaughan was Cheltenham's best for the second week running. The Dogs' win puts them just a game out of the five.

Over at Meade Reserve, Clayton bounced back from the previous week's thrashing and climbed into the top five with a comfortable 47-point win over St Kilda City. The Clays were never really challenged, piling on 11 goals before the long break to open up a match-winning advantage before coasting home in the second half. Justin Mitrevski starred for the winners while Stewart Scanlon was a focal point in attack with five majors. City ruckman Steve Aravanitis (three goals) wound back the clock with a vintage display.

Dingley consolidated its position atop the ladder with a comprehensive 68-point demolition of Bentleigh at Bentleigh Reserve. The Dingoes were always in control as gun on-batters Luke Bartholomew and Jackson Peet ran rampant through the middle while also combining for seven goals. Young Matt Hogan was the standout for the Demons.

After six rounds the Division One ladder is starting to take shape and the premiership fancies are beginning to emerge.

### Chelsea Heights V Bentleigh (Beazley Reserve)

This could be an interesting clash between two of the younger teams in the competition. Winless after six rounds and with a horrible percentage, the Heighters are staring down the barrel of relegation. The Demons' form meanwhile has fluctuated, but their kids are always willing to have a crack. Chelsea Heights are not without a chance on their home deck, but you just couldn't tip them. Bentleigh just.

### Mordialloc V Clayton (Ben Kavanagh Reserve)

The Clays' performance last week signalled they perhaps have what it takes to play finals in 2015. However, there is still a long way to go yet and they would need to replicate that performance this week against a Mordialloc outfit that, after a solid start, has dropped two of the last three games. Will be another close one, but I'd expect the Bloods to bounce back with a win at home.

### Cheltenham V East Malvern (Jack Barker Oval)

Despite their injury concerns the Panthers have continued to win games and prove to the rest of the competition that they are premiership contenders. They come up against a Cheltenham outfit whose form has been flaky at best, having alternated wins and losses throughout the year. It's hard to go past East Malvern here.

### St Kilda City V East Brighton (Peanut Farm)

I've previously commended the Saints on their encouraging performances against the top sides early on, but when you are 5-1 and your season is in danger of going down the drain, there comes a point when these honourable losses no longer cut it. They know they've got to start winning games of footy, so expect a solid effort from them this week. The Vampires, however, are hitting their straps after a couple of massive wins and unfortunately this will likely be another brave defeat for St Kilda City.

### Dingley V St Pauls (Souter Oval)

St Pauls matches this year have tended to be low-scoring, scrappy affairs. Only the winless Heighters have scored fewer points than the Dogs this year, while they are also ranked fifth for points conceded. This would suggest that, like St Kilda under Ross Lyon, the Dogs are quite content to kick six goals for the match if their opponents can only manage four. In stark contrast, the Dingoes play a fast-paced, high-scoring brand of footy and have averaged 140 points a game in the last three weeks. This will be an intriguing contest, but it's hard to hard to see the Doggies curbing Dingley's offensive firepower.

### CONCUSSION AND DEPRESSION: IS THERE AN ESTABLISHED LINK?

#### Dr Naomi P Harris

Concussion and depression are two medical conditions that are spoken of frequently in the community. They are not always spoken of in relation to each other, however as more is discovered about both medical conditions the question is being raised as to whether there is a causal link.

Google defines concussion as (1) temporary unconsciousness or confusion and other symptoms caused by a blow to the head. As a medical practitioner, working with the VFL, combat sports and Melbourne City FC, I define concussion according to the medical definition of 'a traumatic brain injury that alters the way your brain functions. Effects are usually temporary but can include headaches and problems with concentration, memory, balance and coordination' (Mayo Clinic).

The World Health Organisation states that depression is 'a common mental disorder, characterized by sadness, loss of interest or pleasure, feelings of guilt or low self-worth, disturbed sleep or appetite, feelings of tiredness, and poor concentration. Depression can be long lasting or recurrent, substantially impairing an individual's ability to function at work or school or cope with daily life' (WHO).

For many years now the importance of recognising, and correctly treating concussion has become paramount in all sporting arenas. Since the development of the first sideline-screening tool (SCAT) in 2005, recognition of concussion has improved. The sideline tool includes the testing of balance, in what is known as the Balance Error Scoring System, which can be easily performed after the player is removed from play. More recently in 2012 the SCAT3 was released, at the same time as the Child-SCAT3 was released.

Concussion management has also drastically improved with the advent of preseason baseline cognitive screening. This empowers the physician to safely return the player to training and contact sport at a time that is medically safe for the player.

Interestingly as the research and knowledge surrounding concussion has drastically increased, the link with depression has been forged. The research is largely in ex-American Footballers but there is a suggestion that the prevalence of depression increases with the increased number of concussions in their playing history. Dr K M Guskiewicz and colleagues have published that in ex-players with more than three concussions they had a three-fold increase in depressive episodes. For one or two concussions the increase was 1.5 fold. They commented that it is important that we understand the potential neurological consequences of recurrent concussion.

Through correct recognition, diagnosis and management of concussion, long-term sequelae can be minimised. Safe return to play is paramount in the medical management of all people with concussion, regardless of their level of physical activity. Concussion in a junior player is as important as concussion is the older recreational player. If you are at all suspicious that someone you know is playing whilst concussed, or training whilst concussed, it is imperative that this is brought to the attention of the coaching or medical staff. If in doubt please contact your local GP, a sports physician or your local hospital.

Optimus Concussion management is working towards improving concussion management in Australia. By utilising technology, providing education and ensuring that clubs and schools have access to the best remove from play and return to play tools, they aim to utilise baseline testing and gold standards to deliver concussion programs across Australia at the highest level.

## DIVISION 1: CLUB NOTES

### CHELSEA HEIGHTS

Congratulations to East Brighton. I have said in previous weeks the teams were all starting to show promise and improvement was evident on a weekly basis, the matches against east Brighton were no exception.

#### Football Reports

##### Mordialloc Optical Seniors Report

The seniors were in it until the final quarter when the vampires kicked away. Everyone was proud of the young teams' efforts and there never say die attitude.

Best players – A. Cupit, J. Peryman, P. Matheson, L. Dobson, M. Budds, J. Uren.

##### BJS Insurance Group Reserves Report

A good win by the "ressies." They were never headed all game and came away with a comfortable win.

Best players – J. Grant, C. Cocker, R. Nilsen, E. Duell, A. Cocker, S. Matheson.

##### Reliance Procurement Solutions Thirds Report

Went down after Endeavour Hills kicked a goal after the siren.

### CHELTHENHAM

#### Oliver Hume Property Funds Seniors

Disappointing result in the end, but three key injuries early hampered rotations and we ran out of legs. Special mention to Dicko who played the final three quarters with a broken foot – alas it will keep him out for quite a while. Big test this week against East Malvern and their bevvy of country imports. As Alastair Clarkson says, the next man up will need to come in and do the job.

#### Royal Oak Hotel Reserves

Huge win for the boys against a young Doggies outfit who have been at the top for a very long time and are a team in transition. Good to see Shawry back and Lazer booting seven. A win this week has us right in the mix.

#### Nautilus Marine Under 19s

First win for the year against Skye and the boys should be proud of how they played the game and made the ball their objective, The task is now to record two on the trot!

### DINGLEY

A ripper autumn day for football at Arthur Street, where the day's proceedings started with the clash between two of the U19 competition's undefeated sides. Matt Benton may have been ruing the decision to leave Rusan "on loan" to the seniors for a second week, as the form he displayed in the ones could quite possibly have tipped the scales our way in a cliffhanging draw. The twos had it all their own way, with McQueen and the Feehan brothers getting among the multiples, before it was the firsts' turn to find out whether Bentleigh's competitive early season form would stand up to the league leader. In the end, 37 shots to 14 was an emphatic enough

statement by the Dingoes, who had undergone five changes to personnel from the previous week. It was especially pleasing to see Marcus Freeman back, and Luke Bartholomew finding his goalkicking mojo. And the aforementioned Rob Rusan was again a revelation.

Now, normally we'd be approaching this Saturday's clash with St Pauls with more than a modicum of trepidation, but, ravaged by departures and injuries, our opponents' fall from grace has been marked, and, while the coaching staff will ensure there's no complacency, we'd be entitled to start favourites this time. A great opportunity for the current playing crop to show a gathering of a group of their predecessors, being

#### NETBALL REPORTS

##### (Brought to you by Right Choice Conveyancing)

The 3 teams played some great netball but unfortunately all the sides were defeated. Improvement is definitely shown each week and as more girls join the ranks, teamwork and interchanges will have a positive effect on all the sides. Apologies, but I don't have the best players for this weeks' Record.

#### SOCIAL REPORT

(Brought to you by Harry Magee and Co Pty Ltd) – Thank-you to everyone who attended the International Night last Saturday night. It was great to see everyone get into the swing of the theme and make an effort to dress up or down, whichever took their fancy. A great night by all accounts.

#### Thirds

Although we weren't able to get the four points, there was a lot to like about the way the Chiefs went about their business. Congrats to Daniel Knopers, and son Jack, who played their first ever game together.

#### Netball – Div. 3

Two goals is all that split us from Clayton, but unfortunately we were on the wrong side of a tight scoreline. Keep at it girls, another win is just around the corner.

#### Netball – Div. 6

A big win over Skye has the girls knocking on the door of the top four. Another win this week will start to build some real momentum.

#### UPCOMING EVENTS

## DIVISION 1: CLUB NOTES

### ST KILDA CITY

Another mixed day of footy for St Kilda City saw 2 wins and 2 losses. The U/19s took on Oakleigh Districts and walked away with another very comfortable win. The forward line is firing and the boys are looking dangerous.

At Clayton, the thirds fought a gallant fight and weren't quite able to do enough to secure the 4 points. Following on from the tight loss, the reserves looked to keep their unbeaten streak going against the top of the ladder Clayton side. A very average first half saw the boys trail by 2 goals at the main break. 6 goals to 2 after that had the Saints fired up, stealing top spot on the ladder. The 1sts were disappointing again and failed to ever really get in to the game, going down to Clayton by 47 points.

### ST PAULS

#### SENIORS – Sponsored by JBS Hospitality Group

We got a few players back from injury and the side being settled was keen to improve on the last couple of week's outcome. Our first quarter was dogged one and holding a very committed Cheltenham side to only one goal. We had most of the play in the second but some very costly misses didn't allow us to drive home our advantage. We fell asleep for the first part of the 3rd, but managed to rally to lead at the break. Our defence was holding up well, but we were not capitalising on our good work. The last quarter was our best, highlighted by a pack mark by Jarrod Allan (although true to form he managed to injure another St. Pauls player) and 2 great goals by young Jordy Lloyd to win the game.

The netballers had a mixed day as well.

Division one had a disappointing game, losing badly to Heatherton after really letting the game go at three quarter time. The girls are looking forward to establishing a consistent team for the next round of games.

Division 2 have continued to impress with another win on the board. After a rocky first quarter leaving City down nine goals and a nasty fall from one of our centre court players, they were forced to make some changes which paid off as they closed the gap each quarter and came away with a 3 goal win.

Division 3 played a hard fought game and were disappointed to go down to the third placed Black Rock girls. Positive signs though for a very new team with no players having played

JUST BELIEVE IN YOURSELVES THIS WEEK

#### RESERVES – Sponsored by Remezzo's Restaurant

The boys were undermanned again this week and injuries again played a big part in the second half as again we finished with no bench. To the boys credit they never give up and I'm sure when we get our players back we will be a much better side.

#### Under 19's – Sponsored by the Bentleigh RSL

The boys played well against an undermanned Highett side and ran away with the game in the second half. Michael Brown and Carl Herbstreit were in our best and not to be outdone James Cooke and Joey Halasz kicked a bag of goals.

#### NETBALL

Division 2 St. Paul's netball side had a difficult game this week. With only 6

players, the team put up a great fight, putting in 100 percent until the end. Emily Ryde played a fantastic game in defence, and Julia Hruz was a leading player in the mid court.

together before 2015 starting to gel and look cohesive. A dominant performance by Div 4 saw them retain the top of the ladder, with a strong win over Lyndale. Full court pressure kept the turnovers coming, and consistent work through the midcourt kept the ball flowing through to the shooters.

Div 5 put up a great effort against the top team Highett. City were only down by 4 goals coming into the last quarter but Highett was too strong and came away with the win.

Division 6 lost 26-13 to Dandenong.

The girls in the canteen are obviously bored and helped by a few white wines and champagne they spend the afternoon re arranging the cupboards and wasting our profits by giving the players toasted sandwiches after the game.

I'm going to hounding you again with the \$2,000.00 draw tickets this week, so get ready.

## DIVISION 1: CLUB NOTES

### EAST MALVERN

East Malvern took on Mordialloc in picture perfect conditions at home this week. Both Clubs started the day on the same win/loss ratio for both their Senior and Reserve sides after 5 weeks, so we knew we were in for a great day of footy. Congratulations to Mordialloc on their Reserve's win and well done to our boys for the win in the Seniors.

#### Seniors

We had another hard fought win on the weekend against the new comers to Division 1 – Mordialloc. They were really impressive, playing some really consistent football, but our pressure for most of the day was great and the willingness of our lads to work hard for each other was pleasing to see.

Cooke, Cal and Fitzzy all played really strong games and Benji, Will and Voight were again outstanding down back.

Bubbas four goals and Clint also kicking a couple gave us a focal point up forward while Poustie's leg work was great. Our lapses early with ball handling and our late fade outs still needs some attention as both have happened in our last 2 games. Our hard work and mental application has

to be there each game for its entirety for us to be a competitive unit week in week out. Well done on a good win boys.

#### Reserves

With both teams sitting mid table with 3 wins and 2 losses a piece, we were anticipating a close hard fought battle at home and that's what we got.

With a few players returning from injury our midfield strength was bolstered led by Rooms. Rooms showed plenty of class out of the middle and together with Turtle, both found Sizzle up forward on many occasions who slotted 4 for the day and fought hard.

At half time it was Mordialloc up by 13 in what was shaping up to be a defining match for the season. The EMs looked fantastic in patches especially when Fitzzy got his hand on it, his 50m switches were bang on but his goal from 55 out on the boundary was exquisite. It was another solid showing by the back 6 with Moe and Casey standing out once again.

All in all, as a group we had lapses which Mordialloc jumped on and scored but with our pressure and intensity starting to return it was good to see some extra players starting to put their hand up.

### CLAYTON

Clayton hosted St Kilda City on a three-match card in perfect weather at Meade Reserve, and the crowd was treated to a day of very entertaining footy. The Ones had an inspirational 8-goal win over our arch-rival, and the thirds staged a second-half comeback for another victory. But our Twos went down in a desperate last quarter tussle.

#### Lunico Hotel Senior Report.

Clayton's Ones took control of their game from the jump, with hard-running, smart clearance work and relentless tackling at every contest. Great work from 'Juzzy' Mitrevski, Chris 'Teddy' Lee and Gabby Irons set up our six-goal half time lead, which St Kilda City couldn't dent as we sustained the pressure all day. There were no passengers in this 22 man / four-quarter effort. This was clearly our best performance for the season so far, and with growing confidence in each other, it should serve as a standard for our boys to achieve each week from now on.

Our restructured forward set-up was influential, with Pearcey and Stewie Scanlon combining for 9 goals, including

Stewie's goal-of-the-year contender from the social club pocket. Jesse Henderson also provided a great highlight with a genuine specky on the outer wing.

#### State Gas Appliances Reserves Report.

The Twos match was for mid-season, top of the ladder honours between two teams that have been playing outstanding football. As anticipated it was goal well into the last quarter, but St Kilda City showed a little more poise under pressure with two late goals, and prevailed by 13 points. Sebastian Valiente was Clayton's best, kicking four goals. Ryan Ladson and Nick Parisi were also outstanding all day.

#### ABC Coins Thirds Report.

The Thirds met with early pressure and trailed at half time after St Kilda City opened up playing a great brand of physical footy. Inspirational words from Steve Wills and the coach Chris Dureau at the long break really put the Clays into top gear and we produced a revival with hard, old time, head-over-the-ball footy in the second half. We lifted the bar and ran out winners by under two kicks at the end of a torrid encounter.

## DIVISION 1: CLUB NOTES

### BENTLEIGH

Firstly we'd like to apologise for last week. The notes were emailed to the wrong address and nothing was published. In Round 6 we had two milestones. Here are three belated announcements.

**Round 6 Milestone** | Andrew West 200 BFNC Games | Congratulations 'Turtle' on reaching this outstanding milestone. Andrew joined the club in 2004 via the under 19's and has enjoyed a great deal of success in his 11 years. His supreme fitness and athleticism has seen him win 3 club reserves B&F's, 1 competition reserves B&F's and won four reserves flags. Andrew is an elite kick and his delivery from the backline has been great to watch over the years. One of the most popular people around the club.

**Round 6 Milestone** | Kade Heaphy-Wemyss 50 BFNC games | Congratulations to Kade Heaphy-Wemyss on 50 BFNC games. Kade is still in the under 19 system but has already made an impact at senior level. His fierce attack will be on show for many years to come and we love it!

**MORDIALLOC** After a cold, wet week Saturday dawned fine and sunny, as if the Gods were thinking that netball & football were just the things to brighten this mundane world. And a bright weekend it was for Mordialloc, with four wins and a performance which gave us all the evidence that we needed that we belong at this level.

The netball firsts continued on their merry way with another meritorious victory. In a game played on a frosty Thursday night they played a handy Bentleigh side and triumphed to the tune of 33 points to 7. This cements our position eight points clear in fourth spot, with a game against third placed Heatherton at 12.00 next Saturday. The seconds played South Yarra, and extended their unbeaten run to six matches, remaining off the top of the ladder on percentage only. The girls never looked like being headed, playing the match out well to finish on top by 57 to 17. This coming Saturday sees a battle against a very competitive St Kilda City side as we look to maintain this very promising start to the season.

Probably the biggest cheer of the day from the red and white faithful came with the news of the first win of the season from the football thirds. Cheltenham came at us hard early to lead by two goals at the first change, but five goals of our own in the second quarter meant that this margin was reversed by the main break. Cheltenham spent the third term wiping off this deficit, turning for home four points in front, before a five goal to one last quarter gave

**Round 7 Milestone** | Chris 'Summo' Sice 50 BFNC games | Congratulations Summo on 50 strong BFNC games. Part of the reserves back 6, Chris doesn't take a backward step. Many opponents have felt the effects of a Summo spoil, tackle or bump. The old fossil still does his best work after midnight.

### FOOTY

**Seniors** | After a run of close games we ran out of legs against the impressive Dingley team. This week we travel out to Chelsea Heights for a must win game to stay in touch with the top 5. Our usual suspects have been leading the way in recent weeks but look for our backline led by Dimi Petrakis, Steve Gilmour and Chris Fidler to lead the way.

**Reserves Under 19's** | It would have been close to 10 years since our reserves side endured such a one sided loss. It's time for the guys to take it a little more serious and get to training. There's no more easy wins.

**Website** | Apologies if you have had trouble accessing [www.bentleighfc.com](http://www.bentleighfc.com) over the past few weeks. Our service provider is giving us

us victory by 20 points. Darren Barlow was a danger all day, finishing with six goals. Andy Kent was a perfect foil with three, with Mark Fortington being our other multiple goalkicker with two. Ben Fleisner, Jonty Russo, the evergreen Mark Philp, Nick Fitzgerald and Josh Constantine were amongst our best in a great team performance.

The seconds went to East Malvern to play a side level on points with us. An arm-wrestle all day showed very little between the teams early, before a very good defensive effort in the second term saw Mordialloc take a two goal lead into half time, a margin that was maintained at the last change. East Malvern came out roaring to level the scores early in the last quarter, but that's as far as they got as Mordialloc steadied, and pulled away to win by 25 points. Sam Maguire again relished playing forward, kicking four, while Nick Cunningham, Peter Nelson and Toby Grayling finished with two each. Josh Lewtas, Lachlan McIvor and Chris Brooking were among the best in an effort that made coach Laspatsis a happy man.

The seniors took on an East Malvern side that we knew little about, apart from the fact that they had been winning regularly. The first thing you noticed about them was that they are bloody big! For the most part we matched them well, but centre clearances are vital on their short ground and for a ten minute period at the end of the second term their big-bodied midfielders got on top, leading to a 22-point deficit at half time. We couldn't make the ground up in the third term, turning for home 31 points

a few issues but normal service should be restored shortly.

**Photographer** | Do you have a camera? Do you come to our matches? Do you want your photos uploaded onto our website/Facebook etc? Please see Zibba or email [bentleighfc@gmail.com](mailto:bentleighfc@gmail.com). We'd love to get some more photos up.

**Sponsor of the week** | Bentleigh RSL - Our good friends and supporters at the RSL have a long standing relationship with the club. Whether you want their Grilled 350gr grain fed scotch fillet with baby beetroot, fetta salad, mash and horseradish emulsion or their gluten free Nicoise salad with tuna, beans, boiled eggs, anchovies, olives, potatoes, onion and coz or maybe you just want a Carlton Draught, they have it all. Book your next function there and tell them you're from Bentleigh Football and Netball Club!

**Ladies Day - Man O Man** | What a huge success last Saturday was. A massive turnout and the festivities went well into the night. Thanks Dom and the social committee for organising such a great event!

down, but coach Anstey remained positive and steadfast in his belief that we could win the game. To that end we came at East Malvern hard, but ran out of time to finish ten points down to a very good side that will win a lot of games this season. James Morris with three was our only multiple goalkicker, Sam Nichols did nothing wrong all round the ground, with Carey Neville and David Marguglio also amongst our best.

Next weekend Mordialloc return to home turf, with the thirds kicking off the action at 9.30, the seconds commencing at 11.45 and the seniors at 2.15. All three sides host Clayton, always a tough opponent regardless of the ladder positions.

The Mordialloc sponsor of the week is The Boatrocker Brewery. Boatrocker is Braeside's very own independent brewery nestled in amongst metal fabricators, boatbuilders, panel beaters. Sounds unlikely but we love it. Our beer philosophy is pretty simple... Make the best beer possible using the best possible ingredients. We're always striving to create new and wonderful beers appealing to both newcomers on the craft beer journey and the more seasoned craft beer traveller. And kicking off sometime around mid-June, the Boatrocker Barrel Room will open to the public and showcase the breweries finest, from the ever sessionable Big Love Suburban Pale to the hefty but oh so smooth Ramjet whisky barrel aged stout. We hope you enjoy the ride!

Go Bloods - four wins in each of the last two weeks. I don't think five is beyond us...

## DIVISION 2: THE INNER SANCTUM / JASON BARBIN

Several teams made moves up the ladder in round six but Keysborough are still undefeated after a big round six win.

Keysborough got their sixth win in a row after a dominating victory against Springvale Districts. The borough were well in control throughout the game with a seven goal second quarter setting up the win. Springvale were good in patches throughout the game but were simply outclassed by a better opponent as Keysborough piled on eight more goals in the second half to win by 53 points. Tyson King was best on ground with eight goals to bring his tally up to 32 for the season.

Caulfield got their revenge on Skye after their defeat at the hands of the Bombers in the finals last season, winning their encounter at Carrum Downs Rec reserve by seven points. Playing without gun forwards Ryan McConville and Aaron Pacey, Skye had good contributors in Ben Evans and Travis Kitchin; but it wouldn't be enough as they young Bears kicked five goals in each half to hold on for the victory. Bears full forward Adam Connell had a promising game since returning from injury, kicking three goals.

Oakleigh have kept their good form going by defeating Doveton by 53 points at Princess Highway Reserve. Oakleigh displayed their firepower up forward with a nine goal to three second half to set up the win, after a somewhat lacklustre first half effort. The districts were able to spread the goal scoring load around with nine individual goal kickers, led by David Velardo who kicked four. Luke Casey and Brody Hodic were among the best for the Districts.

Hampton has recorded its third win of the season following a comfortable 29 point win over Heatherton. The Tonners were in good form early as they got the jump on Hampton in the first half to take a five point lead into the main break. But the Hampton put the Hammer down in the third quarter kicking seven unanswered goals to take 35 point lead going into the last. Despite a comeback attempt, Hampton held on for the win. Joel Hanlon was outstanding in front of goal for Hampton, kicking seven.

Murrumbeena have shown how much they have improved this season with a tough win against Highett. The Beena have evolved into a defensive outfit this season but were unable to clamp down on Highett early as they trailed by a goal at half time. But the screws were tightened in the second half and Murrumbeena were able to draw in front in the final quarter to record a five point win, which could have been more if it wasn't for inaccurate kicking. Cory Hargrave was the best for the Beena.

Hampton and Skye highlight what is a good week of footy in division two as we go into round seven.

## Keysborough vs Highett (Keysborough Reserve)

Keysborough have been in superb form all throughout the season and haven't even looked like losing, whereas Highett are looking to bounce back from a tough loss to Murrumbeena. As much as I look at this game and try to come up with a way for the Dogs to win I just can't, but then I remember how they are the division two comeback kings and I shouldn't count them out. In saying that, Keysborough should win comfortably.

Keysborough by 27 points

## Caulfield vs Springvale Districts (Koornang Park Reserve)

Caulfield are looking to get their season going after slipping up a little and falling outside of the top five. They should be able to do this against a struggling Springvale side that needs an injection of confidence stat if they are going to challenge for the finals. The continued resurgence of Adam Connell is vital to Caulfield winning this game while James Gough needs a good game for Springy.

Caulfield by 19 points

## Murrumbeena vs Oakleigh District (Murrumbeena Park)

The defensive Murrumbeena take on perhaps the second best attacking team in division two in Oakleigh Districts in what will be an interesting game of football. The way Murrumbeena are playing at the moment could spell trouble for Oakleigh who have been known to lose these kinds of games in the past. But I get the feeling that this is a different Oakleigh side and though the Benna will challenge them, they should come away with the win.

Oakleigh by 20 points

## Hampton vs Skye (Peterson Street Reserve)

In the game of the round, the Hammers and the Bombers do battle in a rematch of last year's preliminary finals. Hampton gave Skye a run for their money in that game last year and with a bevy of injuries at bomberland, the Hammers could go into this match as favourites. Joel Hanlon has been in terrific form up forward and with young midfielder Josh Burbidge running around, this could go the way of the Hammers.

Hampton by 3 points

## Doveton vs Heatherton (Power Reserve)

Both of these sides are looking to kick start their seasons and both have been competitive at times against tough opposition. I like Doveton in this game but the way Heatherton have been playing makes me think that this game might be close. Tough to call when both sides haven't been at their best all season but look for this game to be a shootout.

Doveton by 10 points

## DIVISION 2: CLUB NOTES

### CAULFIELD

The dreaded Division 2 road trip confronted The Bears this week as we headed down to Skye.

In the early game the boys from the Bombers were far too strong for a determined bears outfit. Despite some competitive patches and a great effort from the reserves, Skye ran out comfortable winners by 85 points. We had 2 debutants in Luke Fairly and Jarred Knoester who were both among the best for the bears along with Jermaine Ivanka and Big Jimmy, both coming back from illness and injury respectively, whilst Benny Harris held the backline together under constant pressure. A better effort on the track is required if we are going to get some positive results in the coming weeks.

The main game turned out to be the cracker that it looked on paper. With Dylan Beattie, Alex Cables & Adam Bence back in the line-up after injury the boys were primed for a good

performance. In a tight contest the Bears led for most of the day and although we were headed in the last quarter, the Boys showed tremendous spirit in coming again and taking the bikkies by 7 points. Adam Ballard and Tom Heeny led from the front in great team effort.

The Bearettes got back on the winners list with a comprehensive 52-21 win over St Pauls punctuated by a 22 goal second quarter. Sam Tonkin controlled the mid-court and Cara Teoh was rock solid in defence in a great team effort which put the girls back in the top 4 and set for a great season.

A massive game against the old coach next week to get us back in front of the win/loss ratio followed by a big night for club legend, Tom Seigert. Should be a cracking day at The Bear Cave.

And pencil in the following dates for some great social functions coming up.

### HAMPTON

#### Carly's mobile Beauty Netball Report

Another top effort by the girls. Laura Whitfield did her best but was overrun by the opposition.

#### 19s

Hammers ventured out to Hallam late afternoon to take on the 5th placed side and immediately went to work putting together a solid first half, thanks to Michael Riddle and Josh Vittiri running hard. Zac Allen again was dominate up forward, providing a solid target for Cam Lee, Bunna, and Frothey to look for. Big Josh Lees was sensational around the ground. Once the final siren went we had achieved 6 wins in a row to put us on top of the ladder. The pressure is now on us, we will be chased and opposition teams will want to beat us. So buckle down, train hard and stick to the coaches messages.

#### Reserves

The boys had their chances last week vs Heatherton. We were within a kick most of the day even looked like pinching a great win but once again our efforts and fitness was tested and that can only come down to turning up to training. Big Bails was a providing a big "tower" up forward snagging 4 majors and sending a message to the selectors. Down in the last lines of

defence Chase Griffin gave his all, take a leaf of how Chase plays, he was clearly best on ground. Stevie Ferrer was also a tireless competitor, not giving an inch. Congrats to JP who notched up his 50th game.

#### Seniors

Heatherton are always difficult on their patch, they came out and took the lead at the main break and had set the tone. The hammers were in for a fight. After some concerning words from Ben at half time the boys came out and played the footy that we know we can play, we registered 7 goals and kept Heatherton to 4 points during the 3rd term. Ziino in the middle was in everything and we welcomed back Diggers who was best on ground. Toddy and Sheddass were leading from the front, providing plenty of run and inside 50s to make the job for Joel(7) and Scotty(3) a lot easier to get one on ones. Although we put the cue in the rack during the last quarter it was still no good to allow them 5 goals and outscore us. Still plenty work to do, stick at it boys.

#### Social

Ladies Day is this week. We will have a marquee set up for the ladies with some free champas and finger food. The 2k night was held last week, thanks to all who bought tickets and enjoyed a great night. Special mention to the coach for

## DIVISION 2: CLUB NOTES

### HEATHERTON

#### Melbourne Food Distributors Report

A huge day with the annual Ladies Luncheon. The Tunners started well contrary to previous weeks. Gibbs of the Stewie kind was celebrating his 200th game for the club. It was important for the club to show some of the potential of previous weeks. Potential starts with the letter 'P' and other 'P' words have been used to describe earlier performances. Half time and only a kick in it but the players must have joined the festivities at the Luncheon as the Hammers slammed on 7 unanswered goals in the 3rd. Brodie was inspirational, marking, kicking & basically dominating. At one stage he kicked, ran forward & roved his own kick. Jesse Stone continued his great form for the year. Newcomers in Brucey & Jake Holland acquitted themselves well and

### KEYSBOROUGH

Weird feeling driving towards town rather than the other way!! But 3 wins from 3 games of footy equals a good day.

Cracking day for footy last Saturday as we travelled just up the road to Springvale.

#### R & D ROOFING Senior Report.

Finally got the kicking boots on after early season inaccuracy!! After a tight first quarter we clicked into gear in the second to put some space on the scoreboard and were in control for the rest of the day. Tyson (8 goals) and Gayf dominated at each end, Sean in the ruck with Kid and Joff managed to control the middle while Coze kicked 3.

### MURRUMBEENA

#### On The Field

Last Saturday Murrumbeena travelled down the road to Highbett. We knew that these were going to be two tough matches and to come away with two wins showed that the Beena boys are up and about and ready to take on the rest of the season.

The Reserves game was a tough struggle from the start. In the first quarter we got in front in a low scoring affair. In the second quarter the Beena boys looked as though they had lost interest and went into the main break only 5 points up. In the third quarter we came out firing and went into the final break well ahead. The final quarter was a goal for goal tussle, with Murrumbeena holding Highbett out. We came away with a good hard win. Some of the best players, in a good team effort, were Sam Moloney, Jack Brammer, Shaun Geaney and Tom Hutching.

'Sticks' (Shaft) also battled hard. Clint pleaded with the guys for a big effort in the last and to the player's credit they responded but it was too late. Doveton this week and the players will need to bring a 4 quarter effort to ensure we take the points.

#### Rick Butler Market Gardens Reserve Report

Some matches are 8 point games. The two's had one last week. At 2:2 it was essential to go 3:2 if finals were to be a real option. Wiz was pretty excited after birth of his 2nd child and was showing plenty of 'Pacey' around the ground. At one centre bounce there were 4 big reds. Someone yelled Sauce and utter confusion reigned. Josh Hammill was controlling the air and looked dangerous at either ends of the ground. Griffio was providing a target & the defence held firm. The First Lady wasn't happy with the Prez donning the boots when there was a Ladies Luncheon to host.

#### Bendigo Bank Reserves Report.

A bad start and bad kicking sums up the reserves game, Can't give teams 7 goal starts. Good 3rd quarter got the boys back in the game but it was too late. Troy Cullen, Veg, Nate, Wheels and Tim leading the way.

#### Vigeo Financial Solutions Thirds Report.

Fitness might have got the better of the thirds last week. Close game all day until the last quarter when Sith Yarra ran away with the win. Cappa in his first game for the season was the main focal point kicking 3 supported by Daniel Whiteoak who kicked 2. Connell, Eastburn, Killi and Cappa the best.

**Melsteel Netball Report.** Friday night lights!! The boys finally got the chance to

The Seniors game was a real fight from start to finish. Highbett went into the first break a point up and Murrumbeena knew that we had a struggle on our hands. The second quarter saw Highbett kick four unanswered goals and they looked to be taking control. The Beena fought back and went into the half time break only one goal down. The third quarter saw Highbett again get in front and Murrumbeena fighting back. The scores were level at the last change. In the final quarter the fighting spirit that the Beena boys can produce came to the fore and in what was not a pretty game, Murrumbeena came out with what was a solid if heart stopping win. This was a whole team effort. Some of our best players were Cory Hargrave, Dean Spanos and Tom Valenta.

#### Netball

It was a really tough game today against Mt Waverley, but as expected the Murrumbeena girls gave their all to take

Even more unimpressed when after selling candy on the wing he kicked out on the full. Overall it was a great win which has the boys knocking on the door of the 5.

#### Paving 2000 Netball Report

Our seniors bounced back with a 16 goal win. D2 lost by 3. D3, 4 & 5 all had good wins.

#### Heatherton Football & Netball Club is

support the girls with Div 1 playing Friday night. And didn't the girls love it, putting on a cracking display in front of the big crowd to beat Bentleigh by 30 goals. Sammi D killed it from defence, Boydy did a great job at both ends and was good to see Chloe back after her accident.

Mixed results for the other 2 sides with Div 3 going down narrowly and Div 4 getting back on the winning list with a big win.

A massive welcome today to all our sponsors, without your ongoing generous support there is no footy club. We hope you enjoy the day and the boys put on a good show!!!

#### Go Burra.

it up to a strong side. Despite very best efforts and some very skilful play from the Beena girls who fought to the end, the score was Murrumbeena 15 to Mt Waverly 57.

#### Off The Field.

Put the 27th June in your diaries. We will welcome all past players back home to Murrumbeena on that day. This will be a special reunion for the 1975 Premiership side. This should be a great day. Be there.

## MAN ON THE MARK / ANDREW PALOCZI

Veteran Kelly Spratt led the way for Black Rock as the Jets' best player in a commanding 58-point victory over Sandown. It is doubtful that another visit from Brendan Fevola could have helped the Cobras, as the winning margin would have been even larger but for a woeful 3 goals 12 behinds from the Jets in the last quarter. Nonetheless, Tom Dewar finished with five majors for the day for the winning side.

Moorabbin settled in well at Roy Dore Reserve booting three goals to none in the first quarter against Carrum Patterson Lakes. The home side did not kick a major until after half time. Despite the fact that Justin Olaman eventually managed four goals for the Lions, the Kangaroos continued to bound along, finishing 37 points ahead. It was a strong team-effort, with Trent Davey the only multiple goal scorer for Moorabbin with two. Michael Kinsella was the undefeated Kangaroos' best player.

Despite a spirited effort in the second half, the visiting Lyndale crashed to a 31-point defeat in what seemed a winnable game against Endeavour Hills. The Falcons raced to a 49-point advantage at the long break. Both Daniel Morrison and Shane Peake had a fine day in front of the big sticks, evenly splitting ten of Endeavour Hills' goals, and Jarryd Burke was afforded the honour of being named the Falcons' best player.

It is heartening to report on a determined showing from the Southern Dragons at Mayfield Park, standing up to Mount Waverley and trailing by just 14 points at the long break. With Luke Galle starring with nine goals, the Mountain Lions prevailed by 46 points, but the Dragons gained respect, averting a likely thrashing.

Playing at home, Ashwood entered the final stanza holding a 27-point advantage against South Yarra. At that time, the Lions had only

scored that number of points in three quarters, but they are impressing with their effort this year and gave the Magpies a real scare. Ashwood scraped home by a goal, with Frank Martinicchio again earning a mention with four goals for the day and Jeremy Nelson getting the nod as the team's best player.

The excitement of playing at home under lights did the trick for Hallam as the team took charge from the outset, holding Dandenong to a solitary first-half goal, and building a 28-point lead by the long break. The sides added a couple of majors each for the rest of the match. The Hawks celebrated their first win for the season, with the final margin being 32 points.

Round 7 gives Hallam a realistic chance to make it two wins in a row when the Hawks fly to Keeley Park to play the Southern Dragons. But the Dragons are starting to breath a little fire at last and may just scrape home for the points here.

Lyndale hosts Carrum Patterson Lakes, but the Pumas are struggling this season and the Lions will win comfortably.

Mount Waverley travels to take on South Yarra. This would have seemed like an easy win for the Mountain Lions at the start of the season, but the Lions are highly competitive this year and it would not be a major shock to see the home team prevail.

Sandown has been disappointing so far, but despite being the away team will do enough to beat Dandenong.

At its Widdop Crescent home, second-placed Moorabbin will comfortably account for Ashwood.

After a good win, Endeavour Hills will arrive at MacDonald Reserve full of belief and may give a good account of itself, but the class of Black Rock will eventually overwhelm the Falcons.

#### Doyle's Bridge Hotel → seniors:

In perfect conditions we faced Sandown who were finding some form over the past few weeks. It was goal for goal in the first qtr but we were able to get

on top in the second with the midfield controlling the corridor and the forwards taking their opportunities and opening up a 7 goal lead at the main break. The second half was a lot closer as we struggled to kick straight eventually running out 10 goal winners. A solid team effort again but with a superb performance BOG went to Kelly Spratt. Other better players on the day were Sam, Tom, Jake and Henry

#### TWB → Reserves:

The boys travelled to Edinburgh reserve with a couple of things on their mind "work rate" and "intensity". Both were delivered and at half time coach Sinclair would have been smiling ear to ear to see a team we hold in high regard being held to only 2 points. I'd name best players but there is too many to name. After many late changes it was a fantastic team effort and we left with a 12 goal win. Top of the table clash at Black Rock this week should be game of the round.

#### Bendigo Bank → Thirds:

The Jets thirds took on Sandown and whilst bringing a high effort level for four quarters, were outclassed by the opposition on the day. Got to within a kick in the third quarter, however were overrun in the end. Lots of positives to take out of the game with quite a few guys playing in different positions. Big call out to Timmy rucking all day, Best players Roy, Toddy, Big Kaine, Parrot, Dilmah and Watto.

**Telstra Shop → Netball: The Jetballers:** Div 3 had a close fought win over St Kilda city 41-37, which sees them sit equal top of the ladder after 6 rounds-

Div 5 went down in another close game 31-28.

### ASHWOOD

#### Sponsors of the Week:

Burwood Village Gourmet Meats  
1371 Toorak Road, Burwood Vic 3125  
Ph: (03) 9889 7835

The Ashwood Football Club celebrated its 30th Anniversary on Saturday night bringing together the old & the young, yesterday's heroes & today's champs & a host of long-time supporters & helpers.

Though our club is relatively young there were still plenty of tales to be told about heroics of yesteryear. The goals become longer & the marks become higher as the night wore on. It was wonderful to look around the room to see our current day players mixing with those of the past. I must say some of our past heroes looked in better nick than in their playing days.

Our first 30 Ashwood Football Club 'HALL OF FAME' members were inducted, with 7 LEGENDS being announced.

Congratulations to Neil Kellet, Cec Kellet (dec), Don Firth (dec), Rex Dawe (dec), Bill Spaulding (dec), Mick Clohesy Snr & Jean Paul Lefebvre on their recognition of their outstanding service to the Ashwood Football Club.

To the other 30 inductees into the Hall of Fame congratulations on your recognition lady & gentlemen & a huge THANK YOU to you all.

To everyone who attended, we hope you enjoyed the night & to the members of the past we hope that our celebration reminds you of how much the AFC means to you, thus providing a push to visit OUR great club more often.

Finally a special mention goes out to Paul Hattersley & his helpers. Many hours of hard work goes into putting nights like this together & I'm sure everyone appreciated your efforts.

**Crocs Playcentre Clayton Junior Report:** After a great and BIG Saturday night at the Ashwood Football Club 30 year reunion all the junior coaches backed up for what was a stunning day!!

### HALLAM

Hallam FC would like to thank new sponsor Fortys plastering for Saturdays which proves to be successful to the club and great to get the local brand awareness out.

The boy's moral has been boosted by a massive win over Dandenong in the seniors but the reserves

With 2 teams at home and 2 away it was a big ask For Rick Loveless to step up and set up the canteen for the under 8s well done to Rick and Penney and all the families that helped and made it a terrific day!

I am constantly amazed by the skill level of all the boys and girls in all the teams and the enthusiasm of the parents, it makes for a great day.

With 100 junior players registered and a strong Auskick program in place the future is bright, more and more families are calling Ashwood home and it won't be long before the players transition into the seniors!

A special mention has to go to Chloe in the Under 11s with the scores tied with a minute to go she found herself on the end of some great work by Mitch and managed to score the winning point!! It capped off a great day, thanks to all.

#### Reserves Report:

We welcomed South Yarra to Essex Heights reserve for what we thought would be a good battle. It didn't turn out that way. It was all one way traffic to South Yarra. Basic fundamental errors, lack of running and a failure to look after each other produced a 47 point loss. Whilst it can be said that we are dealing with a number of injuries, it doesn't excuse the lack of effort exhibited on the ground. As described in the dictionary: "Effort - noun 1. a vigorous or determined attempt". Win or lose, it's the amount of effort displayed that coaches look for each week. We have the capabilities as individuals, but if we continue to turn up and don't put them on display, then it will be a long year. Put this one behind us and let's get together on the track and move forward as one.

#### Purebuild Seniors Report:

On a day that was earmarked to be one of the most significant in the 30 year history of the Ashwood Football Club, Tinder's boys hit the ground prepared for the challenges an in form Sth Yarra would throw at them.

just fell short of 2 on the trot. With lots of support from players and spectators who we can't thank enough for their support constantly.

This week sees us take on Southern Dragons. We are keen to go 2 in a row in the seniors. The boys are keen to keep the momentum going.

The first half was dominated by the Woods with the defenders repelling most of the Yarra's forward thrusts, whilst the on ballers providing plenty of opportunities for the forwards.

We managed to accumulate many shots on goal, but unfortunately we kept Sth Yarra in the game with poor conversion. We'd really had our chances to have put them away by halftime.(5.10 v 1.1)

The second half saw Sth Yarra get their game going, while our boys seemed to go into their shells a little, thus not dominating the game as they had earlier. But as formidable sides do the boys were able to slow their opponents down just before the last break to hold a lead at 3/4 time.

The last term was to prove hard work for the Woods as their opponents continually pushing forward & putting plenty of pressure on every Ashwood possession. The feeling was getting tense amongst the Woods supporters on the Hill as our lead was slowly being whittled away. With only 2 minutes to go Sth Yarra were able to scrap their way to a goal which levelled the scores, but the Woods weren't going to let this one go. With what proved to be the final passage of play for the match the boys were able to work the ball the length of the ground & found Pony's chest just as the siren sounded. Seemingly unperturbed by the fact that every set of eyes at Essex Heights Reserve were on him, Pony calmly thread his kick straight through the big sticks for another 6 point win but more importantly another W on our ledger. Congrats to George on his first Senior game.

## DIVISION 3: CLUB NOTES

### ENDEAVOUR HILLS

Great weekend for the Falcons, a historic feat winning 4 out of 4 games and by a total margin of 248 points. Fantastic effort from everybody and good signs for the direction the club is heading.

#### MyPunter.com Senior Report

In a must win game for the seniors, the boys came out and delivered. Playing local rivals Lyndale was always going to be a tough affair, but the boys proved to be too strong.

Despite kicking poorly again in the first quarter, the Falcons quickly moved to a 35 point lead at quarter time and continued to put the pressure on in the second term, extending this to 49 points at the major change.

Lyndale however came out strong in the second half and reduced this margin to 23 points at three quarter time to be within a shot at winning. The Falcons came out in the last quarter and withstood a lot of pressure from Lyndale to steady the ship and eventually win by 31 points.

A young trio were best on ground in Cade Marshall, Daniel Strom and Nathan Crutchley, while old timers, Jarryd Burke,

### CARRUM PATTERSON LAKES

We again extend our gratitude & thanks to Mark Cranny for giving us an insight into the dynamics of being a key part of the current world champion water skiing team at last weeks luncheon. The Cranny crew more than supported the days hospitalities as did our Cowboys, Junior FC, and supporters. To the CPL Angels (Michelle, Ev, Jess & De) you girls did a mighty job - thank you!!

#### Long Beach Tree Service Seniors Report:

8 straight points before finally nailing a major certainly makes one think that we failed to apply score board pressure. In the

### SANDOWN

Magnificent day for footy last Saturday as we hosted Black Rock and our Thirds started the day in fine fashion, continuing their good form this season with a comfortable victory over the JETS. Our Reserves and Seniors unfortunately were comprehensively defeated and face crucial games against Dandenong this weekend if we are going to make some sort of charge this season. As always a big thank you to our dedicated volunteers of Lew, Steve, Phil, Yvonne, Wes, Rainbow,

Shane Peake and Daniel Morrison did their roles beautifully.

A hard match up awaits this week as we travel to Black Rock, however the Falcons will look to out manoeuvre the Jets in another big challenge for the boys in Green and Gold.

#### Snap Fitness Reserve Report

The undefeated Falcons continued their dominance in the competition with a big win over the reigning premiers Lyndale.

Another heated battle saw the Falcons lead from start to finish, extending their lead at every change. Lyndale proved to be outmatched by the fast running Falcons who managed to have 34 scoring shots to Lyndale's 10. Clint Jarrett had his kicking boots on, slotting 4 majors while McPherson and A Walters kicked 3 apiece. With a 79 point win and moving to six wins on the trot, a tantalising match up against the second placed Black Rock awaits this week.

#### Melbourne Outdoor Blinds Thirds Report

Every matchup this year proves to be a tough one, being placed in the Blue division with Division 1 clubs is no easy task. The Thirds however travelled to

end the Moorabbin boys ran out deserving winners. Last weeks result makes this week's game more crucial than ever all we ask for boys is your best !! Bring it on!!

#### Freddie's Marina Pizza Reserves Report:

An arm wrestle from go to woe where in the final stages the boys were good enough to pull away to enjoy their finest victory thus far.

As in previous seasons, both seniors & reserves games should provide a gripping contest at Barry Powell reserve Lyndale.

#### Frankston Dandenong Cars U19 Report :

East Brighton took the points in this game. The boys had a crack but unfortunately

Trailing for the whole day, the Falcons put their minds to the task and courtesy of a 55m bomb after the siren, Daniel Ayton put the Falcons in front after the siren to secure a 2 point win away from home.

The thirds now sit 4th on the ladder despite playing 3 less games than their rivals.

#### GCS Service Management Women's Report

The division 3 girls keep going on their win streak. Four wins in a row, this time winning over Cranbourne by 136 points. The girls keep on improving week to week and are proving too strong for all challengers at this stage.

## DIVISION 3: CLUB NOTES

### MOORABBIN

#### Seniors

Our match report proudly brought to you by The Butcher Club.

The game was played under perfect match conditions but the score line did not reflect this, as both CPL and Moorabbin struggled to kick straight throughout the day. The pressure from both sides was relentless all day, but to our boys credit we found a way to

win each quarter resulting in a great win for the team/club. This was a terrific overall team performance.

#### Reserves

The twos were looking to notch up another win against a decent team in CPL. Unfortunately our depth is getting tested at the moment, and we weren't able to run the game out after leading by a point at three quarter time. We improved in a few areas we have been focussing on, but still plenty of work to be

done. Johnno was good on a wing, Jimbob & Galvin were strong all day on the ball, Bodin was at his best again and good to see Matty White's improvement week by week after injury.

Thanks to our sponsors Bendigo Bank Highett, Yellow Express, TDT Driver Training, Marks 4WD Adaptors, Elg & Robinson, The Butcher Club, Boags, Brumby's Moorabbin, Roy Higgins and Wylie Dalziel Racing, Group One Electrics Pty Ltd

### DANDENONG Round 6 brought

more success for the Redlegs as we enjoyed three from four wins for the weekend to put it up to 7/8 in two weeks! With the wins flowing and the vibe up within the club, it's the place to be at the moment!

This week, we take on Sandown at home for our Breast Cancer Network Australia's (BCNA) annual pink sports day with our own 'Think Pink Ladies and Kids Day!' Entry is just \$5, which includes finger food. There will be plenty of activities on the day for all ladies and kids - at the price of a gold coin donation. All proceeds are going towards BCNA - so get down and have a laugh and giggle from 1pm, Greaves Reserve.

#### Football

Two from two in the Thirds and another impressive win. An impressive first half saw us take a twenty point lead into half time. With plenty of run still left in the legs, despite being six players down, we went into the rooms confident - and rightfully so! We held Hallam to a scoreless third term as we kicked 4.3 to put them out of the match. A brief early fightback from Hallam saw them slot the first three of the last but that was quickly shut down as we kicked the next two to seal the match to be 42-point winners at the final siren.

Wowee. What a game for the reserves. An even match on paper and that's exactly what

it turned out to be. It truly was a tight tussle with Hallam leading by 8-points at half time. We felt as if we had a majority of the possession, but the execution let us down. The third quarter didn't go as planned as Hallam had a run on of goals late which saw the momentum swing in their favour taking a twenty point lead at ¾ time. We knew we needed something special from everybody in the final quarter and with that, everybody delivered. Coach Glenn Bundy made a few key changes that would either work or fail miserably... Fortunately, they worked. With first use from the middle and some acts of genius up forward, we pegged it back - goal by goal as the minutes went by. Scores level with two minutes to go, Mick Lawrence seized the opportunity to tap it through for a behind - putting us a point up. An error with Hallam's kick in saw us steal a goal in the dying seconds to win by seven! Lawrence booted four majors whilst Michael Pafiti kicked three to win best on ground honours from the middle.

A disappointing result for the seniors in what was flagged as a tough but winnable challenge. In our first of two games under lights for 2015, Hallam controlled the match from the get go - kicking the first three goals in the first and holding us goalless in the second. With a 28-point deficit at half time, the game certainly wasn't over, but we needed to step it up... a lot. Unfortunately,

this wasn't the case as the second half was goal for goal - leaving Hallam 32-point victors at the final siren. Trent Cole was best on ground for us in just his fourth game for the club after battling in the middle all night.

#### Netball

Dandenong 26 def. St. Kilda City 13. Bang! Another (huge) win to the Redlegs to knock off the undefeated St. Kilda City to send us to the top of the ladder. It was a tight, tough first half in warm, sunny conditions in Dingley but the girls fought on and wore SKC out early. Leading by just three goals at the half time break, the ladies lifted and the goals just kept coming to run away 13 goal winners. Congratulations to the ladies, but the season is only young - still a long way to go! We'd like to thank Melbourne Online Motors for their support of our netball team in 2015.

## UNDER 19'S: ON THE UP / ALEX CHARLES

The long-awaited Grand Final rematch took place at Bentleigh Reserve and neither side could be separated at the final siren. The clash does little to reveal which side is the outright premiership favourite – but it was the Hampton Hammers who benefited managing a comfortable 58-point win over the Hawks to move into top spot. Interesting results elsewhere sees the ladder beginning to take shape however with only a third of the regular season complete – lower-placed sides will continue to feature in finals discussions.

Bentleigh hosted Dingley for the season's biggest fixture and fans of both teams were left speechless. Madison Talarico continued his outstanding form booting five majors out of a small total of eight to move closer to St Kilda City's Xavier Pauli on 33 and 37 goals respectively. Oakleigh District's Christian Gabbert rounds out the top three on 15 goals which further reinforces the enormity of Talarico's efforts thus far. The Demons next host Hallam meanwhile Dingley host St Pauls who are fresh from a comfortable win over Highett.

Hampton maintained their momentum, defeating the current fifth-placed Hawks at Hallam Reserve to emphasise their premiership credentials and become the first side other than Bentleigh or Dingley to sit on top of the ladder. Meanwhile, St Kilda City annihilated Oakleigh District amassing 175 total points in a 137-point victory. The result illustrates their flag credentials and despite being a newcomer to the competition – the Saints sit comfortably in fourth position. They next face a determined East Brighton outfit and will start favourites while Oakleigh will look to forget this result when they head to Carrum to face the Lions.

After a disastrous start to the season, Cheltenham overcame a disappointing Bombers outfit by 41 points. Skye will struggle to recover when they next face league leaders the Hammers, while Cheltenham will be favourites to win two-straight games when they face Highett. East Brighton and Carrum Paterson Lakes entered their round six clash evenly poised at 2-2 and it was East Brighton who claimed a crucial 33-point win ultimately leading at every change. They face tougher opposition next week as opposed to the Lions who have a winnable game at home to the disgruntled Oakleigh.

There are many things to consider from the sixth week of proceedings – can Dingley and St Kilda City continue to rely on Madison Talarico and Xavier Pauli respectively? Given the quality both midfields possess – most would believe this is possible. However it would seem they will need more support if either side is going to challenge Bentleigh's team-oriented system come finals time.

The key fixture of round seven features St Kilda City and East Brighton with both teams focused on strengthening finals chances. Despite a disappointing defeat at Skye, East Brighton have recently found form with two strong wins. However, St Kilda's recent patch of form and scoring prowess should see them take home a win. Carrum and Oakleigh is another fixture to consider viewing with both sides keen to move out of the bottom half of the table and into finals calculations.

Moreover, the competition continues to improve as more teams come to the fore. Inconsistencies remain, but ultimately it is becoming clearer that teams are decreasing the gap between their best and worst performances.

Hello, I'm Doctor Brian Ironwood.

## UMPIRE'S CORNER / THE WHITE KNIGHT

Thank you to the SFNL for highlighting the role of our umpires (and our netball umpire colleagues) in last week's Record. If you haven't read the major story on Ilie Fridman's journey into umpiring, you should look it up on line. Thanks too to the many clubs that went out of their way to look after our umpires last week. I'm told that the panel at Hallam didn't leave until after midnight, so good was the hospitality on offer!

Thank-you also to Col and his team at Cheltenham who looked after Neville (the Bionic Man) Gardiner on the occasion of his 800th SFNL/ESCFA game. Neville was presented with a bottle of fine claret at half time. Spectators are not sure whether it was immediately consumed or reserved for another special occasion.

As part of Community Umpiring Week, some AFL umpires trained with us on the Tuesday at Bricker Reserve. One of the training drills that evening was 'to remove dog poo from the training track' before the AFL umpires arrived. Our Director of Umpiring was very keen to give our visitors a good impression of our facilities. He even advised that he'd "clean their boots if he had to"! There was no need for this however, as the dog poo had disappeared before they set foot on the oval.

Our boundary umpire numbers have been a little down this year, and will decrease by one more in a fortnight when Hannah Faulkes heads to New York to work in a Summer Camp for eight weeks. She'll find that managing teenagers is much more stressful than looking

after footballers. No doubt she will have lots of stories to tell on her return. Another boundary umpire who is often unavailable is Steve Gelsi. Steve often works as a Boundary Umpire Observer for the VFL, and can be seen eating the complimentary cakes at the Western Oval with field umpire observer Scott Van Nordennen. In the mean time, Borgie can expect several more jobs on the boundary in addition to his field umpiring appointments.

Josh O'Donnell has made his long awaited comeback to field umpiring (and to the Tribunal) after a brief cameo last year, while Michael Schembri made his seasonal reappearance last week. Troy Nicholson is now chasing Sean Geaney and Lee Weiss to reappear from hibernation.

Our field umpires have been discussing how to develop a game plan for each match they umpire. There are lots of things to consider; for example, the weather, the state of the ground, the relative positions of the teams on the ladder, any prior history between the clubs and so on. Even arriving dressed neatly is a signal to the competing clubs that you are serious about your umpiring. Remember the six Ps: Perfect Preparation Prevents P\*\*\* Poor Performance!

Next Tuesday sees the second of our First Year Umpire Induction Programs, for those who are new to the SFNL or those who have joined us from other leagues. It is compulsory for those umpires to attend on Tuesday.

Remember that:
