RECORDING OF PLAYING POSITIONS & GOALING STATS

A mark should be made to indicate a goaling positional change. This must be done on the official scoresheet in the quarter-by-quarter section. The positional change may be indicated by a bracket around last goal scored by the substituted player as shown in the picture below.

Those using Netball Connect live scoring with position tracking can make these changes directly on the screen using the wheel in the top right-hand corner, selecting the position then the player that has rolled onto this position.
