

SFNL MATCH REVIEW PANEL (MRP) PROCEDURE

The Panel

The Match Review Panel (MRP) shall be appointed by the League and made up of independent members who have no direct association with any Club across the League. Match Review Panel members shall remain anonymous and there shall be no need for MRP members to ever have to attend a tribunal case.

The role of a Match Review Panel Member will simply be to review incidents referred to Panel by official League footage and decide whether to refer the incident to the Independent tribunal based on AFL rules as outline on a Report Sheet.

The Match Review Panel shall consist of an odd number of people to ensure there is always a majority rules result.

Assessment of Reports

The MRP will assess all Player Reports on the Monday as received throughout the weekend and have the power to impose or amend penalties as they deem appropriate. This will include involvement in melees (if captured on vision). The MRP will have a “Grading of Offences” table and a “Melee Matrix” available as a guide when deliberating on relevant penalties, with the aim to establish consistency.

Review of Incidents

Umpires may request a review of an incident during a period of the match (for matches filmed by the League) when giving ‘all clear’. Member Clubs will be shown a copy of the request at this time.

Clubs may also make an official request to review a specific incident or incidents of concern by completing the ONLINE Video Request Form and submitting that by 10:00am the first business day after the match.

The SFNL MRP will review the relevant footage, and if deemed appropriate may lay a charge to be heard by the Independent Tribunal or recommend a set penalty.

Communication of an MRP Report

The League will notify any Club(s) via email by the first business day after the match of any charges laid by the SFNL MRP. Should the case be referred directly to the Tribunal, the email will contain details of the hearing.

MRP and Set Penalties

If a set penalty is applied or amended by the MRP, the charged player will have until 10:00am on the second business day to request the charge be heard at the independent tribunal or the Set Penalty will apply as offered.

As per the Football Competition Regulations '33.5 - If the Player does not accept the set penalty, then they must appear before the Tribunal. If the Player is found guilty by the Tribunal, the Player must receive a penalty greater than they would have if they had accepted the set penalty, and the Club will be levied a penalty of \$250.00 (incl. GST)'

Appeals

There is no avenue of appeal against a decision made by the Match Review Panel simply because that opportunity is available should a case move through the Tribunal process and an outcome has been determined. The Club may appeal the outcome of the Independent Tribunal hearing via SFNL By-Law 13 - Appeals.
